

VANA MAHOTSTAV WEEK

“Knowing trees, I understand the meaning of patience. Knowing grass, I can appreciate persistence.”

— Hal Borland

Van Mahotsav is a green moment started in the year 1950 by Indian Union Minister of Agriculture Kulapati Dr. K M Munshi. As a sign of remembrance of this great day the Students of ALIET, participated in the one-day Vana Mahotsav event conducted on 8th July, 2019 in the college premises. The eco-club of ALIET along with NSS team tried to create an orientation on the importance of plantation. Students were highly inspired to follow green imitative. Nearly 31 students from eco-club along with the staff planted and watered the saplings.

Loyola NSS unit plants saplings

HANS NEWS SERVICE

Vijayawada The NSS unit of Andhra Loyola Institute of Engineering and Technology has organised plantation programme for the college premises on Monday. The programme was organised as part of Varadachariyam 'sewa' under the National Service Scheme and Department of Environmental Science. The plantation programme was inaugurated

by assistant Director P. Anand S. The NSS unit members planted saplings and each student took the responsibility to nurture and maintain the saplings.

Speaking on the occasion, P. Anand said that at present, the world is facing environmental problems: global warming, ozone depletion and pollution which were the burning issues. The solution to these problems lies in planting more

trees which are the green source of environmental purification and oxygenation. Trees intake carbon dioxide and release oxygen, both physically and psychologically that will have influence on human beings.

The plantation of saplings was done in Green Campus coordinated by VV English teacher Sanjiv Kumar and A batch students and others participated in the programme.

IMPACT OF IT ON ENVIRONMENTAL PROTECTION

In nature's economy the currency is not money, it is life.

— **Vandana Shiva**

The Department of Computer Science and Engineering conducted an event entitled “Impact of IT on Environmental Protection” in which 20 students from the department of CSE participated and trained the students. Campaign on environment protection the student of ALIET expressed the need of the hour to follow green technology. The students motivated the children of PSMCG High school, SKRMRC High school and SVRMC high school to protect our Mother earth. The event was conducted on 16th July, 2019 to 27th July, 2019.

Sub: Requesting permission for conducting awareness programme on "**IMPACT OF IT ON ENVIRONMENTAL CATASTROPHE**".

Dear Sir/Madam,

We wish to inform that Andhra Loyola Institute of Engineering and Technology is going to Organize an awareness programme on "**IMPACT OF IT ON ENVIRONMENTAL CATASTROPHE**". The main objective of this program is to create awareness by using electronic gadgets like Smart Phones, Computers etc. All these Gadgets are releasing lot of radiation which causes Environment Catastrophe, Health issues etc.

So How to use the Technology by reducing the radiations of the Electronic Gadgets to the Students of your Institution by the CSE Students of Our college. The Students of CSE Branch of our college have desire to visit your Institution for one day along with two faculty members. Hence we would be great full to you if you could permit our students to visit your institution for one day for this Programme.

With Regards,

Assistant Director

Extension Programme on "IMPACT OF IT ON ENVIRONMENTAL PROTECTION"

16-07-2019 ,19-07-2019 and 27-07-2019:

Greetings to the faculty and students of **Computer Science and Engineering Department**. The main focus of our students is to excel in academics and professional career. Apart from this they participate in various curricular and co-curricular activities to exhibit their skills. Among such events our students cordially initiated a social activity in ALIET for 8th and 9th standard students who belong to various schools in our college bounds. It was named as A Programme on " **IMPACT OF IT ON ENVIRONMENTAL PROTECTION**" and was planned especially to empower the school students to impart basic knowledge on how the technology affects our daily life, uses of computer technologies. Among the students of 2nd and 3rd year CSE, some students planned the schedule with the help of faculty coordinators and took lead to make the programme a great success.

Campaign on environmental protection begins

HANS NEWS SERVICE

Vijayawada: The Computer Science department of Andhra Loyola Institute of Engineering and Technology started three-day campaign on 'Impact of Information Technology on Environmental Protection' at Padartha Sundaramma Girls High School here on Tuesday. Fr Chiranjeevi, assistant director of the college attended as the spokesman for the awareness programme. Addressing the students of girls high

school, Chiranjeevi said that protecting greenery across the planet lies in our hands. By educating people and creating awareness on environmental protection, we can safeguard the world around us, he said. He further explained the importance of environment and to what extent the technology can be used to protect it.

College principal De O Mahesh, faculty M Deepthi, college extension coordinator A Rajesh, faculty members and students were present.

Tribute to Dr. AP.J. Abdul Kalam

“If you want to shine like a sun. First burn like a sun.”

– A.P.J Abdul Kalam

Students of ALIET participated in the Tribute to **Dr. AP. J. Abdul Kalam** the missile man of India. Through this event the students of ALIET were able to recollect the simplicity and honesty of this great man in serving the nation. The event was conducted on 27-7-2019 at ALIET premises Vijayawada. A long flag of 83 m was carried in a procession as a mark of tribute and respect to A.P.J. Abdul Kalam.

A Tribute to Dr. A.P.J. Abdul Kalam by Loyola Engineering Students

Andhra Loyola Institute of Engineering and Technology, Vijayawada, in collaboration with Vibrants of Kalam paid heartfelt tributes to Dr. APJ Abdul Kalam, the former president of India who had left a vast legacy even after his demise. Mr. Ganapathi Raj Bhavan Security Chief was present as the chief guest. In his address, he said that Kalam is the pride of India who rose from poverty to develop scientific temper through his intellectual brilliance.

Rev. Fr. Dr. A. Francis Xavier SJ, Director of ALIET fondly remembered Kalam and said that the life of Kalam continues to ignite the young minds to reach heights of success. Mr E. Anup General Manager Reliance Jio, Andhrapradesh paid floral tributes to the portrait of Kalam. Dr. O. Mahesh, Principal paid hearty tributes to the former president, A.P.J Kalam.

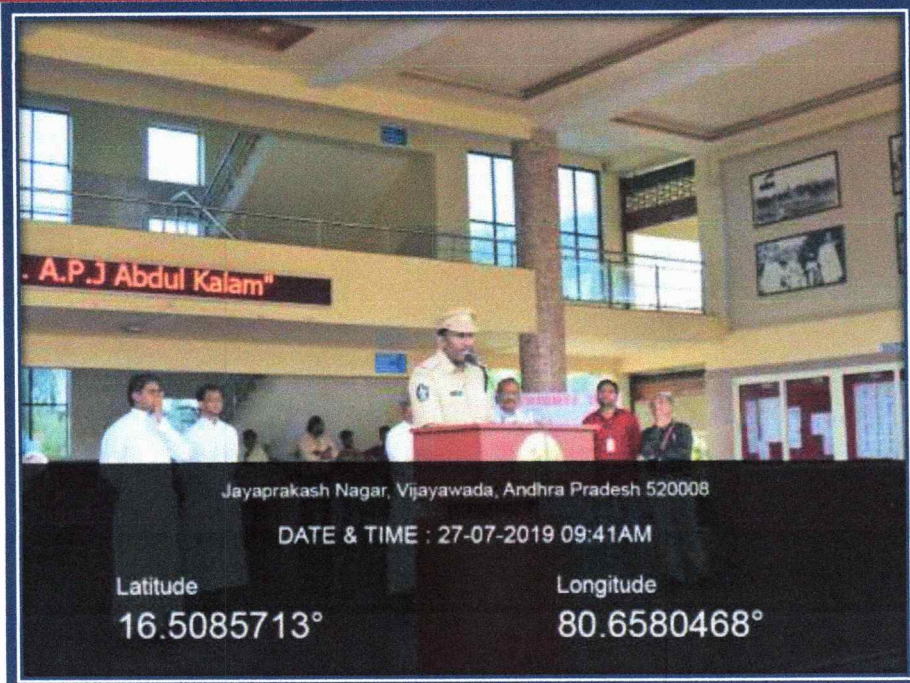

A rally was conducted by the students holding the 83 meters of Indian National Flag in honour of Kalam's life period.

Rev. Fr J. Chiranjeevi and Rev. Fr. Anand Asst. Ditectors were present to pay tributes to the 'Missile Man of India'.

The event was solemnly hosted by Vibrants of Kalam an N.G.O represented by Mr. Gandhi Babu Shanampoodi and Mr. Ramesh.

Energy Transformation

Wealth flows from energy and ideas.

– William Feather

As a part of social awareness students of ALIET participated in the energy transformation event. The event was conducted by the department of Electrical and Electronics Engineering on 22nd August 2020 at Government I.T.I College, Vijayawada. 24 students participated in this event. The students explained the importance of energy saving and transformation. Many children enthusiastically responded to the awareness programme. Students of EEE department of ALIET participated in this one-day event. The event conducted in 22-8-2020 at Government I.T.I College, Vijayawada.

Sub: Requesting permission for conducting awareness programme on "ENERGY TRANSFORMATION"

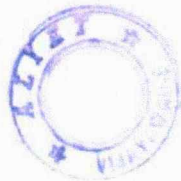

Dear Sir/madam,

We wish to inform that Andhra Loyola institute of Engineering and technology is going to organize an awareness programme on "ENERGY TRANSFORMATION" for students in your institution.

This programme imparts knowledge on basic power consumption, Energy Efficiency star rating of electrical appliances; safety measures and utilization of renewable energy sources to students of your institution from the Andhra Loyola Institute of Engineering & Technology. The students of EEE branch of our college has desire to visit your institution for one day (preferable date) along with two faculty members. Hence we would be grateful to you if you could permit our students to visit your institution for one day for this programme.

With Regards,

Assistant Director,
ALLET,
Vijayawada.

From HOD'S desk:

Greetings to faculty, students and supporters of Electrical and Electronics Engineering Department. Our student's main focus is to excel in academics and professional career. Apart from this they participate in various curricular and extracurricular activities to exhibit their skills. Among such events our students cordially initiated the social activity in ALIET for **GOVERNMENT ITI COLLEGE; Vijayawada** this event was conducted for one day on 22 august 2019. It's named as "**ENERGY TRANSFORMATION**" was **planned especially to empower the students**. Among the students of all years planned the schedule with the help of faculty coordinators and took lead to make the program a great success.

The In-charge of this extension program our Assistant Director Fr. Chiranjivi S.J delivered his best wishes to the student team and the faculty coordinators to perform well in the activities of this extension program.

The students of II/III/IV year of EEE Department had organized this awareness camp. They gave awareness to **GOVERNMENT ITI COLLEGE students** a brief introduction which is given by Miss PRATHIMA and she explains about **ENERGY TRANSFORMATION**, which are based upon the protection, causes and safety of power consumption, star rating and power saving and usage of LED's effects over power consumption, apart from these a brief intro about renewable energy resources and solar panels and electricity theft.

In electrical engineering power consumption refers to the electrical energy consumed per unit time, supplied to operate different home appliance.

Vijayawada,

From
GOVT ITI COLLEGE,
Vijayawada.

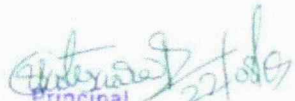

RESPECTED SIR,

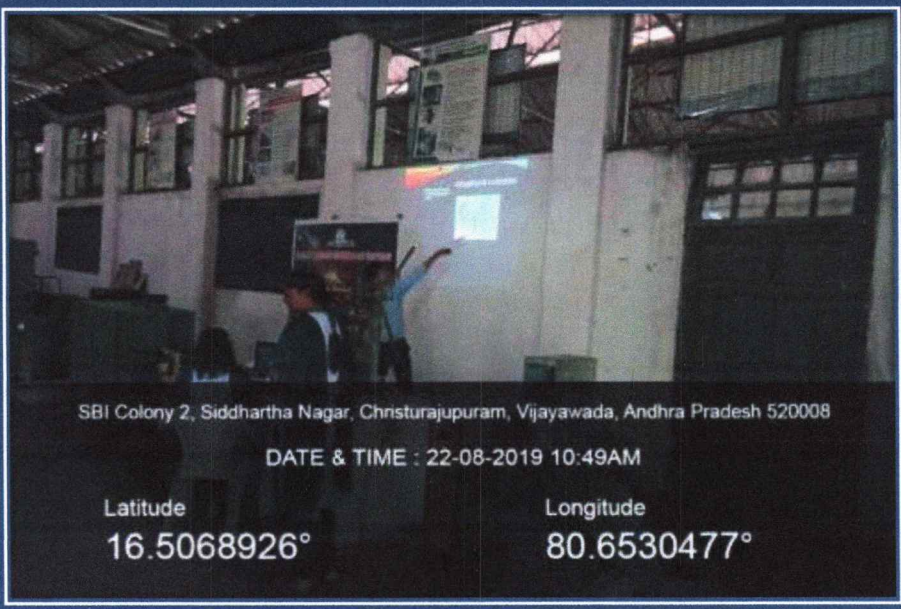

Your College EEE Department Students lead by extension coordinator Mr. Rajesh gave a awareness on energy transformation, i.e., solar energy importance, guidelines to solar panel reaction and installation, safety precautions when working in electrical environment and importance of 5star rating appliances. This awareness program is conducted on 22/8/2019 at our campus to ITI electrical trade.

The program was good and inspiring mostly innovative throughout the length where students acquired some knowledge about how to install solar panel and importance of high star rating appliances students and college team were interactive and maintained good response.

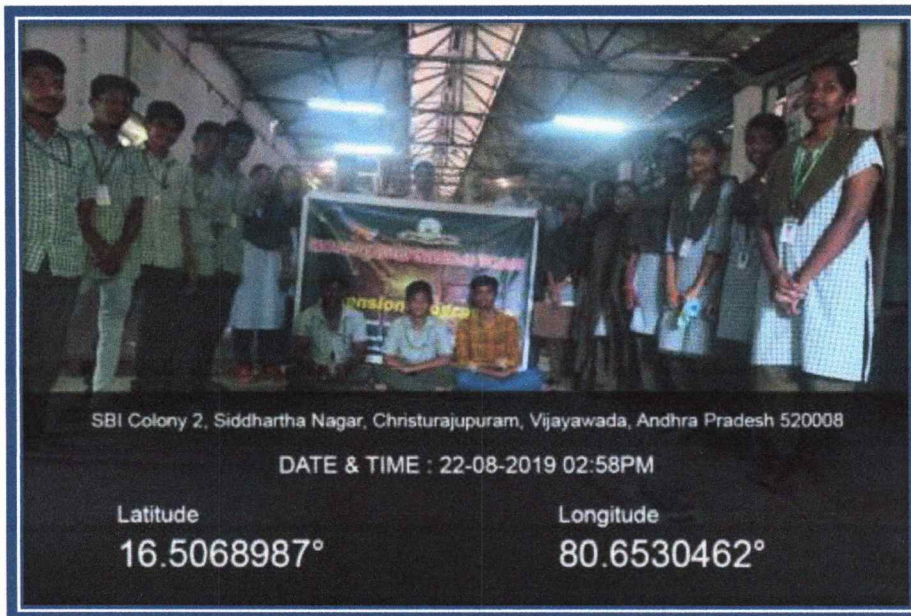

We are grateful to the EEE department students for their presentation in a lucid way and we wish to have other presentation in future.

Thanking you sir,

Principal
Govt. ITI, Vijayawada.

Flood Relief Program

Strength does not come from physical capacity. It comes from an indomitable will.

– Mohandas Karamchand Gandhi,

The Extension team of ALIET extended their helping hand to help and support the poor people suffering from the flood. Nearly 50 students participated in the flood relief camp. They collected funds and distributed provisions to the people who suffered in the flood. The event held in 3rd August 2020 at Krishna Lanka Area in Vijayawada, Andhra Pradesh.

NSS RELIEF PROGRAM REPORT

5-09-19

Sub: NSS Relief Program which was conducted in Flood Affected Areas in Vijayawada.

We wish to inform that ANDHRA LOYOLA INSTITUTE OF ENGINEERING AND TECHNOLOGY, VIJAYAWADA-8 has organized a NSS Relief program for Flood Affected Areas in Vijayawada Especially Krishna lanka, Balaji nagar Areas. Our College NSS students has Surveyed these areas first to know damage & loss on 24th august 2019. Upon their initial finding's students found due to flood waters entering the homes, their premises were infested with Mosquitoes which was a major problem.

To solve the problem on 3rd September 2019, the NSS Student Team Has Distributed Blankets, Mosquito Nets, Clothes & White Notebooks to People in Flood Affected Areas. This Entire Operation was initiated by management members and other staff Members Namely Father Dr. A Francis Xavier S.J, Father Chiranjeevi S.J, Principal Dr. O Mahesh and Mr. K Teja Swarup, Mr. Rajesh NSS Coordinator. This NSS Relief Program was successful only because of generous Donations given the both student & teaching Community.

Thanking you

Yours sincerely

Mr. Rajesh

HANS NEWS SERVICE

Vijayawada: The NSS students of Andhra Loyola Institute of Engineering and Technology (ALIET) organised a relief programme for flood affected areas in Vijayawada, especially in Krishnalanka and Balaji Nagar areas of the city on Tuesday.

The NSS students surveyed these areas to assess the damage and losses due to the recent floods. The students found that as the flood waters entered the homes, this gave rise to the mosquito menace. To solve the problem,

the NSS students team distributed blankets, mosquito nets, clothes and notebooks to people in the areas.

This NSS relief programme was successful only because of generous donations given by both the student and teaching communities.

The entire operation was initiated by the college management, staff and others.

Dr A Francis Xavier, Father Chiranjeevi, Principal, Dr O Mahesh and K Teja Swarup, Rajesh NSS coordinator and NSS students took part in the flood relief operations.

WATER FILTERING RAIN WATER HARVESTING and SELF DEFENCE TECHNIQUES FOR GIRLS

Conserve water by rain water harvesting'
save the silver drop of water by having rainwater harvesting

Students of ALIET participated in the 3 days campaign on conserve water by rain water harvesting' save the silver drop of water by having rainwater harvesting. They taught the school children how to save rain water and store and preserve the water they also explained some of the self-defence techniques to girls. The event was conducted by the department of Mechanical Engineering. Nearly 27 students participated in the 15 days campaign. The campaign conducted in 3-9-2019 to 18-9-2020 at V.M.R.R.M.C.S.G.H School, S.M.V.R.M.C School and Vivekananda Centenary High School, Vijayawada.

Dear Sir/Madam,

Subject: Requesting Permission for conducting Awareness Activities in your Institution - Reg.

I wish to inform you that Andhra Loyola Institute of Engineering and Technology, Vijayawada is going to organize awareness activities on "Water Filtering, Rain Water Harvesting & Self Defence Techniques for Girls" in your prestigious institution. The attempt of these activities imparts basic knowledge and awareness on certain issues to the students of your institution by the students of Department of Mechanical Engineering of our college. The Students of Department of Mechanical Engineering of our college has the desire to visit your institution for one day (preferable date) along with the faculty members. Hence your kind cooperation in this regard is highly solicited and we would be grateful if you could permit our students to visit your institution for one day.

With Regards,

Assistant Director

ABOUT THE PROGRAM

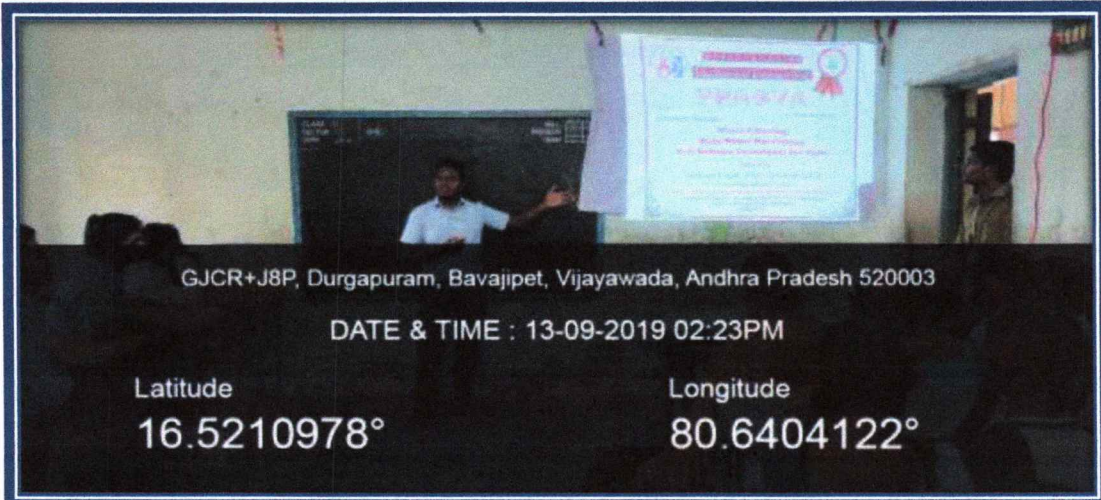

Water purification is the process of removing undesirable chemicals, biological contaminants, suspended solids, and gases from water. The goal is to produce water fit for specific purposes. Most water is purified and disinfected for human consumption (drinking water), but water purification may also be carried out for a variety of other purposes, including medical, pharmacological, chemical, and industrial applications. The methods used include physical processes such as filtration, sedimentation, and distillation; biological processes such as slow sand filters or biologically active carbon; chemical processes such as flocculation and chlorination; and the use of electromagnetic radiation such as ultraviolet light.

Rainwater Harvesting is the accumulation and storage of rainwater for reuse on-site, rather than allowing it to run off. Rainwater can be collected from rivers or roofs, and in many places, the water collected is redirected to a deep pit (well, shaft, or borehole), aquifer, a reservoir with percolation, or collected from dew or fog with nets or other tools. Its uses include water for gardens, livestock, irrigation, domestic use with proper treatment, indoor heating for houses, etc. The harvested water can also be used as drinking water, longer-term storage, and for other purposes such as groundwater recharge. Rainwater harvesting is one of the simplest and oldest methods of self-supply of water for households usually financed by the user.

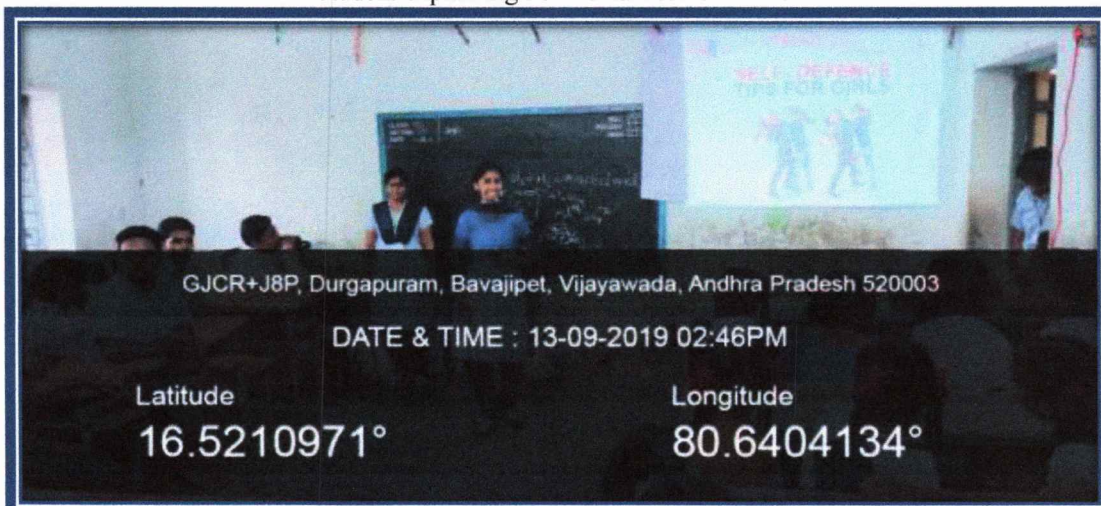

Self-defense is a countermeasure that involves defending the health and well-being of oneself from harm. The use of the right of self-defense as a legal justification for the use of force in times of danger is available in many jurisdictions. Self-defense, especially for women, is of utmost importance in the kind of the world we live in today. Women, usually referred as the weaker sex, are considered easier targets. In a country like India where the cases of gender violence are on rise, out of which many go unreported, self-defense for women has become a necessity more than ever. Self-defense helps women protect themselves and their family. Self-defense builds confidence in women. Self-defense teaches women discipline, and that discipline transfers over to all other areas of their lives.

The Department of Mechanical Engineering conducted awareness programme on "Water Filtering, Rain water Harvesting & Self defense techniques for girls" on 03-09-2019, 13-09-2019, & 18-09-2019 for the students of Vangaveeti Mohana Ranga Rao Municipal School, Vijayawada, S.T.V.R.M.C.H School, Buckingham pet, Vijayawada and Vivekananda Centenary High School, Ajith Singh Nagar, Vijayawada. Nine II & III B.Tech Mechanical Engineering Students actively participated in all the events along with the ALIET Extension Coordinator Mr. A. Rajesh & Incharge-Department Extension activities Mr. John Raja Ravi Kiran Kopelli.

ALIET holds 'Pragya' for Vivekananda school girls

Students of ALIET conducting awareness programme for the girl students of Vivekananda Centenary High School in Vijayawada on Wednesday

HANS NEWS SERVICE

Vijayawada: The students of Mechanical Engineering Department of Andhra Loyola Institute of Engineering and Technology (ALIET) on Wednesday conducted awareness programme for the students of Vivekananda Centenary High School,

Ajit Singh Nagar under the title 'Pragya'. About nine B Tech 2nd and 3rd years students participated in the awareness programme with great enthusiasm.

In the programme, the engineering students explained the school children about the water purification techniques, rainwater harvesting and self-

defence techniques to the girl students of the school, which would be highly useful to them.

Vivekananda Centenary High School Headmaster G V Ramana Rao, Engineering College Extension Coordinator A Rajesh and Assistant Professor K John Raja Bavi Kiran and others were present.

Sir,
Sub: One day programme on Water filtering, Rain water Harvesting & Self Defence Techniques for girls awareness in our school.

I would like to thank you for one day programme on water filtering, Rain water Harvesting and Self Defence Techniques for girls awareness to our school students on 03-09-2019 at our school premises. The programme was organized by the Mechanical Department faculty Mr. John Raja Ravi Kiran, Extension co-ordinator Mr. A. Rajesh & Team. The programme was interesting, informative and helpful. You have done a wonderful job and I appreciate your efforts. Please thank on my behalf everyone who was involved in the preparation and execution of the programme.

Thanking you

Vijayawada,
03-09-2019.

Yours sincerely,

Student's interaction

From HODs Desk :

Greetings to the faculty and students of department of Information Technology. Apart from the academic activities our students participate in extracurricular activities to enhance and exhibit their skills. Among such activities our students initiated a Extension activity named as "**Computer Fundamentals**". This program imparts knowledge about the Basics of Computers which will enable the students to learn how to use the computer and what are the parts and applications available in it and how it will be helpful to their education.

The staff and students of IT department planned the awareness program for 3 days in the month of September in the nearby government ITI College.

The management received and encouraged our students to conduct such programs in their colleges. The students participated were very happy and they have learned new things and also they have given a good feedback about the programme.

Our college management encouraged the students of various departments and supported in various ways to conduct such activities successfully.

'Computer Fundamentals' for ITI students concludes at ALIET

ALIET students teaching computer basics to students of Government ITI in Vijayawada on Friday

HANS NEWS SERVICE

Vijayawada: The students of IT of Andhra Loyola Institute of Engineering and Technology (ALIET) organised a three-day Extension Programme on 'Computer Fundamentals' for the students of Government ITI that concluded on Friday.

Speaking on the occasion, the college

director Rev Fr Dr A Francis Xavier said that it was a perfect platform where the students will acquire the basic knowledge on computers and how they work. Taking part in such events will be helpful for the students to enhance their technical skills as well as for their overall development.

The Computer Fundamentals tutorial includes all topics of computer ba-

sics such as input devices, output devices, memory, CPU, motherboard, computer network, virus, software, hardware etc.

Assistant director Rev Fr J Chiranjivi, principal Dr G Mahesh, programme coordinator A Rajesh, department faculty V Vidya Sagar, ITI principal G Raja Koteswara Rao, students of ITI and ALIET participated in the event.

Sub: Rally to create awareness of ban of single use plastic on Gandhi Jayanthi (2nd October 2019)-Reg.

Academy of Gandhian Studies (AGS), an apex level NGO, is working in the field of development for the past four decades with a commitment to end injustice, inequality and poverty through Sathya, Ahimsa and Dharma. The key areas of interventions of AGS include peace initiatives, child centred community development, gender equity and environmental sustainability through association with ITC Ltd PSPD in implementation of their recycling initiative, WOW (Wellbeing Out of Waste) in Andhra Pradesh.

WOW promotes segregation of waste materials at source (point of generation) to facilitate in easier and better recovery of materials such as papers, plastics and metals for recycling therefore reducing dependence on nature for raw materials by industry as well as in reduction of waste materials that are disposed through burning/incineration or dumping/landfill. We also assist in formal disposal of segregated recyclable materials for recycling.

Prime Minister Sri, Narendra Modi is scheduled to declare ban on use of single use plastic on Gandhi Jayanthi this year. To create awareness on this ban, AGS under WOW, has been instructed by ITC-PSPD to conduct an event in Vijayawada in the morning of 2nd October 2019. With the core of 500 student volunteers from Educational Institutions that have been participating in WOW activity, we will conduct a rally that will begin and end at venue/s at important location/s in Vijayawada. The volunteers will carry banners/placards that will carry messages on and about ban on single use plastics and exhorting the general public to avoid use of such plastics.

We solicit the whole hearted participation and support of students from NSS/NCC of 50 students and concerned staff in conducting this rally to create awareness about reinforcement of ban on single use plastics on this day.

Thank you.

Yours sincerely

Dist Collector flags off anti-plastic bags rally

People urged to discard plastic carry bags

HANS NEWS SERVICE

Vijayawada: Krishna District Collector Mohammad Imtiaz appealed to the people to put an end to the use of plastic carry bags as it was a threat to the environment.

The Collector flagged off an anti-plastic awareness rally at Indira Gandhi Municipal Corporation Stadium on Tuesday.

Speaking on the occasion, the Collector said that by using single use plastic carry bags, people were unknowingly exposing themselves to diseases like cancer, and is also a threat to the environment. The plastic carry bags usage can be stopped only by taking it as a movement and awareness should be created to the school and college students, said the Collector.

Central MLA Malladi Vishnu said

that the government under the leadership of Chief Minister YS Jagan Mohan Reddy is committed to ban plastic carry bags across the state. He said that it is possible only when the people feel the responsibility to stop using plastic carry bags.

VMC Commissioner V Prasaanna Venkatesh and other officials, school and college students participated in the awareness rally.

Respected Sir,

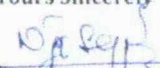

Sub: Request to send student volunteers reg-

As part of the protection of Child Rights, the Railway CHILDLINE / SKCV Children's Trust & Forum for Child Rights have planned a CHILDLINE Se Dosti & Child Rights Convention Week long campaign from 14th to 20th, November-2019 to sensitize the General Public and Civil Society members on the status of Children issues. This is on par with other parts of the Nation that has been done every year with the support of GO's and NGO's so as to benefit the children in need and distress.

Hence we request you Sir, Kindly to permit your students to be volunteers for the following program on 15-11-2019 - SENSITAZITION FOR RAILWAY EMPLOYEEES.

Thanking you Sir,

Yours Sincerely

Dear Sir,

SUB: Appreciation regarding your valuable support event on World AIDS Day rally 2019 reg....

Greetings from Vasavya Mahila Mandali Apollo Tyres Health Care Center
Vasavya Mahila Mandali (VMM) a registered NGO based at Vijayawada is working with the communities for development since last 50 years. The project VMM initiated are for the comprehensive development in the areas of health, socio, economic and educational development of marginalized communities with a focus on women, youth and children.

As a part of our programmes VMM is organizing a Truckers intervention programme in Jawahar Autonagar area, Vijayawada with the support of Apollo Tyres Foundation. The main objective of the programme is to creating awareness on STI/ HIV/General health problems and providing health services through health care center those who are having registration card with a minimum fee Rs.70 per one Month validity in all the 31 Apollo Tyres Health Care Centers.

As a part of World AIDS Day program, we participated Rally with Government Officials, NGO's on 1st December 2019 We herewith appreciate the **Students of Andhra Loyola Institute of Engineering and Technology** who have participated in jointly organized a World AIDS Day rally from Vijayawada Railway Station to Tummalapalli Kalakshetram on 1st December 2019. We are very thankful and Appreciate your valuable support in change the society, may people got benefit through this Rally. We are expecting your support in future to conduct the activities which are benefited to the community.

Thanking you,
With Warm regards,

G. Rashmi,
Secretary,
Vasavya Mahila Mandali

World AIDS Day 2019: December 1 is celebrated as World AIDS Day every year all over the world. The main motto behind celebrating the day is to raise public awareness about AIDS. Acquired Immuno Deficiency Syndrome, is a pandemic disease caused due to the infection of Human Immunodeficiency Virus (HIV), which causes damage to the immune system. World AIDS Day was first observed in 1988. And each year, different organizations across the world bring attention to the HIV epidemic, endeavor to increase HIV awareness and knowledge. According to World Health Organization, "37.9 million people living with HIV at the end of 2018, 79 percent received testing, 62 percent received treatment, and 53 percent had achieved suppression of the HIV virus with reduced risk of infecting others."

The medical sciences found treatments for HIV, and various formulas have been also taken to fight against discrimination and to safeguard HIV patients with proper treatments. Still, there are millions of HIV patients, who still do not have access to tests, treatments and medications for HIV. So it is important to observe the day. It will act as a reminder for all that HIV still exists and we need to fight together to end this disease. This year the theme for the World Aids Day 2019 is "Ending the HIV/AIDS Epidemic: Community by Community"

World AIDS Day gives the opportunity to fight against HIV. People who have been affected by HIV feel motivated and dare to fight against the fatal disease. In support to create awareness, here are some inspiring quotes to give courage and togetherness in the face of this global epidemic.

On behalf of the World Aids day on December 01, 2019 the students of the Department of Electrical and Electronics Engineering of Andhra Loyola Institute of Engineering and Technology participated actively in the rally in collaboration with Vasavya Mahila Mandali, an NGO with the project named "Apollo Tyres Health Care Center". The rally started from the Vijayawada railway station to Thummalapalli kala kshetram. The students actively involved in provoking the statements like "desh bachao aids hatao" and distributed pamphlets to the public, which gained more attention for this. The NGO Organization appreciated the Loyola college students and NSS Co-coordinator Mr. A RAJESH.

The following students had attended the rally

EXTENSION PROGRAM-DECEMBER-2019

ABOUT THE PROGRAM

DATABASE MANAGEMENT SYSTEM: *"A database management system (DBMS) is a collection of programs that manages the database structure and controls access to the data stored in the database."* DBMS makes it possible for end users to create, read, update and delete data in database. It is a layer between programs and data.

DBMS allows users to create their own databases as per their requirement. The term "DBMS" includes the user of the database and other application programs. It provides an interface between the data and the software application.

WEBTECHNOLOGIES: The importance of web application has widely reached the entire e-commerce industry as it offers a plethora of benefits. When it comes to web development the entire programme carries the effective ways in which the business can reach the target market.

Web technologies are some of the technologies which mean to create web based applications which we can access by using the internet. It is the technology of today's world which can be accessed by a user at anywhere or anytime. Using different web techniques and handling the different resources, we can access the web techniques and methods. Web technology is related to the interface between the server and its clients. This information includes the difference language of internet relating to web server language, markup language, programming interface. The information sharing between the server and clients secure by using the web technologies. When we using the web technologies then the computer must have a web browser to work with them.

NETWORKING CONCEPTS: Computer networking has become one of the most successful ways of sharing information, where all computers are wirelessly linked together by a common network. Now, businesses and organizations heavily rely on it to get messages and information across to essential channels. Not only has that it benefited establishments, but also individuals, as they also need to share important information every day. Setting up a **computer network** is a fast and reliable way of sharing information and resources within a business. It can help you make the most of your IT systems and equipment.

EXTENSION PROGRAM-DECEMBER-2019

JAVASCRIPT: JavaScript is a dynamic computer programming language. It is lightweight and most commonly used as a part of the web pages, whose implementation allows a client-side script to interact with a user and to make dynamic pages. It is an interpreted programming language with object-oriented capabilities.

JavaScript is one of the easiest, versatile and effective languages used to extend functionality in websites. JavaScript Development Services helps in on-screen visual effects and processing and calculating data on web pages with ease. The programming language also helps in extended functionality to websites using third party scripts among several other handy features.

The Department of Computer Science and Engineering conducted a program on "Awareness Program on Advanced Information Technologies" as a part of their Extension Programme from 02-12-2019 to 07-12-2019 for the student of ITI college, Vijayawada-8. The II, III and IV B.Tech Computer Science and Engineering Students actively participated in Extension Program along with the ALIET Extension Coordinator Mr. A. Rajesh & Incharge-Department Extension activities Mr. L. V. Ramesh & M. Mohana Deepthi.

Extension programme for ITI students underway

HANS NEWS SERVICE

Vijayawada: The Department of Computer Science Engineering of Andhra Loyola Institute of Engineering and Technology (ALIET) has been organising an extension programme with a motto 'Forming men and women for others' to create awareness on 'Advanced Information Technologies' which has become the world's most trending topic in the current scenario.

Speaking on the occasion, director Rev Father Dr A Francis Xavier said that it was a perfect platform where the students would acquire knowledge on concepts like Java script, Web designing, Database etc which will help the students in future.

Principal Dr O Mahesh said that taking part in such events will be helpful for the students to enhance their technical skills as well as for their

Students of ALIET at extension programme at ITI in Vijayawada on Friday

overall development.

The extension programme is being conducted for one week from December 2 to 7 at Industrial Training Institute (ITI Road, Siddhartha Nagar) by II, III and IV year CSE students.

Assistant Directors Rev Father Chi-

ranjivi and Rev Father Anand, Dr A Srinivasa Rao Head of the CSE department, ALIET, A Rajesh, Extension Program Coordinator, Y Rajesh, Asst Professor, CSE, ALIET and students of ITI and ALIET participated in the programme.

ABOUT PROGRAM

The Department of computer science and Engineering Students and Staff of Andhra Loyola Institute of Engineering and Technology has organized Plantation program-"GROW GREEN" on the college premises on Friday 31/01/2020. The plantation programme was inaugurated by Asst Director Fr.Chiranjivi S.J.Students planted saplings and each students took the responsibility nourish and maintain the allocated Plants.

Speaking on the occasion HOD of CSE Dr.Ch.Rajendra babu said that at present,the world is facing environmental problems and global warming,ozone depeletion and pollution which were the burning issues.The solution to these problems lies in Planting more Plants which are the Prime source of environmental purification and beautification.Trees inhale carbon dioxide and exhale oxygen Both physically and psychologically that will have influence on human beings.

The plantation of saplings was done by students and Faculty.

పచ్చదనంతో పర్యావరణానికి మేలు

కళాశాల ఆవరణలో మొక్కలు నాటమన్న అధ్యాపకులు, విద్యార్థులు

గుణచలం: పర్యావరణ విరిగిపోయి, జీవరాశుల మనుగడను మొక్కలు పెంచడం మతో అవసరమని అందరి యోగం కళాశాల డైరెక్టర్ ఫ్రాన్సిస్ ఫ్రాన్సిస్ జీవీయర్ అన్నారు. శుక్రవారం కళాశాల ఆవరణలో విద్యార్థులతో కలిసి ఆయన మొక్కలు నాటారు. ఈ సందర్భంగా జీవీయర్ మాట్లాడుతూ పర్యావరణ పరిరక్షణ అందరి బాధ్యత అన్నారు. వాతావరణ సమతుల్యానికి చెట్లు ఎంతగానో వినియోగ పడతాయని పేర్కొన్నారు. ఆయనకు జీవన విధానంలో పర్యావరణ వాడుకలను అందిస్తుండవచ్చు. ఈ కారణంగా పర్యావరణంలో సమతుల్యత చెప్పడంలో ఉంది తెలిపారు. వీరిని నివారించి పర్యావరణాన్ని పరిరక్షించే రీతిగా ప్రతి ఒక్కరూ కృషి చేయాలని కోరారు. ముఖ్యంగా నీటి యువత మొక్కలు నాటి వాటిని పెంచడంలో శ్రద్ధ తీసుకోవాలని సూచించారు. కార్యక్రమంలో అసిస్టెంట్ డైరెక్టర్ సాదర్ రిడంజీవి, ఫ్రీవీసాల్ సాదర్ కె.మహేష్, డా. అర్జున్ రాజేష్, ఉపాధ్యక్షులు పాల్గొన్నారు.

ANDHRA LOYOLA INSTITUTE OF ENGINEERING AND TECHNOLOGY

English Translation: On Friday, Alet's Department of Computer Science and Engineering Students and Staff held a plantation program on the college grounds. Asst Director Fr.Chiranjeevi S.J. inaugurated the plantation program, and Students planted Saplings, with each student taking responsibility for nourishing and maintaining the plants assigned to them. According to Ch.Rajendra babu, the globe is currently dealing with environmental difficulties such as global warming, resource depletion, and pollution, all of which are hot topics.

Love and Service rendered to the needy by ALIET

NSS Students of Andhra Loyola Institute of Engineering and Technology (ALIET) on 31-01-2020 took a lead to render a service to the poor and needy. The activity was carried out by the department of Electrical and Electronics Engineering (EEE). The students of EEE paid a visit to Prem Dan Nivas, Missionaries of Charity, Vijayawada. The students distributed washing powder, bathing soaps, Shampoo sachets, pastes and mosquito repellents to the inmates. Rev. Fr. Dr.A. Francis Xavier, Director of ALIET, Dr. O. Mahesh, the Principal and HoD of EEE, G Naveen Kumar appreciated the NSS coordinator A. Rajesh and faculty MM Karunakar, M. Ramakrishna and students for the love and service rendered to the humanity. The sisters of Missionary of Charity appreciated the initiation taken by ALIET.

Dear Sir/Madam,

Sub: Requesting permission to visit PREM DAN

We the department of EEE, Andhra Loyola Institute of Engineering and Technology, Vijayawada are willing to visit the organization "PREM-DAN", a home for the sick and dying destitute in Gunadala. The faculty and students of EEE department want to interact and share their feelings and views with older people and they want to contribute some daily necessities for the people residing in their home.

The staff and students of our college have a desire to visit their organization for one day. We request you to indicate the convenient date for the same, preferably on 28/01/2020. We would be grateful to you if you kindly permit our students to visit their organization.

With Regards,

Asst. Director
(Fr. J. Chiranjivi, S.J.)

**GUINNESS WORLD RECORD FOR
MOST PEOPLE TO SIGN UP TO DONATE BLOOD IN 8 HOURS**

Fr. Devalah Memorial Auditorium, Andhra Loyola College, Vijayawada

15th February-2020

Certificate of Appreciation

This credential is presented to

ANDHRA LOYOLA INSTITUTE OF ENGINEERING AND TECHNOLOGY

for having facilitated the Guinness World Record
by encouraging their students
to SIGN UP FOR VOLUNTARY BLOOD DONATION
and serving the noble cause of saving
precious lives of the people.

SHRI BISWA BHUSAN HARICHANDAN
Honourable Governor & President

Most People to Sign-up to donate Blood in 8 hours

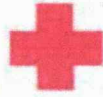

The Indian Red Cross Society conducted a mega blood donation sign up drive at Fr. Devaiah auditorium, in the premises of Andhra Loyola Institute of Engineering and Technology, Vijayawada (Andhra Pradesh), on Feb 15th 2020. The Andhra Pradesh branch of the Indian Red Cross Society organized the blood donation sign up drive with 30,000 students and 35 colleges. This event was flagged off by our Governor, Biswa Bhusan Harichandran. This drive which was meant to save lives was also combined with an attempt to set a Guinness World Record for the most number of people signing up for blood donation in 8 hours. Students from all around the city in huge numbers participated.

The students of Andhra Loyola Institute of Engineering and Technology in association with the Red Cross Society worked as the volunteers for the event.

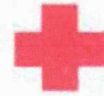

Thus, the Indian Red Cross Society created a new world record and entered the Guinness book of world records by collecting the consent of 10,217 people to donate blood. The representative of the Guinness book of world records, Rishnath announced the world record amidst the applause of the audience gathered at the Devaiah auditorium. The Andhra Pradesh branch chairman, Dr. A. Sridhar Reddy, received the certificate from the representative of the Guinness book of world records. As many as 10,573 students participated in the camp, registering their names with the office bearers of the IRCS. The president of the Krishna district branch of the IRCS and the district collector and other dignitaries were also present at this event. This mega event was a huge success and more importantly, it gave a strong witness to the importance of love and service.

THROUGH HUMANITY TO PEACE

To
The Principal/Correspondent
ALIET College
Vijayawada

Dear Sir/Madam,

Greetings from Indian Red Cross Society, Andhra Pradesh!

Manyashri Biswabhusan Harichandanji, Honourable Governor & President of IRCS Andhra Pradesh desires that awareness on importance of voluntary blood donation should be created and spread among the youth. His Honourable self wishes that no one should lose life due to non-availability of safe blood in our state.

In consonance with the mission of Red Cross, we are extremely pleased to inform you that IRCS Andhra Pradesh is making a GUNINNESS WORLD RECORD attempt for "MOST PEOPLE TO SIGN UP TO DONATE BLOOD IN 8 HOURS" on 15-02-2020 at Fr. Devaiah Memorial Auditorium in Andhra Loyola College, Vijayawada. Honourable Governor & President of AP Red Cross, Manyashri Biswabhusan Harichandanji would give his inspiring presence at the event.

In this regard, we solicit your kind cooperation for the noble cause by facilitating the following steps:

1. Providing the lists of all your students with particulars as sought in the Appendix-I
2. Requesting your students and collecting from them a copy of Proof of Age (See Appendix-II)
3. Bringing all your students to the Venue of the prestigious event on 15-02-2020

Indian Red Cross Society, Andhra Pradesh State Branch will be pleased to issue certificates in appreciation of the student participants and the educational institutions.

Once again, we request active participation of your reputed institution in the prestigious event that is being conducted for a noble cause of saving precious lives.

Thanking you profusely Sir/Madam.

Yours faithfully,

CHAIRMAN

NSS SPECIAL CAMP

A Six-day special camp was set up at Ganguru Village for the poor and the needy. Students participated in this special camp from 2nd march, 2020 to 12th march, and 2020. They conducted various events for the poor and the needy in the village. The students motivated people of Ganguru on various issues related to health and hygiene. Through this camp the students were able to reach out to the poor and needy and assure them their help and supports through the camp in the days to come.

NSS UNIT SPECIAL CAMP 2020

DAY 6 REPORT MEDICAL CAMP

On 7th March 2020, ALIET NSS volunteers organized a "Mega Free Medical Camp" village as a part of NSS Special camp. Our NSS volunteers actively participated in the programme. With a view to encourage the students to serve the society, a weeklong NSS Special Camp was organized by Andhra Loyola Institute of Engineering and Technology (ALIET) at their adopted village Ganguru in Penamaluru Mandal of Krishna District.

The NSS volunteers went door to door to invite the villagers for a "Health Check-up". Doctors from the Government PHC Dr. Ravi Kumar and team examined 150 patients and distributed free medicines to the Ganguru villagers and school students. In this programme the NSS Volunteers, the local persons and ALIET Director Rev. Fr. Dr. A. Francis Xavier and the principal of ALIET, Dr. O. Mahesh were involved. Our principal sir congratulated every volunteer who participated in the special camp.

NSS UNIT SPECIAL CAMP 2020

DAY 5 REPORT SOLID WASTE MANAGEMENT

As part of the special camp NSS Unit of ALIET has organized an awareness camp on solid waste management Friday the camp was organized in association with academy of gandhian studies (AGS) wellbeing out of waste (WOW), a corporate social responsibility initiative of ITC. Addressing the gathering, the state project coordinator of AGS WOW, U Hema Maheswari spoke on the need for protection of resources and best utilization of such resources. She explained how solid waste can be created as waste management parks. She emphasized the importance of reduce, reuse and recycle (3Rs) of waste management. Awareness camp woke up the spirit of love and care for mother earth and public promised them to be the persons with ISR (individual social responsibility) from their home to society. Speaking on the occasion the NSS coordinator of ALIET A Rajesh that everyone should think a minute before throwing waste into the dustbin and spend 4 hours to create 5 volunteers per week to save nature. (One minute a day, 4 hours in a week and create 5 volunteers. In this programme NSS volunteers local persons and village chief was involved.

NSS UNIT SPECIAL CAMP 2020

Day 3 Report PLANTTION PROGRAMME

On 4th March 2020, ALIET NSS volunteers conducted "Plantation Programme" at Ganguru village as a part of NSS Special camp. Our NSS volunteers actively participated in the programme. The Plantation Programme was inaugurated with a view to encourage the students to serve the society. A weeklong NSS Special Camp was organized by Andhra Loyola Institute of Engineering and Technology (ALIET) at their adopted village Ganguru in Penamaluru Mandal of Krishna District.

In the plantation programme, the NSS volunteers planted saplings in the entire village. Saplings were also planted in premises of schools namely - MPUP Urdu school, CSI school and Anganwadi school. The school HMs, villagers, Ex MPTC, NSS volunteers, Anganwadi teachers participated in the event and made it a grand success. The NSS volunteers went door to door and distributed saplings to the villagers.

The villagers expressed their gratitude towards the successful organization of the plantation programme.

DAY 2 REPORT DENTAL CAMP

On 3rd March 2020, ALIET NSS volunteers conducted a free "Dental Camp" in the village as a part of NSS Special camp. Our NSS volunteers actively participated in the programme. With a view to encourage the students to serve the society, a weeklong NSS Special Camp was organized by Andhra Loyola Institute of Engineering and Technology (ALIET) at their adopted village Ganguru in Penamaluru Mandal of Krishna District. The NSS volunteers went door to door to invite the villagers for a dental check-up. The villagers actively participated in the dental camp check-up. Doctors from the Government Dental College participated in the dental camp and helped the NSS Volunteers.

News paper clippings

English Translation: The ALIETNSS unit has picked ganguru village in the penamaluru mandal of the Krishna district to carry out services. The college held a one-week special camp, and volunteers enthusiastically engaged in the clean-up and green drive, as well as organising a dental camp. The villagers responded positively, and they are grateful for the free dental examination. The event was attended by Dr.SeemaReddy, Dr. Francis Xavier, and Dr.O. Mahesh, as well as NSSVolunteers.

LETTER OF APPRECIATION

To

The Principal
Andhra Loyola Institute of Engineering and Technology
Vijayawada-8

Sir,

Sub: One week NSS special camp - Regarding

Thank you very much for organizing an **NSS** special camp from 02-03-2020 to 07-03-2020 on the occasion of weeklong services programmes. I write to you following the completion of the above event.

It is with much pride and gratitude that I inform you that this was a resounding success. The entire village of Ganguru benefited from the dental, eye and health camps provided. The inhabitants of the village were indeed impressed and benefited immensely. The Clean and Green activity and the planting of saplings contributed much to the awareness of cleanliness and balancing the ecology of the environment. The awareness brought to the inhabitants about the "Solid Waste Management" was indeed eye-opening. The advantages and the need of separating dry waste and wet waste was very informative. We, in our village will definitely plan to achieve this activity.

The NSS volunteers from your college indeed contributed a lot towards the success of the programme. Without them, the programme would not have been a great success.

Your noble gesture and intention to help the needy in the community deserves every appreciation. I wish that you conduct many more such programmes in and around many villages.

We look forward for your cooperation in future.

Regards,

Panchayati Secretary

Shaik Khasim Sahed

COVID-19 and Migrants - Our response

In response to the tragic and the painful situation of the Migrant workers in Vijayawada, The NSS unit of Andhra Loyola Institute of Engineering and Technology came up with a wonderful initiative of providing a few meals to them. The one-week programme for the Migrant workers which took place from 6th April to 12th April 2020 was organised under the patronage of ALIET.

As many as 250 Migrant workers from Satyanarayanapuram and various Government Hospital from in and around Vijayawada were given a midday meal by the NSS Unit of ALIET

Following is the summary of activities carried out by the NSS unit of ALIET:

NSS unit rendered their service by cooking daily midday meal for the Migrant Workers.

- ▶ On 6th May 2020 nearly 250 Migrant workers were fed. The midday meal provided by the unit included Rice, Curry Egg, water, Fruit etc. Migrant workers were happy for the wholesome meal they enjoyed.
- ▶ On the second day ie 7th May 2020 – as many as 220 Migrant workers were given Rice, Curry Egg, water, Fruit etc.
- ▶ Coming to the third day - 8th May 2020, nearly 230 Migrant workers were provided- Rice, Curry Egg, water, Fruit etc.
- ▶ On fourth day i.e 9th May 2020 as many as 250 Migrant workers were provided with Rice, Curry Egg, water, Fruit etc.
- ▶ Coming to the fifth day 10th May 2020 the unit fed 210 Migrant workers with Rice, Curry Egg, water, Fruit etc.
- ▶ On 11th May 2020 as many as 250 Migrant workers were fed. The midday meal cooked and distributed by the unit was Rice, Curry Egg, water, Fruit etc.
- ▶ The last day of the camp was on 12th May 2020 nearly 250 Migrant workers were fed by the unit. The midday meals cooked by the unit included Rice, Curry Egg, water, Fruit etc.

PREM NIVAS HOME & SCHOOL FOR MENTALLY CHALLENGED CHILDREN

Children are innocent and divine. Prem Nivas Home event for the mentally retarded children is a great event. This event helped the students to know importance of lives and how the physically challenged face the problems in real life.

Students of Mechanical department of ALIET participated in this event. The event conducted on 14th December 2019, CSI Bishop's Compound, Vijayawada.

**“CONTRIBUTION OF NEW CLOTHES AND CAKES
TO
PREMA NIVAS- SCHOOL & HOME FOR MENTALLY CHALLENGED CHILDREN”**

Human Services is the only service to God, for the purpose of philanthropy

The Students & Faculty members of Department of Mechanical Engineering, under PRAGYA organized and conducted an extension activity on Contribution of New Clothes & Cakes to Prema Nivas - A school & home for mentally challenged children on 14-12-2019. Prema Nivas is the School and Home for the Mentally Retarded Children supported by KNH running for the well-being of less-privileged which is located inside Bishop Azariah School compound, near Municipal Stadium, Vijayawada. 155 Students and 13 Faculty members of Mechanical Engineering expressed their love and shared their generosity through their contribution. On behalf of Department of Mechanical Engineering, ALIET, a team of 25 students and 3 faculty members visited Prema Nivas on 14-12-2019. 40 Prema Nivas children of different ages received brand new clothes and cakes on that day. This Extension activity created a sense of social responsibility and fostered the growth of student personality development.

Dear Sir/Madam,

Sub: Contributing New Clothes & Kits etc. to PREM NIVAS Children - Reg.

I wish to inform you that as a part of extension programme, students of Mechanical Engineering Department, Andhra Loyola Institute of Engineering and Technology, Vijayawada were interested to visit PREM NIVAS - Home & School for Mentally Challenged Children to spend some valuable time with the children and to express our generosity, sharing our love by contributing New Clothes and kits to 40 Children. The attempt of these extension activities is to create a sense of social responsibility and to foster the growth of student personality development. The students of Department of Mechanical Engineering of our college have the desire to visit your organization on 14-12-2019 along with faculty members. Hence your kind co-operation in this regard is highly solicited and we would be grateful if you could permit our students to visit your organization.

Respected sir,

I would like to express my gratitude and thanks for your kind visit on 14th of December 2019 to our project with 25 students and 3 faculty members participated in the extension activity of distributing new cloths and cakes to all the children. Our children are thrilled and felt very happy to spend good time with all your students and staff.

We appreciate your kindness and valuable gifts to every child in the project. All the parents of the children are also conveying their regards and thanks to you all.

Once again our heartfelt thanks to entire team and your authorities of the great institution.

Thanking you

Yours Sincerely,
N. Martin Luther
