

Registration Details

Open for UG/PG Students, Industry Experts, Academicians and Research Scholars of Computer Science, Electronics Communication Engineering disciplines.

Information to Authors

Prospective authors are requested to submit a softcopy of the proposed paper to the following Emailid: nccit2017@gmail.com in IJMST Template. The template for paper preparation is made available at www.ijmst.com. All the selected and presented papers will be published in the conference proceedings and in international journal for modern Trends in Science and Technology (IJMST, Impact factor: 6.5) with an ISSN: 2455-3778. Updates for conference and journal publication will be available at www.aliet.ac.in

Important Dates

Full paper submission	12-03-2017
Notification Of Acceptance	15-03-2017
Conference Registration	18-03-2017
Date Of Conference	23-03-2017

Registration Fee:

Category	Registration Fee
Faculty/Research Scholar/ PG Students	1200 INR
UG Students	1100 INR
Participation	300 INR

All the payments should be made in the form of DD in favour of "Director, Andhra Loyola Institute of Engineering & Technology, Payable at Vijayawada.

Registration fee includes conference proceedings, conference kit, lunch and refreshments.

1st National Conference On Computing & Information Technology

NCCIT-2017

23rd March 2017

Call for Papers

Organized by

Department of Information Technology

**Andhra Loyola Institute of
Engineering and Technology**

Vijayawada, Andhra Pradesh-520008

ph no. 0866-2476161, 2498976

Fax no. 0866-2498976

Website: www.aliet.ac.in

Andhra Loyola Institute of Engineering and Technology(ALIET) is a sister institution of the reputed Andhra Loyola College, Vijayawada. These two institutions are administered and run by Loyola College Society, Guntur-Vijayawada.

ALIET was approved by AICTE- New Delhi, on 04-06-2008 and also ISO 9001:2008 certified institution. The institution is recognized by government of Andhra Pradesh and affiliated to JNTUK. The institute is offering 6 UG programmes in Engineering with 540 intake, 2 PG programmes in M.Tech, MBA. Our institute is running with the solar power.

Vision:

In accordance with the Jesuit vision of higher education ALIET imparts technical education with integral formation which involves academic excellence, Spiritual growth and social commitment.

Mission:

The mission of our Jesuit education is to form 'men and women for others' and mould them as global citizens with competence, conscience and compassionate commitment. Special concern is shown towards socially and economically marginalized students.

About the Department:

The Information Technology department offers UG with intake of 60. The department has well talented, Qualified, experienced & dynamic faculty along with skilled technical supporting staff who spearhead the process of achieving the vision of the departments. The department has IIT&MIT video lectures, and internet leased speed of 20 mbps, Digital library IEEE e-journals and well equipped labs & infrastructure. Many of our student's technical papers have been published in various national and international symposiums. A good number of students are being placed through campus placements core MNC companies every year.

Objective:

The national conference has the objective of highlighting the problems of Computer science and Information Technology. The conference will provide platform to exchange the knowledge in the thrust areas of Computer Science and Information Technology.

Call for papers:

Original and Unpublished research papers are invited from PG students, research scholars, Faculty, Industry persons and scientists in the following areas of interest:

Major areas of Interests:

- > Artificial Intelligence
- > Big Data Analytics
- > Cloud Computing
- > Parallel Computing
- > Machine Learning
- > Natural Language Processing
- > Image Processing
- > Data Privacy and Security
- > Video Analytics
- > Data mining, Data Warehousing
- > Internet Of Things
- > Any Other relevant areas
