## Leave letter

Dt: 04/10/2021  
Vijayawada

TO  
The Director,  
AIIET,  
Vijayawada.

Sub: permission for Submission of  
Ph.D Thesis - Reg.

Respected Father,

I (K. Pandu Ranga Rao) am working as Assistant Professor in the Dept. of S&H (Physics) in your College since 2012. Father, this is to bring to your notice, that I am about to submit my Ph.D thesis. For that, I have to meet my Research supervisor for final correction of thesis. Hence, I request you, to permit me, to meet my guide, without disturbing academic work.

Kindly do the needful.

Yours sincerely

K. Pandu Ranga Rao  
Asst. Prof  
Dept of S&H  
AIIET

#### About College

Sir C.R.Reddy College of Engineering is the first Engineering College in Andhra Pradesh sanctioned and recognized by All India Council for Technical Education (AICTE). This College is permanently affiliated to Andhra University, Visakhapatnam.

Since its inception in 1989, Sir C.R.Reddy College of Engineering has been a premier institute for quality engineering education in Andhra Pradesh under the stewardship of its broad minded and magnanimous management. The last two and a half decades has seen the Institute fulfilling its motto of QUALITY SERVICE & VALUE BASED EDUCATION to the student community.

The College is situated near Vadduru railway gate in Eluru, the Head Quarters of West Godavari district. It is surrounded by beautiful paddy fields and is on Chennai-Howrah highway and train route. A large number of buses and trains run via this town. It is easily accessible from any part of the country by rail as well as road.

#### About Department

The Department of Electronics and communication Engineering has been functioning since the beginning of the college i.e. from A.Y. 1989-90 with an intake of 60 students. Presently the intake of the ECE Department is 180 students. The department has 37 well qualified, experienced and dedicated faculty with at least having a PG qualification, four faculty with PhD and many of faculty are pursuing Ph.D in different streams. ECE department is offering M.tech course in Communication Systems and VLSI from A.Y. 2009-10. The ECE department has good infrastructure with R different labs, all the labs are fully equipped to cater the present day technology.

The department conducts Colloquium, an annual national-level Technical Symposium that provides a forum for the students specializing in Electronics & Communications Engineering from across the country to participate, present papers and interact with eminent professionals from the field. ECE Department has established R&D Cell and Electronics Hobby Club. These Two Clubs intends to develop expertise in students to prepare them for taking up interviews and placements in core sectors of Electronics and Communication Engineering.

**About the Program**

Biomedical signal processing and instrumentation is an emerging stream that has got both industrial and research significance. Medical practitioners and Engineers are developing new ways to process bio signals using a variety of mathematical tools and algorithms used in both therapeutic and diagnostic instrumentation. The course aims to impart solid foundation in mathematical and signal processing tools on biomedical signals and medical imaging for feature extraction using MATLAB and LabVIEW. Participants will gain knowledge on the acquisition of the biomedical signals from various organs of the body. They will also develop an understanding of the current and future developments and technologies within the field of biomedical signal processing, image processing and therapeutic & diagnostic instrumentation. They will also know the present trends in the research of biomedical signal processing.

**Objectives & Context**

- To improve the knowledge of participants on biomedical signal processing and motivate the participants to work with biomedical signals.
- To unfold various research areas under biomedical signal processing and provide opportunity to interact with experts in the related areas.
- To provide sound mathematical and theoretical prerequisites necessary for carry out research in this field.

By the end of the program, the participants should be able to:

- Understand biomedical signals such as ECG, EEG & EMG and various methods to acquire bio-signals.
- Implement pre-processing methods for removal of artifacts.
- Be familiar with some of the most important advanced biomedical signal processing techniques for feature extraction and classification techniques.
- Develop application oriented algorithms on biomedical signals using MATLAB and LabVIEW.

The biomedical signal processing is relevant to Biomedical robotics, Speech signal processing, Medical image processing, Therapeutic and diagnostic instrumentation, Invasive and non-invasive measurements, Telemedicine, Biosensors and transducers.

**Prerequisites for the Course**

- Knowledge on Bio-signals.
- Knowledge on signal & image processing concepts.
- Basic knowledge on MATLAB, LabVIEW & Python.

**Important Dates**

- Last date for registration : 15th October, 2019
- Intimation to the participants : 25th October, 2019

**Course Outline**

Course consists of series of lectures on the following topics along with Hands on

- Biomedical processing and applications.
- Transform techniques.
- Acquisition of Bio-signals.
- Biomedical instrumentation.
- Medical image processing.
- Biosensors and transducers.
- Classification techniques.
- Development of algorithms.
- Hands on sessions on the above topics.

**Resource Persons**

- Dr. P. Srihar Rao  
Associate Professor, NIT- Warangal
- Dr. D. Ratan Saraga  
Scientist, RCI Labs, Hyderabad
- Dr. P. Sankarsh  
Professor and Dean, ANU, Guntur
- Dr. P. Rajesh Kumar  
Professor & HOD, Chaitanya, AU, Visakhapatnam
- Dr. B. Lovita Anonari  
Assistant Professor, JNTUK, Kakinada
- Dr. Sandhya Cole  
Professor and HOD, Nano Technology, ANU, Guntur
- Hands on training by experts from industry.

**Course Program**

The Course program has three sections:

- Lectures
- Hands-on
- Course end Exam (MCQ based questions)

**Registration**

Registration fee details for various types of participants are given below.

Faculty participants from AICTE approved institutions	Rs. 1000*
Research Scholars	Rs. 1500*
Participants from Industry/R&D organizations	Rs. 2500

\* The fee will be refundable\*

Registration form in the prescribed format approved by a competent authority should reach the Convener by hand post 2-months along with the Demand Draft to be drawn in favor of "THE PRINCIPAL, Sir C R Reddy College of Engineering", payable at Eluru.

- The total number of seats is 40, out of which 40 (seats) are reserved for persons from industry.
- Accommodation will be provided.
- TA to institution participants as per AICTE norms.

## About the Conference

Today the World is dependent on technology than even before, and Computational Science and Information technology are the basic building blocks for most of the technologies. Research in the area of Computer Science and Engineering is moving at a fast pace and it has become very important for Scientists, Researchers and Academicians to perceive the latest developments. The 6<sup>th</sup> International Conference on Information System Design and Intelligent Applications (INDIA-2019) is focused on promoting the recent advances and innovations in the disciplines of Computer Science and Information Technology. The Conference offers an opportunity to bring scientists of different disciplines together, to discuss new issues, to tackle complex problems and to find advanced solutions breeding new trends in Computational Science. This Conference will also provide a platform for research community and industry to share the recent developments and to discuss about the discoveries in the cutting edge technologies. This conference aims to bring together leading academic scientists, researchers, scholars and industrialists to share their experiences and research results on various aspects of engineering technology and innovation. The event is organized by the department of Computer Science and Engineering, Lendi Institute of Engineering & Technology, Vizianagaram, Andhra Pradesh.

# ANDHRA LOYOLA INSTITUTE OF ENGINEERING AND TECHNOLOGY

Approved by AICTE, New Delhi and Affiliated to JNTUK-Kakinada

An ISO 9001 : 2015 Certified Institution

## 1. About the Conference

The International Conference on Recent Trends in Botany, Zoology, Microbiology & Biotechnology - Andhra Loyola 2019 (ALCNS 2019) to be organized by Andhra Loyola College, Vijayawada, Andhra Pradesh in collaboration with IMRF Institute for Education & Research shall be one of the significant conferences in Botany, Zoology, Microbiology & Biotechnology Community. The Conference is designed with Special Invited Research Lectures, Paper Presentations and Poster Presentations. The main intention of this Conference is to reflect the pioneering state of research in Botany, Zoology, Microbiology & Biotechnology.

## 2. About College

Andhra Loyola College, established in 1954 has been imparting quality higher education since its inception to students of both the telugu speaking States in particular and to the students all over the Country. The College was accorded Autonomy by the University Grants Commission from the academic year 1987 - 1988 and had been one of the very few Autonomous Colleges that were enjoying autonomous status for more than three decades. The College has entered into its 65th year of fruitful and meaningful existence.

## 3. Achievements of the College in the recent past:

**3.1. NIRF Ranks 2019 :** Andhra Loyola College (ALC) was ranked at 45th place under the Colleges Category in Institutional Ranking Framework for the year 2019 by the Ministry of Human Resources Development, Govt. of India, New Delhi. Our College is the only College from both the telugu speaking states to find place among the first fifty ranks.

**3.2. NAAC Accreditation :** ALC was accredited at A+ grade with a CGPA of 3.66 out of 4.00 in III cycle by the National Assessment and Accreditation Council (NAAC). Again the College with highest CGPA in both the telugu speaking states.

**3.3. NSF Funding :** Under the Rashtriya Uchchathar Siksha Abhiyan (RUSA) scheme of MHRD, Govt. of India, our College was selected under Component Eight for 'Enhancing Quality and Excellence in select Autonomous Colleges' for its academic credentials. Among all the Colleges in the State of Andhra Pradesh, only two colleges got selected under this component, wherein grant of Rs.5.00 crores was sanctioned to the College.

## 4. ISO Certification

Our College has also been certified as an ISO 9001:2015 Institution under the scope of certification "Providing Quality Education" for a period of three years from 2019 to 2022.

## 5. About IMRF

INTERNATIONAL MULTIDISCIPLINARY RESEARCH FOUNDATION (IMRF) is an Academic Research Association of Scholars, Academicians & Scientists from India and Abroad committed to promote value & ethical research in the young research scholars & modern society. IMRF serves different subjects under the Sub Subjective Associations and the Sub Teams organize International Conferences in their respective subjects purely to impart & institute ethical research. IMRF is ranked to be in the forefront in the promotion of education with cutting edge interest, active action research and service with a smile to human concerns performing the way it believes in for a better world.

## 6. Themes & Subthemes :

**6.1. Botany & Microbiology :** Biology | Immunology, Microbiology, Genetics, Chromosome biology, Taxonomy, Developmental biology, Biochemistry and Physiology

**6.2. Cellular Biology :** Structure and function of cell and cell organelles, Cell Division and Cell Cycle, Cell Death, Autophagy, Cell Stress, Cell Signaling and Intracellular Trafficking, Cellular signaling and development, Cell physiology and biochemistry, Cell Biology of Ageing, Cell Biomechanics and Regulations, Dynamic Control of Cell Shape and Polarity, Cell Organelles: Function and Dysfunction, Ageing, Stem cell biology, Tumors, etc.

**6.3. Microbiology and Environmental Biology :** Emerging Techniques in Bacteriology, Virology, Veterinary Microbiology, Agricultural Microbiology, Soil & Water Microbiology, Industrial & Food Microbiology, Microbial identification & Physiology, Medical and Molecular microbiology, Mycology & Phycology, Pollution, Toxicology, Molecular biology, Bioinformatics and Computational Biology | Genomic Tools and Technologies, Computational Structural Biology, Computational Sequence Biology, Modeling and Engineering Gene Circuits, Structure of Biological Macromolecules, Structural Biochemistry, Computational Systems Biology, Dynamic Modeling of Biological Systems, Comparative and functional genomics, etc.

## 6.4. Agriculture and Plant Biology

**6.5. Zoology :** Entomology, Zootaxy, Zoosystematics/Evolution, Zoomorphology, Zootomy, Zoogenetics / Animal Breeding, Zoophysiology / Animal Nutrition, Zoopathology, Ethology / Animal Behaviour, Zoocology/Biodiversity, Zoogeography, Paleozoology, Integrative Zoology, Experimental Zoology, Comparative Zoology, Protozoology, Parasitology, Malacology, Crustaceology, Applied Zoology, Bionics, Zoo Biology, Herpetology, Ichthyology, Invertebrate Zoology, Malacology, Mammalogy, Ornithology, Primatology, Genetics & Molecular Genetics, Embryology, Organogenesis, Gametogenesis, Embryogenesis, Companion Animals, Animal Conservation, Animal Products, Animal Cognition, Frontiers in Zoology etc.

**6.6. Biotechnology :** Nanobioscience, Nano biotechnology, Food Biotechnology, Medical biotechnology, Pharmaceutical Biotechnology, Industrial and Manufacturing, Drug discovery and Drug Delivery, Biomedical imaging, image processing & visualization, Bioelectrical and neural engineering, Biomechanics and bio-transport, Methods and biology effects of NMR/CT/ECG technology, Biomedical devices, sensors, and artificial organs, Biochemical, cellular, molecular and tissue engineering, Biomedical robotics and mechanics, Rehabilitation engineering and clinical engineering, Health monitoring systems and wearable system, Bio-signal processing and analysis, Biometric and bio-measurement,

## 6.7. Environment

**6.8. Environmental Science and Technology :** Environmental dynamics | Meteorology | Hydrology | Geophysics | Atmospheric physics | Physical Oceanography | The Global environmental change and ecosystems management | Climate and climatic changes | Global warming | Ozone layer depletion | Carbon capture and storage | Planning & Implementation of Sustainable Environment | Environmental Issues of Biodiversity | Bio-Resource & Diversity | Environment, Energy and Technology | Renewable Energy | Environmental Monitoring Analysis

TO  
The Director  
ALLET,  
Vijayawada

Respected Father,

sub: Request for Maternity leave req.

I B Sumitha working as an Assistant professor in  
Mechanical Engineering Department since July 2013 at your  
esteemed institution. I completed all my last academic year  
duties on 30/5/2018. So I request you to grant me  
maternity leave for three months, i.e. from 11-6-2018 to 11-9-2018.  
I must return to my duties on 12-9-2018 on wards.

So kindly grant me permission to take the maternity  
leave for three months.

Thanking you father,

your's truly  
B. Sumitha  
[Asst professor  
Mechanical Engg Department]

Dr. Xani, 7/6/18
