ABOUT ALIET:

Andhra Loyola Institute of Engineering and Technology (ALIET) - a sister Institution of Andhra Loyola College Vijayawada, Loyola College Chennai, St. Xavier's Mumbai, St. Xavier's Calcutta, XLRI, St. Joseph's Bangalore - is one of the premier Institutes that sets high standards in Engineering Education, in and around the Capital Region of Amaravati, A.P. ALIET was established in the year 2008 by the Loyola College Society, Guntur-Vijayawada, to realize the Jesuit vision and with an aim to take technical education to students, especially to the under privileged and the more deserving youth of the state.

ABOUT TECHNICAL PROGRAM:

MATLAB is more than a fancy calculator; it is an extremely useful and versatile tool. Even if you only know a little about MATLAB, you can use it to accomplish wonderful things. The hard part, however, is figuring out which of the hundreds of commands, scores of help pages, and thousands of items of documentation you need to look at to start using it quickly and effectively. That's why we aim to organize Training program so that the students can understand programming and Simulink effectively. **A Seven-day National Level Online Technical program** is planned by the **Department of ECE, Andhra Loyola Institute of Engineering and Technology, from 10th to 16th June, 2020.**
