To

The Principal,

Govt. ITI college,

VIJAYAWADA-8.

Respected Sir,

Sub: Seeking permission for conducting a Programme, "BASIC COMPUTER TECHNOLOGIES" from 06-12-21 to 10-12-21 -Reg

We wish to inform that, Department of Computer Science and Engineering of Andhra Loyola Institute of Engineering & Technology is willing to organize a programme on "Basic Computer Technologies" as a part of their Extension Programme from 06-12-21 to 10-12-21 This program impact knowledge about the Basic Computer Technologies in Information Technology. This program is organized by the students of Department of CSE of our college along with two faculty members. Hence, we request you to accord permission for conducting the programme in your Esteemed Organization.

Thanking you,

With Regards,

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING  
EXTENSION PROGRAM-2021**

---

**BASIC COMPUTER TECHNOLOGIES**

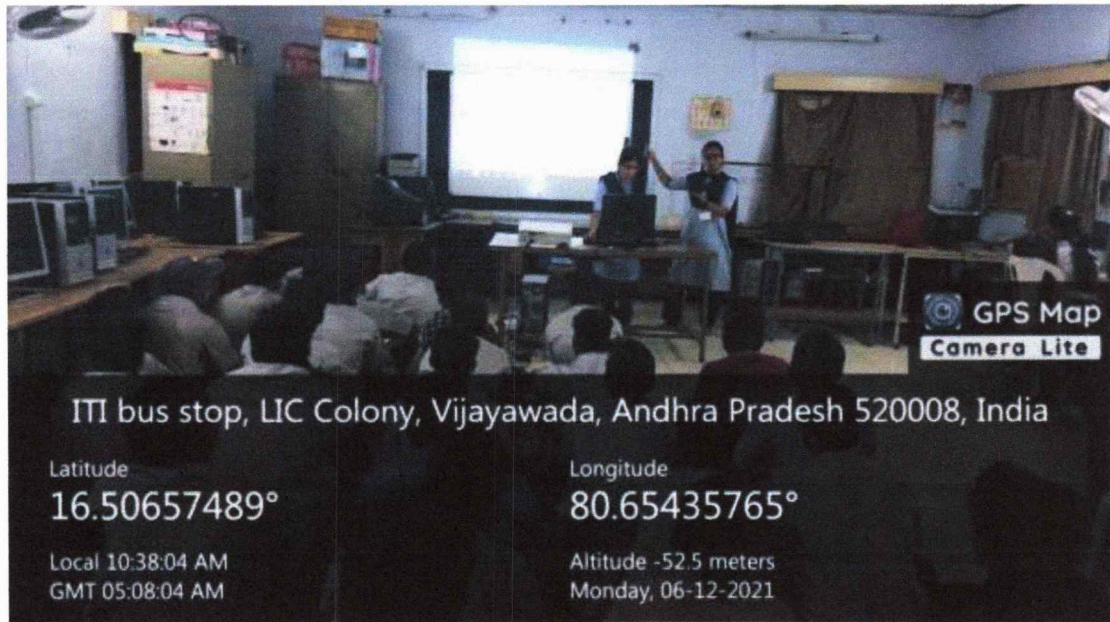

The extension unit is part of our academic education. Since its inception, it has been extending yeoman's service for the community, under the untiring and inspiring leadership of the management and faculty. The committee allows the students to actively contribute their services for the cause of community and the nation, thus helping them build their personality to acquire leadership qualities and democratic attitude. The students also get an opportunity to develop a sense of social and civic responsibility. They utilize the knowledge in finding practical solutions to individual and community problems.

The department of Computer Science Engineering conducted awareness programme on Basic Computer Technologies on 06-12-2021, 10-12-2021 for the students of GOVT I.T.I, Vijayawada.

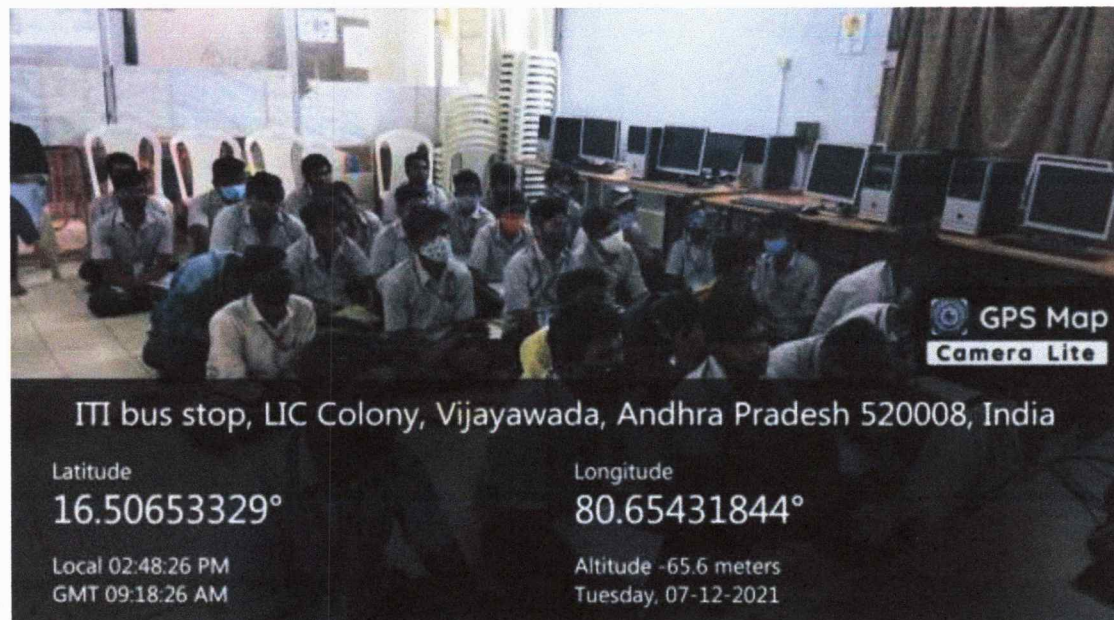

The Engineering Students taught **Computer Fundamentals, MS-office and HTML, EXCEL, E-COMMERCE, INSTALLATION OF OS** to the students of GOVT I.T. , 60 students of B. Tech CSE department actively participated along with the ALIET extension coordinator Mr. A. Rajesh and in-charge of the department extension activities Mr.K.Sivarama Krishna & Mrs.M. Mohana Deepthi.

## LETTER OF APPERCIATION

TO  
THE PRINCIPAL  
ANDHRA LOYOLA INSTITUTE OF ENGINEERING AND TECHNOLOGY  
VIJAYAWADA.

We, the GOVT I.T.I, Vijayawada, feel grateful to Andhra Loyola Institute of Engineering and Technology, for sending their students from 06-12-2021 to 10-12-2021 to impart the basic computer knowledge and skills to the students of the branch COPA (Computer Operator Programming Assistant) .

We really appreciate the students of your college for imparting the best computer knowledge to our students. Your students rendered their services from 9 AM to 5 PM relentlessly and worked generously without looking for any kind of appreciation or rewards.

We thank you once again for your motivation to our students, to improve their computer knowledge. We look forward for your services in the forth-coming programmes.

Sub: Requesting permission to conduct the Extension Activity "**Give them a Hand Up rather than a Hand Out-Blanket Distribution**" reg.

Respected sir,

We wish to inform that, Department of Electrical & Electronics Engineering, Andhra Loyola Institute of Engineering and Technology is willing to organize a program on "**Give them a Hand Up rather than a Hand Out-Blanket Distribution**" as a part of Extension Activity on 04-12-2021 at "Gunadala, BRTS Road". This program aims to donate the blankets for who do not have accesses to basic amenities like food and clothing. Hence we would be grateful to you if you permit our faculty members and NSS Students to conduct the program.

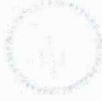

Thanking You Sir,

HOD, EEE

## DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

### Extension Programme on "Give them a Hand Up rather than a Hand Out"

Date: 06-12-2021.

#### Key Note

I thank the Director, Assistant Directors, Principal of Andhra Loyola Institute of Engineering and Technology for giving us permission to conduct **"Give them a Hand Up rather than a Hand Out"**. Our Management will encourage the faculty and students to conduct/participate in extension activities.

The NSS unit of Andhra Loyola Institute of Engineering and Technology organized a program to help needy people. In this regard, our **NSS unit** planned a program **"Give them a Hand Up rather than a Hand Out"** which was held on **4<sup>th</sup> December at Gunadala, BRTS Road, Railway Station and KR Market.**

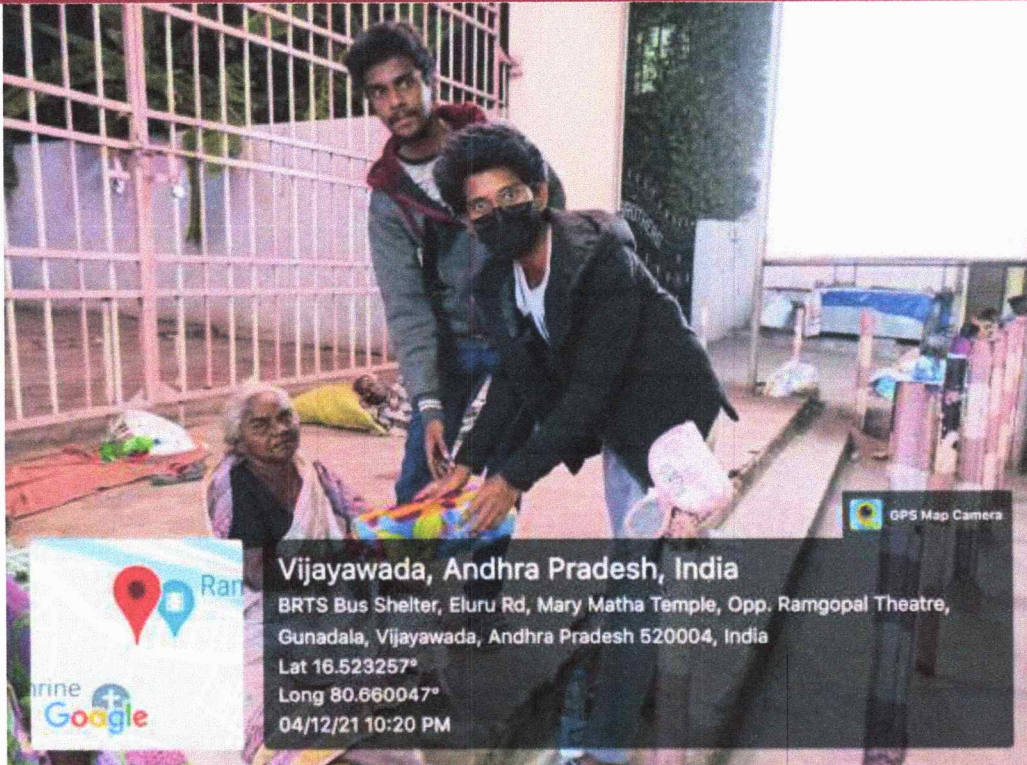

The importance of conducting this event is to help the poor people and needy people. The students of the EEE Department came forward to donate for the poor people with the slogan in the Mind **"A little help with a little smile gives meaning to human life"**. The students of the EEE department participated actively in this program. The NSS Students distributed the blankets to the people who are **not having the shelter.**

The management of ALIET is always a step ahead to organize events of this kind. The Overall NSS co-coordinator Mr. A. Rajesh & EEE Department NSS Co-ordinator Mr.M.Rama Krishna actively participated in the program. The management of ALIET appreciated the NSS coordinators and the students who participated/contributed to making this event a grand success.

I thank the faculty of the EEE Department, the Overall NSS Coordinator, and the NSS students for making this **"Give them a Hand Up rather than a Hand Out"** a grand success.

Respected Sir,

Sub: - Railway CHILDLINE, Vijayawada – requesting the participation of students from Andhra Loyola Institute of Engineering and Technology for the CHILDLINE Se Dosti (CSD) & Child Rights convention (CRC) week long campaign starting from the 14<sup>th</sup> of this month - regarding.

\*\*\*\*\*

CHILDLINE Se Dosti (CSD) & Child Rights convention (CRC) week long programs are conducted every year in the month of November under Vijayawada Railway Division under the auspices of Railway CHILDLINE, Vijayawada. Stakeholders of various branches are also involved in these activities. We thought it would be nice to have participation in these activities along with the students of Andhra Loyola Institute of Engineering and Technology.

Hence it is requested to kindly allow your students to participate in these activities.

Thanking you,

Yours Sincerely

  
ADMINISTRATIVE OFFICER.

**From HODs Desk:**

Greetings to the faculty and students of Electronics and Communication Engineering Department. The main focus of our students is to excel in academics and professional career. Apart from this they participate in various curricular and co curricular activities to exhibit their skills. Among such events the students of Dept. of ECE cordially initiated a social activity named **CHILDLINE Se Dosti**.

Among the students of III year ECE, some students with the help of faculty coordinators took lead to make the programme a great success.

Andhra Loyola Institute of Engineering and Technology in collaboration with Railway CHILDLINE, Vijayawada have conducted games to the children in community at Ramavarappadu Railway station on the occasion of closing ceremony of CHILDLINE Se Dosti week long campaign from 14th to 20th, November-2021.

### LETTER OF APPRECIATION

We the members of the RAILWAY CHILDLINE / SKCV CHILDREN'S TRUST - VIJAYAWADA feel happy and honored to be associated with Andhra Loyola Institute of Engineering and Technology, Vijayawada. We would like to acknowledge the Department of ECE for organizing an extension programme with the theme "CHILDLINE Se Dosti (CSD) & Child Rights Convention (CRC) week long campaign from 14<sup>th</sup> to 20<sup>th</sup>, November – 2021".

The students of ECE actively conducted games on 20<sup>th</sup> November 2021 organized by the Railway CHILDLINE, Vijayawada at Railway station, Ramavarappadu for the students of the community and participated in the prize distribution program to the children. The children were also given awareness about Child Rights.

We whole heartedly appreciate the participation and the excellent support given by the students of Andhra Loyola Institute of Engineering and Technology, Vijayawada for the Noble event.

Looking forward cooperation in future

Sub: Seeking permission for conducting a Programme, "SWEATER  
DISTRIBUTION" reg.

Respected Sir,

We wish to inform that, Department of Computer Science and Engineering of Andhra Loyola Institute of Engineering and Technology is willing to organize a programme on "SWEATER DISTRIBUTION" as part of Extension Programme on 23/11/21 at APPLE SOCIETY GUNADALA. This program aims to donate sweaters for Orphans during winter season. Hence, we would be grateful to you if you permit our Faculty members and Students to conduct the programme.

**REPORT ON SWEATER DISTRIBUTION**

The Department of Computer Science and Engineering conducted a program on "SWEATER DISTRIBUTION" as a part of their Extension Programme on **23-11-2021** for the children of APPLE Swachanda Seva Samastha, GUNADALA. The II,III and IV B.Tech Computer Science and Engineering Students actively participated in extension program along with the ALIET Extension Coordinator Mr.A.Rajesh & Incharge-Department Extension activities Mr.K.SivaRama Krishna & Mrs. M. Mohana Deepthi.

Sweaters were distributed to the children. The program was held in 23rd November 2021. The distribution was done by Mr.A.Rajesh. Approximately 25 sweaters were distributed.

The inmates are very poor children, mostly orphans and semi-orphans. The economic hardships have severe impact on the education of the children and their living conditions. As a warm gesture, during this winter season, we have distributed sweaters to beat the cold.

Children were very happy to wear the new and warm sweaters.

To

Principal of  
Andhra Loyola Institute of Engineering and Technology,  
Vijayawada-520008.

Respected Sir/Madam

**Sub: Request to join social service activities-**

We along with our volunteers would like to participate in service activities with your students .

Services are the following :

- Food drives
- Awareness programmes
- Free education for slum area kids
- Basic medical treatment for homeless people
- Distribution : cloths , rice , groceries , vegetables , medicines...etc

Hence we request you to permit your students for above services, with strict COVID protocol

Kindly consider our request.

Thanking you sir.....

**An Extension Activity with the title ‘Vidya Deevana’**

<b>Title:</b> Vidya Deevana
<b>Date(s):</b> 22-11-2021
<b>Venue:</b> Undavalli Centre, Guntur District, AP.
<b>Participant's:</b> 25 students of II MBA
Department of MBA in collaboration with Helping Hands-NGO organized an extension programme with the title “Vidya Deevana” at Undavalli centre, Guntur District, AP on 22 <sup>nd</sup> November, 2021. 25 students of second MBA participated in the programme. As a part of the programme students have met around 40 street children who are school dropouts and far from basic primary education. They counselled the parents about the importance of education and encouraged them to send their children to the school which is run by Navajeevan Bala Bhavan. To support the children education students also distributed school uniforms with the support of Helping Hands-NGO. End of the programme food provided to all of them. Mr. A. Rajesh, Extension Programme Officer and Mr. P. Rajesh, Assistant Professor, Department of MBA accompanied the students. Rev. Fr. Dr. A. Francis Xavier-Director of ALIET, Dr. O. Mahesh, Principal and Dr. T. Subba Rayudu, Head of the Department-MBA appreciated all the students for their remarkable work they done on that day.

## TRIBAL EXPOSURE

ANDHRA LOYOLA INSTITUTE OF ENGINEERING AND TECHNOLOGY

VIJAYAWADA

Dt: 28-10-2021

### TRIBAL EXPOSURE

Dear Students,

The Andhra Loyola Institute of engineering and Technology management as part of the extension programme would like to take the students for tribal exposure on 13, 14 November 2021. Those who are willing to know and experience the ground realities of tribal are most welcome. The stay and accommodation during this visit will be provided in LITDS, Katukapalli, Tribal mission of our Jesuits Fathers. Those who are interested to join in this creative tour to tribal area kindly get your parents consent in writing.

## REPORT

30 Students of Andhra Loyola Institute of Engineering and technology, Vijayawada went into forests of East Godavari Agency to spend two days with the koya and konda reddy tribes as a part of extension activity.

The group stayed at the hamlets of katukapalle, venkatapuram which are located along the interstate borders with Telangana and Chhattisgarh on 13<sup>th</sup> and 14<sup>th</sup> November and studied lifestyles of the tribals and celebrated children's day with the young ones of the tribes.

Students split up into teams and visited the huts at katukapalle and chimili vaagu which have a population of around 200 person's each. The Director of Andhra Loyola Institute of Engineering and technology Fr.Dr.A.Francis Xavier also accompanied the students. Students observed that there were no medical, education, drinking water, electricity and road transport facility to katukapalle. Children of koya tribe are suffering from malnutrition and are underweight, lack of proper clothing and drinking water facilities. "We celebrated children's day with the koya and konda reddy children, singing and dance competition were conducted and distributed prizes to the children" said NSS coordinator A.Rajesh.

Respected sir,

Sub:- Extension program on Tribal exposure to the LITDS, katukapally -Reg

"let me not neglect any kindness for I shall not pass this way again"

We are most happy to express your joy and congratulate you to spend your precious moments with our tribal children for the last two days i.e 13<sup>th</sup> & 14<sup>th</sup> of November 2021. Loyola students and our children enjoyed a lot upto the brim, it is a rich and unforgettable experience for our little children, Moreover it happened on the "Children's Day"

We also felt happy to say a word of appreciation and express our gratitude that you made yourself available to go and visit Chimilivagu and Venkatapuram Tribal villages. You spent your time and learned from the people and you interacted to them about their lifestyle in return they also felt very happy about you .

Once again we thank you and pray for a all of you to continue with the same spirit to have a beautiful life in the coming future. We welcome you to come again to spend your time here in this "LITDS"

Thanking you ...

With Warm Regards

# Ringling in Children's Day with the Koya, Konda Reddy tribes

Students of ALIET camped in East Godavari hamlets to study challenges faced by the villagers

STAFF REPORTER  
SURYAN

A group of 30 students of Andhra Loyola Institute of Engineering and Technology (ALIET) were sent to the hamlets of East Godavari Agency to spend two days with the Koya and Konda Reddy tribes, as part of a study tour.

The group stayed at the hamlets of Kanakapalle, Chinnili Yagga and Venkatapuram, which are located along the inter-state borders with Telangana and Chhattisgarh, on November 13 and 14 and studied the lifestyles of the tribes and celebrated Children's Day with the young ones of the tribes before returning home.

The students interacted closely with the tribes and enquired about their food, culture, clothing, housing and their daily way of life.

Students split up into teams and visited the hamlets of Kanakapalle and Chinnili Yagga, which have a population of around 200 persons each, said ALIET director and secretary Fr. Francis Xavier, who accompanied the students during the study tour.

"We stayed at Kanakapalle on November 13 and 14, and visited the hamlets of Koya, Konda Reddy and Gonda Reddy tribes. A study was done on the tribal culture, livelihood and customs of the tribals in the Agency area," said NRI Coordinator A. Kapota.

"It was a different experience for us. We observed that there was no medical education, drinking water, electricity, road and proper transport facilities in Kanakapalle," said a student named P. Charan, who visited the Agency area for the first time.

Many Koya and Konda Reddy tribes are still a livelihood through fishing and agriculture, while some families still survive on hunting. The common issues for the tribes are Palamuru and Bhadrachalam in Telangana State, said students Sivak Anand and N. Mani.

Children of the Koya tribe are suffering from malnutrition and are underweight, and lack proper clothing and drinking water facilities. Education is an alien concept for many of them, they said.

Fr. Francis Xavier said field and experiential learning will help students gain knowledge on the lifestyles of different sections of society. "We gained a lot of exposure on the lifestyles of tribals. We celebrated Children's Day with the Koya and Konda Reddy children. Singing and dance competitions were conducted and prizes were distributed to the children," said another student K. Sri Venkata Devi.

Dear Sir/Madam

We wish to inform that Andhra Loyola Institute of Engineering and Technology is going to organise an extension program on "Never Miss an Opportunity" for high-school children in your institute. The motto of this program is to guide the students about "what's next after 10<sup>th</sup> standard". Staff and students of our college from Civil Engineering Department will visit your institute for one day. Hence we request you to indicate a convenient date for the above mentioned purpose. Hence, we would be grateful to you if you could permit our students to visit your institute for a one day program.

A Report on

EXTENSION PROGRAMME CONDUCTED ON 29<sup>th</sup> SEP 2021

*Organized by Department of Civil Engineering*

The students of ALIET, faculty member & extension officer were involved in extension programme on "Never Miss An Opportunity"-career guidance for high school children. As a part of this programme the team visited S.K.R.M.R.M.C High-School at Suryaraopet, Vijayawada on 21<sup>st</sup> Sep 2021. As a part of this programme the various presentations, interactive sessions, feedbacks at the institute are described briefly as follows.

The team of Students & Faculty of ALIET addressed the students, the cause of their presence in their school. Importance of Education, setting up of goal in life, and how to plan to fulfil their goal, followed by presentation on various career options at their disposal immediately after 10<sup>th</sup> class. The main focus was given on admission into IIT colleges and IIT colleges for the students who are opting engineering as a career. It was conveyed to them that the cut off CGPA for admission into IIT colleges is greater than 9.8. They were also encouraged to attain good results in SSC to get admission into IIT's. The process of admission into IIT Colleges and about polytechnic courses was also explained to them in detail. After the presentation on various career options, in one to one interaction session we have clarified all their doubts regarding to achieve their goals in their career. Later on presentation on basic civil engineering was delivered. In the nutshell, all of us had immense satisfaction that we had addressed the lower income group schools, gave awareness to them on the need of their hour. We thank the management of Andhra Loyola Institute of Engineering & Technology for giving such a wonderful opportunity to serve the nation.

ALIET civil Engineering Students at S.K.R.M.C High School

Sir/Madam

Sub: - Nehru Yuva Kendra, Ministry of Youth Affairs & Sports, Government of India  
- Celebrating Azadi Ka Amrit Mahotsav – Clean India Programme from 1<sup>st</sup> to 31<sup>st</sup>  
October, 2021 – requesting for permission for conducting the Clean India programme in  
the College campus with student volunteers on 31-10-2021 - reg  
Ref: Messages received from the Executive Director, Nehru Yuva Kendra Sangathan, New  
Delhi.

\*\*\*

It is submitted to your good office Sir, that, to celebrate Azadi Ka Amrit Mahotsav, Department of Youth Affairs, Ministry of Youth Affairs & Sports, Government of India is undertaking "Clean India Programme" throughout the country through Nehru Yuva Kendras. The Programme is aimed at creating awareness, mobilization of people and ensuring their involvement in the Clean India initiative which is unique in terms of scale and participation.

**Objectives:**

- To organize activities to clean waste mainly Single Use Plastic waste throughout the country from 01<sup>st</sup> October to 31<sup>st</sup> October, 2021. The Programme will be organized in 2.50 lakh villages having presence of NYKS affiliated Youth clubs, in all 744 Districts.
- To involve all segments of society, Government Organisations including Corporate Sector, PRIs Educational Institutions and Non-Government Organisation to instill awareness and feeling of pride among citizens to keep their surroundings clean and waste free.

In this context, we request your good office for permission for conducting the National Unity Day and Valedictory of Clean India programme in the College campus with student volunteers on 31-10-2021 from 11am onwards and we also request your gracious presence on the occasion please.

A letter or confirmation or phone is highly appreciated.

Hoping your kind consent and concern.

Thanking you,

Yours faithfully,

(S. RAMU)

District Youth Officer

NYK, Vijayawada.

Report On Extension activity on “CLEAN INDIA PROGRAMME” held at Andhra Loyola Institute of Engineering and Technology during 30-10-2021.

**From HODs Desk:**

Greetings to the faculty and students of Electronics and Communication Engineering Department. The main focus of our students is to excel in academics and professional career. Apart from this they participate in various curricular and co curricular activities to exhibit their skills. Among such events the students of Dept. of ECE cordially initiated a social activity in ALIET named Clean India program in our college premises as a part of Azadika Amrit Mahotsav – Clean India program.

The Programme is aimed to clean waste, mainly Single Use Plastic waste, creating awareness about plastic usage, involvement in the Clean India initiative.

Among the students of 4<sup>th</sup> year ECE, some students planned the schedule with the help of faculty coordinators and took lead to make the programme a great success.

Vijayawada  
Krishna Dist.

Sir/Madam

Sub: - Nehru Yuva Kendra, Ministry of Youth Affairs & Sports, Government of India  
– Celebrating Azadi Ka Amrit Mahotsav – Clean India Programme from 1<sup>st</sup> to 31<sup>st</sup>  
October, 2021 – requesting for kind consent to conduct the the programme - reg

\*\*\*

It is submitted to your good office Sir, that, to celebrate Azadi Ka Amrit Mahotsav, Department of Youth Affairs, Ministry of Youth Affairs & Sports, Government of India is undertaking "Clean India Programme" throughout the country through Nehru Yuva Kendras. The Programme is aimed at creating awareness, mobilization of people and ensuring their involvement in the Clean India initiative which is unique in terms of scale and participation.

#### Objectives:

- To organize activities to clean waste mainly Single Use Plastic waste throughout the country from 01<sup>st</sup> October to 31<sup>st</sup> October, 2021. The Programme will be organized in 2.50 lakh villages having presence of NYKS affiliated Youth clubs, in all 744 Districts.
- To involve all segments of society, Government Organisations including Corporate Sector, PRIs Educational Institutions and Non-Government Organisation to instill awareness and feeling of pride among citizens to keep their surroundings clean and waste free.

In this context, we request your kind office to kindly depute the NSS volunteers for attending the Clean Inida programme at BAPU MUSEUM under Iconic Place category on 12-10-2021 at 8.30am in the presence of Hon'ble dignitaries

A letter or confirmation or phone is highly appreciated.

Hoping your kind consent and concern.

Thanking you,

Yours faithfully,

  
(S. RAMU)

**REPORT ON CLEAN-INDIA PROGRAMME**

Nehru Yuva Kendra, Vijayawada, Ministry of Youth Affairs and Sports, Govt. of INDIA organized CLEAN INDIA programme at Bapu Museum under iconic place activity today. The students of Andhra Loyola Institute of Engineering and Technology, Dept of IT, participated in the event.

The programme started with garlanding the photo of Mahatma Gandhi and lighting of the lamp by guests followed by Swachhata pledge Administration.

The chief guest Mr. Malladi Vishnu in his address wished that, the clean India activity taken up in entire India with the coordination of both state and central government should become successful then only the single use plastic will be weeded out from the society and the environment will be enriched with pollution free, and also said that, as now Vijayawada is in 2<sup>nd</sup> place in Swachhata rankings. All the people have to try hard to make it to 1<sup>st</sup> position by observing no plastic policy.

Mr. B.J. Prasanna, State Director, Nehru Yuva Kendra Sangathan, AP state in his presidential address stated that, as per the Government instructions the Clean India activity is taken up from 1<sup>st</sup> October to 31<sup>st</sup> October, 2021 in the entire state with the involvement of local administration, NGOS, youth clubs,

Sub: Request you to give permission to bring awareness among the students on "Electrical Home Appliances"

Respected Sir,

We are from Andhra Loyola Institute of Engineering and Technology. We regularly go for the outreaching awareness programs to various colleges. As a part of the outreach program, we would like to conduct awareness program to students on "Electrical Home Appliances" on 26-10-2021. Kindly permit our students to do this program at your premises relying on your cooperation and support.

Kindly consider our request.

With regards,

Principal

**DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING**  
**Extension Programme on "Identification and Rectification of Faults in**  
**Electrical Home Appliances"**

Date: 26-10-2021.

Key Note

I thank the Director, Assistant Directors, Principal of Andhra Loyola Institute of Engineering and Technology for giving the permission to organize the extension activity on "Identification and Rectification of Faults in Electrical Appliances". Our Management will encourage the faculty and students to conduct/participate in extension activities.

The NSS unit of Andhra Loyola Institute of Engineering and Technology organized a program on "Identification and Rectification of Faults in Electrical Home Appliances" at St. Josephs ITI college in Gunadala on 26<sup>th</sup> of October 2021.

The students from EEE Department participated actively in this program. The NSS students shared their knowledge to the ITI students about the different Electrical Home Appliances. The students took three Electrical Home Appliances (Ceiling Fan, Mixer Grinder and Room Heater) and explained their Internal Parts, Wiring Diagram and Working. The students also explained about different faults observed in each appliances and how to rectify them.

The management of ALIET is always supporting us in sharing the basic knowledge of this kind. The Overall NSS co-coordinator Mr. A. Rajesh actively participated in the program. The management of ALIET appreciated the NSS coordinator and the NSS students who participated in making this event a grand success.

I thank the faculty of EEE Department, Overall NSS Coordinator and the NSS students for making this "Identification and Rectification of Faults in Electrical Home Appliances" as grand success.

### Report On Extension Program

“Mahathma Gandhi Biography and his Contributions towards Independence” at

V.M.R.R.M.C.S.G.High School.

#### From HODs Desk:

Greetings to the faculty and students of Electronics and Communication Engineering Department. The main focus of our students is to excel in academics and professional career. Apart from this they participate in various curricular and co curricular activities to exhibit their skills. Among such events our students cordially initiated a social activity in ALIET for students who belong to various schools in our college bounds. It was named as a programme on “Mahathma Gandhi Biography and his Contributions towards Independence” at V.M.R.R.M.C.S.G.High School and was planned especially to empower the school students to follow the path of ahimsa and non-violence which are followed by Gandhiji. Among the students of 3<sup>rd</sup> year ECE, some students planned the schedule with the help of faculty coordinators and took lead to make the programme a great success.

## COMPUTER COMPONENTS & WEB APPLICATIONS

### EXTENSION PROGRAMME ON COMPUTER COMPONENTS & WEB APPLICATION PROGRAMMING

The extension unit is part of our academic education. Since its inception, it has been extending yeoman's service for the community, under the untiring and inspiring leadership of the management and faculty. The committee allows the students to actively contribute their services for the cause of community and the nation, thus helping them build their personality to acquire leadership qualities and democratic attitude. The students also get an opportunity to develop a sense of social and civic responsibility. They utilize the knowledge in finding practical solutions to individual and community problems.

The department of Computer Science Engineering conducted awareness programme on **Computer Components and Web Application Programming** on 16-02-2021, 19-02-2021 & 20-02-2021 for the students of V.M.R.R.M.C.S.G.H School, Vijayawada, P.S.M.C.G.H School, one town, Vijayawada, S.K.R.M.R.M.C.H.School, Suryaraopet, Vijayawada.

The Engineering Students taught **Computer Fundamentals, MS-office and HTML** to the school children. In all, 45 students of B. Tech CSE department actively participated along with the ALIET extension coordinator Mr. A. Rajesh and in-charge of the department extension activities Mrs.M. Mohana Deepthi.

### Awareness on Drugs

The International Day against Drug Abuse and Illicit Trafficking, or World Drug Day, takes place on June 26 each year. Its primary goal is to raise awareness about drug addiction and the issues it can create. This international cause is led by the U.N. in an effort to educate people about drug use and find a solution for this global problem.

Drug addiction treatment is a valuable resource that helps people with substance use disorders makes a safe and lifelong recovery. While treatment can help, World Drug Day seeks to prevent and manage drug use before addiction and other problems ever begin.

In the view of this College administration conducted awareness on Drugs to students. The resource persons I.Hussain, Inspector & Sri M.Sattibabu, Additional of Police, Special Enforcement Bureau, Vijayawada, East station.

Drug and alcohol abuse are important problems that affect College-age youth at earlier ages than in the past. Young people frequently begin to experiment with alcohol, tobacco, and other drugs by the time students are in high school, rates of substance use are remarkably high. According to national survey data, about one in three twelfth graders reports being in the past thirty days; furthermore, almost half of college students report ever using marijuana and more than one-fourth report using marijuana in the past thirty days. Marijuana is the most commonly used illicit drug among college students.

Traditionally, drug and alcohol abuse education has involved the dissemination of information on drug abuse and the negative health, social, and legal consequences of abuse. Contemporary approaches include social resistance and competence-enhancement programs, which focus less on didactic instruction and more on interactive-skills training techniques.

Contemporary programs are typically categorized into one of three types: (1) *universal* programs focus on the general population, such as all students in a particular school; (2) *selective* programs target high-risk groups, such as poor college achievers; and (3) *indicated* programs are designed for youth already experimenting with drugs or engaging in other high-risk behaviors.

Director Father Dr.A.Francis Xavier S.J. and Principal Dr.O.Mahesh also delivered valuable information to students. The program was coordinated by Dr.V.V.Prabhakar rao

**OUTREACH PROGRAM IN THE SECOND WAVE OF COVID-19**

**OUTREACH IN THE SECOND WAVE OF COVID-19 PANDEMIC**

With the devastating second wave of Covid-19 pandemic, which was more severe than the first wave, a majority of people living below poverty line were very badly hit. In a generous approach of supporting such people in these tough times of pandemic, the college management of Andhra Loyola Institute of Engineering and technology, the NSS unit of the college and the NSS students came forward with an initiative to support these people.

The initiative included providing medical kits to quarantined people, affected with Covid-19. Apart from this, the people were also provided with food grains, food packets, dry ration and tarpaulin sheets to cover their roof-tops.

The event was conducted in the region of Vijayawada, which included the places - Christurajpuram, Arulnagar, Vijayanagar colony, Gangireddula dibba, Poranki, Penamaluru, Krishna Lanka, Nunna dumping yard and Kothur Tadepalli. People of the backward community of Yanadis, Vadderias and Erukulas were recipients of these privileges.

The outreach was organized from June 7<sup>th</sup> 2021 till June 22<sup>nd</sup> 2021.

### RAILWAY CHILD HELP DESK-VIJAYAWADA

COLLABORATIVE Organisation SKCV CHILDREN'S TRUST

Issued in public interest jointly by :

Ministry of Women and Child Development and Ministry of Railways & CHILDLINE India Foundation (CIF)

To,  
The Principal,  
Andhra Loyola Institute of Engineering and Technology,  
Vijayawada.

Date: 13.09.2021

Respected Sir,

Sub: - Railway CHILDLINE, Vijayawada - requesting the participation of students from Andhra Loyola Institute of Engineering and Technology for the Swachhata Pakhwada programs starting from the 16<sup>th</sup> of this month - regarding.

\*\*\*\*\*

Swachhata Pakhwada awareness programs are conducted every year in the month of September under Vijayawada Railway Division under the auspices of Railway CHILDLINE and Vijayawada Railway Department. Stakeholders of various branches are also involved in these activities. We thought it would be nice to have participation in these activities along with the students of Andhra Loyola Institute of Engineering and Technology.

Hence it is requested to kindly allow your students to participate in these activities.

Thanking you,

Yours Sincerely

ADMINISTRATIVE OFFICER.

### REPORT ON SWACHATA PAKWADA

The students of Andhra Loyola Institute of Engineering and Technology from the Department of IT, participated in the event 'SWACHATA PAKHWADA'. The event was organized by South Central Railway, Vijayawada division in collaboration with Railway Childline, Vijayawada on 16th September 2021 at the Railway Station, Vijayawada.

The event started with a PLEDGE which was pledged by the DIVISIONAL RAILWAY MANAGER, South Central Railway, Vijayawada. It was followed by an AWARENESS RALLY with the participants being the railway staff, sports persons and the students of Andhra Loyola Institute of Engineering and Technology and SKCV Children's Trust. The awareness rally was followed by a PLANTATION EVENT. The event concluded with a skit entitled "NUTAK NATAK".

A Report on

EXTENSION PROGRAMME CONDUCTED ON 20<sup>th</sup>, 21<sup>st</sup> SEP 2021

*Organized by Department of Civil Engineering*

The Students, Faculty members and Extension Officer of ALIET were involved in extension programme on “**Mobile Etiquettes**” for High-school children. As a part of this programme, the team visited the following schools..

1)G.S.R.M.C High-School at Mutyalampadu, Vijayawada on 20<sup>th</sup> Sep 2021.

2)S.K.R.M.R.M.C High-School at Suryaraopet, Vijayawada on 21<sup>st</sup> Sep 2021

The team of Students & Faculty of ALIET addressed them how to use the mobile phone in right manner by explaining the advantages and disadvantages of mobile phones. It was conveyed to them not to get edicted of playing games in mobile phones but to use that mobiles for their studies, for learning new things, how to build their carrier ,time management etc . Later a presentation was given on advantages and disadvantages of mobiles. During this presentation they were displayed with Do's and Don'ts of Mobile usage.

At the last the team of ALIET clarified their doubts regarding useful apps in mobile phone . All of us had immense satisfaction for addressing the school level students and interacting with them. We thank the management of ALIET for giving such a wonderful opportunity to serve the nation.

Faculty along with students at G.S.R.M.C High School

**Sub:** Extension Program on "Cell Phone Etiquettes"

Sir,

Today, the students of civil engineering along with faculty member, extension works officer addressed very effectively on "Cell Phone Etiquettes- Dos & Don'ts you should know".

The session was very interactive and all the students' presentations were very interesting and reached our students. They explained our students that how to filter the language when talking phone in public, how the radiations emitted by phone effect our health and cell phone calling & texting while driving.

Thanking you once again, we hope for your future service in our school premises.

A Report on

EXTENSION PROGRAMME CONDUCTED ON 23<sup>rd</sup> SEP 2021

*Organized by Department of Civil Engineering*

The Students, Faculty members and Extension Officer of ALJET were involved in extension programme on “**Importance of communication skills, public speaking skills and extra-curricular activities**” for High-school children. As a part of this programme, the team visited the G.S.R.M.C High-School at Mutyalampadu, Vijayawada on 23rd Sep 2021.

The team of Students & Faculty of ALJET addressed them how to improve communication skills and public speaking skills and Importance of extracurricular activities. It was conveyed to them that by speaking clearly, and getting your ideas and message across to people well, there will be less miscommunication in your life this means less stress and happier relationships. later a presentation was given during this presentation they displayed how to win over the crowd, how to Inspire the society with their presentation, how extracurricular activities like sports , student government, community service, employment, arts, hobbies, and educational clubs will be used in building their future.

At the last the team of ALJET clarified their doubts regarding the present topic All of us had immense satisfaction for addressing the school level students and interacting with them. We thank the management of ALJET for giving such a wonderful opportunity to serve the nation.

ALJET Civil Engineering students with G.S.R.M.C.H School staff

**Sub:** Extension Program on "Importance of Communication and Public Speaking Skills"

Sir,

Today, the students of civil engineering along with faculty member, extension works officer addressed very effectively on "Importance of Communication and Public Speaking Skills".

The session was very interactive and all the students' presentations were very interesting and reached our students. They explained our students that how to win over the crowd, how to inspire the society.

Thanking you once again, we hope for your future service in our school premises.
