

ANDHRA LOYOLA INSTITUTE OF ENGINEERING AND TECHNOLOGY
DEPT. OF TRAINING AND PLACEMENT

Training activities of the Placement Department

1. The Placement dept. has imparted Programming, English, Aptitude and Reasoning skills by organizing training programs which were conducted as a part of the regular curriculum from Third semester till Eighth Semester. The objective of the program was to make the student industry/Placement ready.
2. As the Student's career is of utmost importance, we make them to focus on their potentials to explore the possibilities of getting them into the right industry. The training of the students is according to the industry expectations. We imbibe our students with good employability skills and they will be industry ready at the end of their stay in Loyola.
3. We had exclusive campus specific technical training conducted for Cocubes and AMCAT registered students.

Recruitments

We conduct exclusive On campus drives, Pool campus drives, Off campus drives and JOB fairs to provide the employability opportunity to all the eligible students.
