

TECHNICAL LITTLE BITS

The 3 day camp Technical Little Bits was taken by department of Information Technology to share technical details of the science and technology with the kids of ZPH School, Ramavarappadu, Vijayawada. Director Fr. Dr. A. Francis Xavier and Department Head Mr. S. Kishore Babu started the session with the students from the school and students of IT shared their knowledge with the little kids related to information technology.

Faculty members of IT department conducted awareness program to school children of ZPH School, Ramavarappadu in Andhra Loyola Institute of Engineering and Technology, Vijayawada on information technology. Assistant Director Fr.Chiranjivi inaugurated the session along with Head of the Department of IT.

COMPUTER FUNDAMENTALS

Greetings to the faculty, students and supporters of Computer Science and Engineering Department. Our students main aim is to get involved themselves in both professional career and academics. Apart from this they also participate in various co-curricular activities, to exhibit their skills. Among such events our students took initiative for empowering the students who belongs to the government schools in Vijayawada. This event conducted for 9 days from 21st November 2017 to 30th November 17 in their respective schools and it was named “EXTENSION CAMPAIGN” for 9th and 10th standards. Our students covered 20 schools in 9 days where 2 batches consisting of 7 student coordinators each were sent to two different schools per day. We are very happy to share that those students are very interactive and are capable of grasping the subject very quickly.

Paper clipping of the event

Paper clipping of the event

Students of Andhra Loyola of Engineering and Technology organized training and Awareness program in computer fundamentals in 20 municipal schools for 8th class students. The Awareness program was conducted through power point presentation. Director, Asst. Director and Principal spoke on this occasion.

Sub: Education - Secondary - Feedback Report - CSE students' Computer based teaching (Extension) Programme - in Old SBVSRMCH School - Kandrika - Vijayawada - 15 submitted - regarding.

I hereby inform your highness that Seven students of CSE of ALIET alongwith the Asst. Professor Smt. M. Mohana Deepthi and programme coordinator Sri. Rajesh visited our school and taught Computer Based (fundamentals), M.S. office to the 9th class students (124) of our school from 10AM to 4.45PM on 23rd 10/17. The students from your Esteemed College did their best in motivating the students and they made our students actively participate in the programme and learnt a lot about the fundamentals of computers. We are very much thankful and grateful to you for rendering service to the poor students of our school through your college faculty.

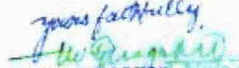

Thanking you, Sir

Names of the Students (ALIET)

1. P. Sailaja
2. K. Preethi Jyothi
3. D. Divya
4. S. Pratheeksha
5. Ch. Chamundeswari
6. P. Sneha
7. K. Akshitha

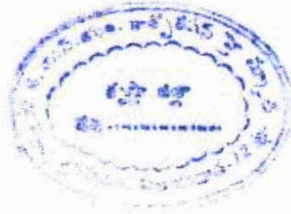

Asst. Professor: Smt. M. Mohana Deepthi

Coordinator: Sri. Rajesh

SUB: Thanking you for 1 day workshop on computer awareness conducted in our school

Dear Sir/Mam,

I would like to thank ALIET for conducting computer awareness program in our school. The students of your college covered the topics like Computer basics, MS-Office, Mail Creation, and Online Transactions, Basics of C-Programming which are very helpful to our students. This session carried in a interactive way. Our students gained knowledge in computer fundamentals by having visual presentation.

Thanking you,

Yours Sincerely ,

A. S. M. C.

Sub: Request for permission to conduct an awareness program on "**Blanket Donation**" reg.

Dear Sir/Madam

We wish to inform that Civil Engineering Department is going to conduct an extension program on "Blanket Donation" along with "Friends for HOPE" at various places like near railway station, bus station and along M.G road to the homeless sleeping on road sides with a Faculty member and students on 02nd December 2017. This program aims to donate 120 blankets for poor and homeless during winter season. Hence, we would be grateful to you if you permit our Faculty members and Students to conduct the programme.

Sub: Requesting permission for conducting awareness programme on "Electrical Hazards and Safety, Importance of Electrical Energy Conservation".

Dear Sir/ Madam,

We wish to inform that Andhra Loyola Institute of Engineering and Technology is going to organize an awareness programme on "Electrical Hazards and Safety, Importance of Energy Conservation" in your institution. This programme imparts basic knowledge of protection against the human body and house hold electrical appliances, importance of renewable energy sources and energy saving, cost saving of electrical appliances to the students of your institution by the students of our college from the Dept. of EEE. The students of EEE branch of our college desire to visit your institution for one day (preferable date) along with two faculty members. Hence we would be grateful to you if you could permit our students to visit your institution for one day for this programme.

With Regards,

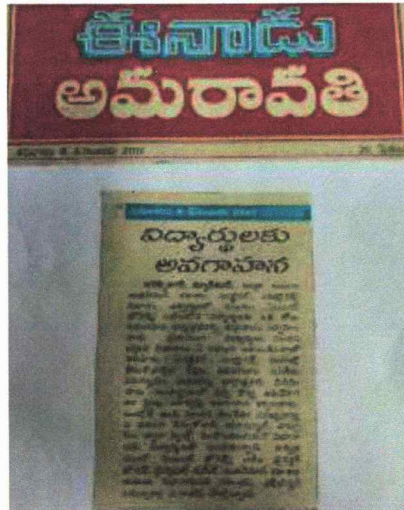

Director (Extension Programme)

POLLUTION, ROAD SAFETY, TRAFFIC RULES

Department of Mechanical Engineering conducted a 5 day extension program on Pollution, Road Safety and Traffic Rules. They conducted this program with students and gave orientation on traffic rules to students from 5 different organizations. First Day they gave presentation in SBSRKR Girls High School, Second data on Pollution Control in Mohammad Alipuram MCH School, Third in AKTPMC High School, Fourth in VMRRMCGH School, and finally fifth is in SKSRMCH Municipal School. This event conducted from 3th January 2018 to 7th February 2018.

Students creating awareness on pollution, road safety and traffic rules

Paper clipping of the Activity-pollution, road safety and traffic rules

Director and Head of the Department of Mechanical Engineering inaugurated Awareness program on pollution, road safety and traffic rules. Students gave orientation on how to avoid accidents and to follow traffic rules. Faculty members Naga sudharani and Venkata srinivas participated in the event.

Sub: Request for permission to conduct awareness program on "Career Guidance for High School Children" reg.

Dear Sir/Madam

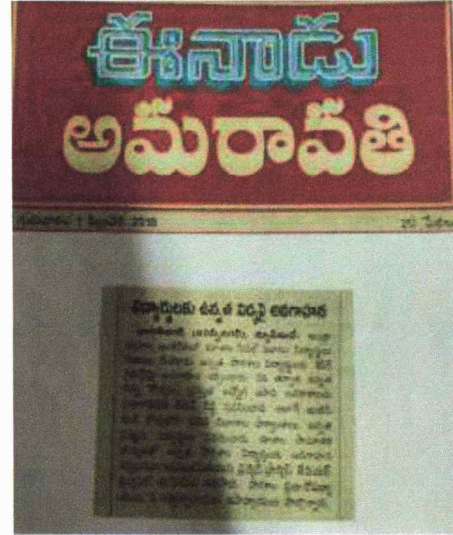

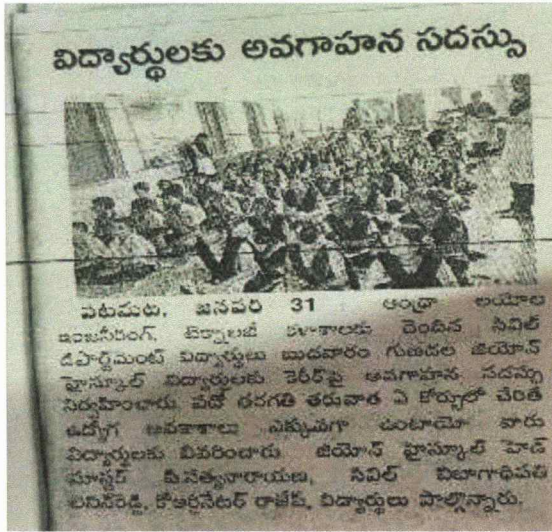

We wish to inform that Andhra Loyola Institute of Engineering and Technology is going to organise an awareness program on "Career Guidance for High School Children" in your institute. This program imparts basic knowledge to students of your institute on career opportunities after X-Class and guides them in selecting a suitable career of their interest. Staff and students of our college from Civil Engineering Department will visit your institute for one day. Hence we request you to indicate a convenient date for the above mentioned purpose. Hence, we would be grateful to you if you could permit our students to visit your institute for a one day program.

Date:30/1/ '18

TO WHOMSOEVER IT MAY CONCERN

Andhra Loyola institute of engineering & technology civil engineering students,headed by Mr.G. Lenin Reddy&Mr A Rajesh gave a seminar based on CAREER GUIDANCE &awareness on different stages of construction of a residential building at our school campus on 30/1/ '18. After a short briefing the girl students through power point presentation explained the various available career options immediately after X class and their sequel. And after a short interaction, the boys presented different stages of construction of a residential building . The programme was marvellous, thought provoking & children acquired some knowledge about how to handlethe problems for selecting a better career in a better way. Our children also interacted & gave a very good response.

We are grateful to the team for theirpresentation in an innovative way & we wish all the best for the future.

“wish you god’s blessings in all your endeavours”

Respected Sir,

We are so grateful for conducting seminar on "Career Guidance" by civil department students. Students explained the topic clearly and well appreciated by all. It was useful for students to decide about their future after tenth class. It was appreciated by the Staff which will be useful for the students.

Thanking You,

ENVIRONMENT Vs TECHNOLOGY

Department of ECE and students conducted a 4 day extension program on Environment Vs Technology which explained the kids the importance of Technology as well as in the real importance of environment. Students explained how environment is being effected with the high technology usage. This event was held from 26th February 2018 to 1st march 2018 in four different schools. First event at St. Joseph's English medium high school, Second is at St. Joseph's ITI institute, third is in Vijaya Mary Integrated School for the blind, Last event held at PSMC Girls High School.

Sub: Requesting permission for conducting a programme on "Environment verses Technology"

Dear Sir / Madam,

We wish to inform that ALIET is going to organise an awareness programme on "Environment verses Technology" in your institute. This program imparts basic knowledge to students of your institution how the technology affects our environment, advantages and disadvantages of Technology. Staff and students of our college from the department of Electronics & Communication Engineering desire to visit your institution for one day. We request you to indicate convenient dates for the same preferably after 24th February 2018. We would be grateful to you if you kindly permit our students to visit your institution for the one day programme.

With Regards,
Director (Extension Programme)

Sub: Feedback of Expression programme on a Environment Vs Technology" –Reg.

Andhra Loyola Institute of Engineering & Technology (ALIET).

1. Children are able to understand the topic presented by ALIET ECE students regarding environment, pollution as well as solution.
2. Children came to know the value of uses of technology. Without affecting the environment.
3. Technology advantages and disadvantages are learnt by the students.
4. Students got knowledge on e-waste, how it affects our environment and how to sense and recycle e-waste.

Thanking you

Yours faithfully

TO WHOMSOEVER IT MAY CONCERN

This is to certify that Andhra Loyola Institute of Engineering and Technology ECE department students introduced and explained about the Environmental Vs Technology. They explained about the Environment and what is environment, uses, defects, deforestation and Electronic waste. Vijaya Mary Integrated School for the Blind VII, VIII and IX class students participated in the seminar. They were all happy to know about the Environment. They gained more knowledge and promised not to anything against on Environment.
