

Andhra Loyola Institute of Engineering & Technology

Every alumni event is much more than just a friendly meet. It has the potential to bring in great rewards for the institution. ALIET provides a platform for the alumni, to share their academic and professional experiences, exchange their views on recent developments in science and technology, develop new ideas together and expand their networks of relationships.

Objectives

- To re-unite in the nest from where they grew and flew off.
- To build a bridge between college life and career life, so as to introduce present students to the professional world and to make them proactive to face the challenges that may emerge in their career path.
- To create awareness among students about the scope of their engineering course in the professional world.
- To utilize the rich experiences of the alumni of the college for the benefit and progress of the present students.
- To conduct orientation and training programs to students on various topics to enhance their skills.
- To get the valuable advices of the Alumni for the overall development of the institution.
- To arrange motivational classes to the students to upgrade their technical and competitive skills.
