

Conduct of Annual Awareness Programmes on Code of Conduct

Andhra Loyola Institute of Engineering and Technology focuses on developing a holistic personality of students to form as a responsible citizen. The discipline committee of ALIET takes care to maintain and sustain the code of conduct of the institution. In this regard, Annual awareness programmes are conducted on Code of Conduct to both the staff and students. The Code of conduct is imparted to all the members through Orientation Programmes. Code of conduct is published in the Handbook given to all internal stakeholders and placed on College website for creating awareness. During the normal course of time, if any deviation is observed from the code of conduct, it is addressed by the committee and resolved. In special cases, the same is referred to the higher authorities.

FRESHER'S DAY 2019

ALIET witnessed the entry of fresh and young Loyalties on 2nd August 2019. The young and aspirant Engineers are filled with an air of joy to enter on the lush green campus. The parents and the students found that ALIET is the best place to fulfill their dreams. The chief guest of the day inspired the students with his words of wisdom. The vision and mission of the Jesuit education was imparted to the students along with Code of Conduct. The students are encouraged to follow a single-minded devotion to achieve their aims and goals.
