Andhra Loyola Institute of Engineering and Technology organized sensitization session on working with students with special needs and developing Conducive Environment to the faculty on 07th October, 2020. Dr. G. Sahaya Bhaskaran, Coordinator, Higher Education for Persons with Special Needs (HEPSN) wing of Andhra Loyola College delivered session to the faculty on working with student with special needs. He explained different disabilities that do exist in students and suggested to create a conducive environment for such students to make them feel equal and enjoy learning at this college. He suggested that faculty should encourage Engineering students to develop assistive devices at economic prices to make the lives of persons with different needs better.
