

7.1.10: REPORT ON THE STUDENT ATTRIBUTES FACILITATED
BY THE INSTITUTION

Andhra Loyola Institute of Engineering & Technology (ALIET), Vijayawada, Andhra Pradesh affiliated to JNTUK, Kakinada is a pioneering institution in imparting value and ethical based quality education in the area of Engineering and Management. The institution always thrives in imparting academic excellence, spiritual growth, social commitment and value based leadership for the students. Students are churned to become as competent, conscience, compassionate commitment and to serve for others.

Academic

The teaching learning methodology of the institution focuses on holistic development of the student. Students take part in various forms of learning such as self, peer, team and collaborative learning in which they work with synergy to accomplish their goals following the values of the institution. Eminent persons from industry and academia are invited as resource persons to inculcate professional ethics and human values.

Ethical

Human values and professional ethics is a compulsory course for all the engineering students as part of their curriculum imparting professional values and ethics. Along with this the institution has taken many initiatives for nurturing values and ethics among students. The institution is conducting value education classes by the trained and experienced faculty as part of regular class work and included in time table. The institution has deputed faculty to attend workshops, faculty development programmes, seminars and webinars organized by the AICTE and other reputed institutions focusing on universal values and professional ethics which in turn is transformed to the students. Dr. Sr.Candy D' Cunha and Dr. G. Naveen Kumar received an **AICTE sponsored project "Scheme for Promoting Interests, Creativity and ethics among students (SPICES)** for inculcating interests, creativity and ethics among students.

Sports and Cultural activities

The institution is celebrating various events like sports, festivals, cultural, commemorative days and international women's day for inculcating co-ordination, leadership, team building, decision making, social and life skills for holistic development of students. The institution has organized many events through its NSS wing for inculcating social and ethical values such as green diwali, inter religious meet, international peace day, yoga day, drug abuse day, water conservation day, constitution day, independence day, republic day, vigilance awareness week, and so on.

The institution has facilitated students in shaping themselves as more responsible citizens by involving them in various social service activities like financial assistance to the disabled persons, financial, social and emotional assistance to the school dropouts, donation to the people living in old age homes, orphanages etc. The students actively involve themselves at times of natural calamities and disasters and help the deprived people.

Andhra Loyola Institution of Engineering and Technology takes every opportunity to mould the students as a responsible, value and ethical based citizens. The attributes facilitated by the institution mould the students as socially committed and responsible citizens with ethics and values.

About the Program

Religion shapes the Character of a person. It is the religion which empowers and provides a direction. It creates mental peace and emotional support. It helps individuals to reflect upon themselves in different roles they perform and develop as responsible member of family, society and of the country.

Student life is the most crucial part of the human life where religion plays pivotal role in shaping their personality and helps to reach their goal. Adversities and uncertainties crop up during this age. This makes students directionless. The Pandemic covid-19 has posed such challenge to the students by creating physiological, psychological and behavioural imbalance which directly and indirectly impacted their learning.

ALIET takes every initiative to empower students in a holistic perspective. With this motto we organise every year an inter-religious meet “A Day with myself” for students to reflect upon themselves and immerse in self awareness to deepen their faith. This event transforms students to drive them towards harmony, peace, love, social cohesion and shapes them to be more responsible citizens.

ALIET

Andhra Loyola Institute of Engineering and Technology (ALIET) is a sister institution of reputable Andhra Loyola College, Vijayawada. These two institutions are administered and run by the Jesuits who are members of an International Religious Order of Catholic priests known as Society of Jesus. ALIET is approved by the AICTE, New Delhi, recognized by the Govt. of Andhra Pradesh, affiliated to JNTUK, Kakinada, Accredited by NAAC & NBA, and an ISO 9001:2015 certified institution.

Vision of ALIET

In accordance with the Jesuit Vision of Higher Education, ALIET imparts technical education in the realm of higher education with integral formation which involves academic excellence, spiritual growth, social commitment and value-based leadership.

Mission of ALIET

The mission of our Jesuit Education is to form "Men and Women for others" and mould them as global citizens with competence, conscience and compassionate commitment. Special concern is shown towards socially and economically marginalized students.

International Peace Day

Event: International Peace Day

Date: 21st November 2020

“When I asked god for peace, he showed me how to help others” – Swamy Vivekananda. In accordance with the vision and mission of the Andhra Loyola Institute of Engineering and Technology, Department of MBA organized International Peace Day on 21st September, 2020. The main theme of International Peace Day 2020 is “Shaping Peace Together” by spreading compassion, kindness and hope during Covid-19 Pandemic.

Pravrajika Bhavani Prana Mathaji, with her rich experience of being spiritual head for 24 year long, enlightened students on How to Build Peace? She spoke on building inner peace, attitude development. She suggested that, participants should be content, have faith, Character, morals, spiritual and marital values. She said Peace is quality to be developed. It should bring happiness, rejoice and away from social illness to bring peace at various levels. Peace should be practiced not to be preached. She also added your peace cannot be created at the cost of others. The session made the participants to bring love, harmony, compassion, truthfulness, righteous conduct and inner balance. She ended the session by saying “If you want peace of mind, don’t try to find fault with others, find within, world is yours”.

*Respected Principal,
Staff & Dear Students .*

We the little sisters of the poor and the elderly Residents of our home for the aged, Nambur, with deep gratitude we thank you sincerely for your generosity to help us by responding to our request and to make a Collection from your students. We are very grateful to you for this needed help and we greatly appreciate your concern for the poor. Thanks for the interest and trouble you took to encourage them. Thank you for your great help.

Dear Students thanks a lot for the generous contribution you extended to us. Along with our Elderly Residents we promise you our prayers that you may do well in your studies, succeed well in your exams and have a bright future.

We also express our heartfelt gratitude to you Dear Staff Members, for the interest you have taken in encouraging the students to contribute for a good cause. We promise to pray for you and your families. May God bless you and reward your kindness.

Your generous contribution : Rs.38.033

A Big thank you to one and all and God bless you.

*Yours gratefully
