Guest Lecture on “Digital Prospective Entrepreneurs – Infrastructure and Land Pooling by APIIC, Vijayawada”

Title: Guest Lecture on **Prospective Entrepreneurs – Infrastructure and Land Pooling**

Resource Person: Mr. C. Nagarjuna Rao, Manager (Asset Management), AP Industrial Infrastructure Corporation Limited, Vijayawada

Date(s): 05th August, 2017

Venue: MBA SH, Department of MBA, New Block, Andhra Loyola Institute of Engineering and Technology, Vijayawada.

Participants:

45 students of II MBA participated in the Guest Lecture

Description about the Guest Lecture:

Mr. C. Nagarjuna Rao, Manager (Asset Management), AP Industrial Infrastructure Corporation Limited, Vijayawada delivered a guest lecture on **Prospective Entrepreneurs – Infrastructure and Land Pooling**. Students of II MBA participated in the program. In the session the resource person mentioned the facts and figures about various programmes that are being conducted by the government regarding land pooling. He elaborated on the challenges and opportunities for prospective entrepreneurs.

Guest Lecture on “Personality and Communication”

Title: Guest Lecture on “Personality and Communication”

Resource Person: Mr. Toby Georgy, Media Consultant, The Hindu, Vijayawada.

Date(s): 21st January, 2017

Venue: South Seminar Hall, Old Block, Andhra Loyola Institute of Engineering and Technology, Vijayawada.

Participants:

48 Students of II MBA and 49 Students of I MBA participated in the programme.

Description about the Guest Lecture:

A guest lecture on **Personality and Communication** was organized by the department of MBA on 21st January, 2017. **Mr. Toby Georgy**, Media Consultant, The Hindu, Vijayawada, gave an excellent lecture to the first and second MBA students. This Lecture helped the students to know the importance of personality and communication.

The lecture was interactive. It also helped the students to build a positive attitude and motivated them to achieve success in life. The lecture was an enlightening experience as it helped each participant to rediscover oneself as a human being, as a student, as a fresher who was looking for his/her dream job. The articulation tips provided by the resource person were helpful to improve their personality and leadership skills.

Report on Seminar/Conference/Workshop/FDP conducted

Title: “Big Data Analytics Using Hadoop”

Date(s): 16-9-2016 to 17-9-2016

Preamble:

A Two day Training on “Big data Analytics using Hadoop” was conducted on 16-9-2016 and 17-9-2016, at Andhra Loyola institute of Engineering and Technology, Vijayawada, Krishna District, Andhra Pradesh.

Participant’s Profile:

A total of 90 Students & Faculty members (CSE&IT)ofALIET participated in this Training.

Description about the Program:

The department of CSE conducted a two day training on **Big data Analytics using Hadoop** on 16 and 17 September 2016. The primary objective of the workshop is to focus on basics of Hadoop and its implementation in present scenario. **Mr.VEERAANJANEYA NAGARAJU**, who is working as Senior Professor at LBRCE, Mylavaram, Krishna District was the Resource Person. He delivered a talk on the topic. He said that Big data is a collection of large data sets that include different types such as structured, unstructured and semi-structured data. This data can be generated from different sources like social media, audios, images, log files, sensor data, transactional applications, web etc. To process or analyse this huge amount of data or extracting meaningful information is a challenging task now a days. Students got benefited from this training.

Feedback:

All the Students expressed their satisfaction about the programme.

Guest Lecture on “Digital Marketing”

Title: Guest Lecture on “Digital Marketing”

Resource Person: Shri N. Gowtham, Assistant General Manager, Digital India, Hyderabad.

Date(s): 27th August, 2016

Venue: MBA SH, Department of MBA, New Block, Andhra Loyola Institute of Engineering and Technology, Vijayawada.

Participants:

48 students of II MBA participated in the Guest Lecture

PRINCIPAL
ANDHRA LOYOLA INSTITUTE OF
ENGINEERING & TECHNOLOGY
VIJAYAWADA-520 008.

Description about the Guest Lecture:

The role that digital advertising typically plays for marketers is one of reach to increase awareness of a brand, product, or campaign. Digital advertising is evolving to include a greater number of creative formats, targeting options, delivery methods, and opportunities for placement. Digital Marketing has become an increasingly integral part of our lives. **Mr. N. Gowtham**, Assistant General Manager, Digital India, Hyderabad, delivered a guest lecture on **Digital Marketing** organized by the department of MBA on 27th August, 2016. He said that Digital marketing encompasses all marketing efforts that use an electronic device or the internet. Businesses leverage digital channels such as search engines, social media, email, and other websites to connect with current and prospective customers. He also shared information about different software applications in the field of digital marketing.

Description about the Guest Lecture:

Mr. N. Rajashekhar, Executive, Stratadigm Education and Training Pvt. Ltd, Secunderabad was invited as the resource person for the guest lecture on **Skill Development** on 21 July 2016. All the students of MBA participated in the session. In this session he spoke about how young students could set their goals and prioritize them, also how they could be more consistent in establishing them. He said that they should break their long term goals into smaller ones and achieve them. Mr. N. Rajashekhar, the resource person made students believe that dedication and passion is the key to success. Over all, the lecture was a good learning process wherein students learned more about managerial skills and self development.

NI LAB VIEW

LabVIEW is an easy-to-use, interactive, graphical programming language that is ideal for engineers and scientists. Whether you are an educator or a student, knowing how to program in LabVIEW is a valuable skill with many benefits.

The department of Electrical and Electronics Engineering conducted a three day National Workshop on **NI LAB VIEW** in collaboration with APITA from 23rd -25th Nov 2016. Nearly 50 students from 2nd and 3rd year participated in the workshop. **Ms. Poojitha**, Trainer, APITA, Vijayawada was the resource person for this workshop. With LabVIEW, students can write sophisticated programs and applications in a shorter amount of time without a computer science degree. Knowledge of LabVIEW can improve their performance in projects and research. LabVIEW skills can help students get a job at thousands of companies around the world.
