**Department of Electrical & Electronics Engineering** 

# Five-Day National Level online FDP on Cutting-Edge Technologies for Electrical Engineering

From 18<sup>th</sup> to 22<sup>nd</sup> May, 2020.

## About ALIET

Andhra Loyola Institute of Engineering and Technology (ALIET) - a sister Institution of Andhra Loyola college vijayawada, Loyola College Chennai, St. Xavier's Mumbai, St. Xavier's Calcutta, XLRI, St. Joseph's Bangalore - is one of the premier Institutes that sets high standards in Engineering Education, in and around the Capital Region of Amaravati, A.P. ALIET was established in the year 2008 by the Loyola College Society, Guntur-Vijayawada, to realize the Jesuit vision and with an aim to take technical education to students, especially to the under privileged and the more deserving youth of the State.

#### Vision:

In accordance with the Jesuit vision of higher education ALIET imparts technical education with integral formation which involves academic excellence, spiritual growth and social commitment.

#### Mission:

The mission of our Jesuit education is to form 'men and women for others' and mould them as global citizens with competence, conscience and compassionate commitment. Special concern is shown towards socially and economically marginalized students.

## **About the Department**

The Electrical & Electronics Engineering Department was started with UG programme in 2008 with an intake of 60. The department has well qualified, experienced & dynamic faculty along with skilled technical supporting staff who spearhead the process of achieving the vision of the department. The department has well equipped labs & infrastructure. Till now 6 batches have passed out. Many of our student's technical papers have been published in various national & international technical symposiums. A good number of students are being placed through campus placements in core MNC companies every year.

## **Department Vision:**

To mould the students as eminent Electrical & Electronics Engineers by providing quality education with skills and character to serve the society.

## **Department Mission:**

M1 - To provide high quality teaching and services that render students a supportive environment.

M2 - Making the effort to mould the students to be the problem solvers, to be able to apply engineering principles to electrical systems.

#### **Program Educational Objectives(PEOs):**

**PEO1**:Graduates shall have a solid foundation in Mathematics, Science, Electrical, Electronics and allied engineering applications, capable of analyzing, design and development of systems for Energy Generation, Transmission, Distribution, Operation and Control.

**PEO2:** To develop engineers with broad perspective and orientation to work for the electrical equipment manufacturing industries in the fields of electrical machines, drives and controls.

**PEO3:**To train the students with strong background in electrical engineering sciences for research and higher education & to increase the capabilities of students to face competitive exams.

**PEO4:**To develop engineers with broad perspective and orientation to work in the area of Non conventional energy resources with social and environmental concern.

# **About FDP**

In this advanced era, groundbreaking technologies are introduced on a daily basis. Therefore it is necessary to stay up-to-date with these technologies and remain ahead. In this regard, a five-day national level FDP is planned by the Department of EEE, Andhra Loyola Institute of Engineering and Technology, from 18<sup>th</sup> to 22<sup>nd</sup> May, 2020. This FDP paves a platform for the Electrical Engineers to get connected with the technology advancements in the field of Electrical Engineering.

#### **Resource Persons:**

#### Dr. K. Siva Kumar

EED, IIT Hyderabad.

Dr. K. Siva kumar, completed M.Tech from NIT Warangal and Ph.D from IISc Bangalore and currently working in the Department of Electrical Engineering, IIT Hyderabad. His research interests include PPM Induction Motor drives, Multi-level inverters and microgrids.

#### Er. K. Ramakrishna Reddy

DEE, SLDC, AP Vidyut soudha

Er. K. Ramakrishna Reddy completed M.Tech from NIT Warangal and currently working as Deputy Executive Engineer in AP Vidyut soudha. His research interests include real time SCADA management and load scheduling management.

#### Dr. D. Rakesh Chandra

KITS Warangal

Dr. D. Rakesh Chandra completed his M.Tech and Ph.D from NIT Warangal and currently working in Kakatiya Institute of Technology and Science, Warangal. His research interests include, Grid Integration of Renewable sources and AI Techniques in Power Systems.

# Dr.P. Padmagirisan.

University of Surrey, U.K.

Dr. P. Padamagirisan completed his M.Tech and Ph.D from NIT Trichy and currently working as a Post Doctoral Fellow at University of Surrey, U.K. His research interests include, Optimization Techniques in Electric vehicles.

# Dr. B. Durga Hari Kiran

Vagdevi College of Engineering, Warangal.

Dr. B. Durga HariKiran completed his M.Tech and Ph.D from NIT Warangal and currently working in Vaagdevi College of Engineering, Warangal. His research interests include, AI Techniques in Power systems, and Renewable sources.

## Online FDP@ALIET

## Dr. PESN Raju

R&D Department, OPAL-RT Technologies, Bangalore.

Dr. PESN Raju completed his Ph.D from IIT Indore and Post Doc. from University of Manchester, U.K and currently working in R&D Division, OPAL-RT Technologies Bangalore. His research interests include Energy storage system management, Micro Grids with HIL Techniques.

#### **Major Topics to be covered by the Resourse persons:**

- 1. Real-time Grid monitoring and control by SCADA.
- 2. Multi-Level Converter Topologies.
- 3. Electric Vehicle Technologies
- 4. Grid Integrated Renewable sources.
- 5. Forecasting using Neural Networks.
- 6. Microgrid: Key issues and challenges. OPAL-RT Laboratories, etc.

## **Organizing Committee:**

#### **Chief Patron**

Rev. Fr. P. Bala Showry, S. J., Rector, Andhra Loyola Institutions.

#### **Chief Coordinator**

Rev. Fr. Dr. A. Francis Xavier, S.J., Secretary & Director, ALIET

#### Chairman

Dr. O. Mahesh, Principal, ALIET

#### Patron

Rev. Fr. J. Chiranjeevi, S.J., Assistant Director

Rev. Fr. M. Anand, S.J., Assistant Director

#### Coordinator

Dr. M. Ajay Kumar, Associate Professor, Dept. Of EEE.

#### Convener

Dr. G. Naveen Kumar, HOD, EEE.

## **Advisory Committee / Technical Support:**

Mrs. V. Ananta Lakshmi, Asst Prof., Dept. of EEE.

Sri. G. Gantaiah Swamy, Asst Prof., Dept. of EEE.

Sri. L. Karunakar, Asst Prof., Dept. of EEE.

Sri. T. Krishna Mohan, Asst Prof., Dept. of EEE.

Sri. M. Rama Krishna, Asst Prof., Dept. of EEE.

## **Note:**

- 1. FDP is for all **Teaching faculty** from Private/ Govt. Engg. Colleges.
- 2. There is No Registration fee.
- 3. The programme will be **conducted online mode** only.
- 4. The daily program is for 1hr 30 min. on all Five days (from 6 PM to 7:30 PM)
- 5. E-certificates will be given only to the faculty who successfully complete the programme.
