INTERNATIONAL DAY FOR THE ELIMINATION OF VIOLENCE AGAINST WOMEN AND GIRL

Event: Gender Equity initiative

Date: 25th November, 2021

Women's Cell of ALIET in association with AVM creations jointly organized an awareness programme on 'International Day for the Elimination of Violence against Women and Girl' on 25th November 2021. The objective of this programme is to sensitize both boys and girls on how to eliminate violence against women and girl. Sri. V. V. Naidu, ACP, Disha Police Station, Vijayawada was the invited guest of the day. In his talk, Sri. V. V. Naidu threw light on various incidents in which there was a brutal violence against women and girl. He enlightened the girl graduates about various acts and amendments like POCSO, Nirbhaya and Disha and instilled courage among the girls to act wisely in unforeseen situations. In addition to this, Sri. V. V. Naidu educated the boys not to get addicted to Drugs and explained about the major acts in the Indian penal code. The programme was successful. Mrs. V. Anantha Lakshmi – Coordinator of Women's Cell and the members of the committee supervised the programme.

AWARENESS PROGRAMME ON 'DISHA APP AND INSTALLATION'

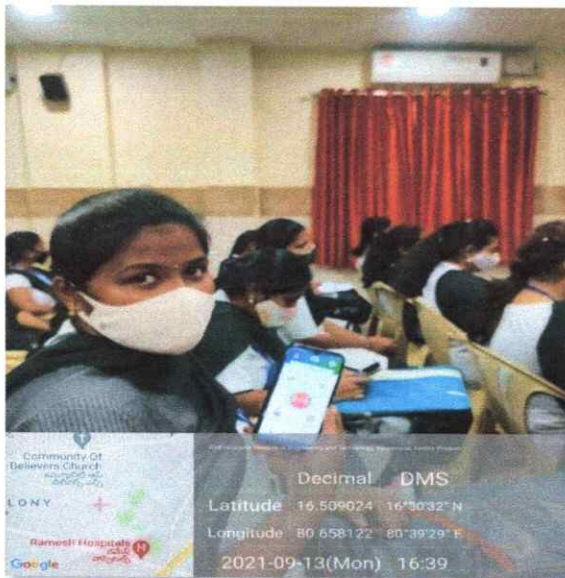

Event: Sensitization of Women safety

Date: 13th September, 2021

Women's Cell of ALIET organized "Awareness on Disha App and Installation" programme in collaboration with Andhra Pradesh Sachivalayam Women Protection Cell Secretaries on 13th September 2021 on the campus. Mrs. Rajani, Women Protection cell secretary brought awareness among the girl graduates about this women safety initiative taken by Government of Andhra Pradesh. She said, "Disha app, developed by the technical services division of the Andhra Pradesh police, sends an alert to the Disha control room when a woman or girl in distress just shakes the mobile phone which contains the Disha App.

The app also provides another way of calling for help - they can also press a button on the phone, but in emergency situations if that is not possible, the victim can send an alert to the police by simply shaking phone five times. The personnel at Disha control room in turn will alert the police available near the spot. Police will rush to the spot using GPS-equipped vehicles and assist the person in trouble or anticipating trouble." Mrs. Rajani made all the girl students to download and install the app in their smart phone in order to safeguard themselves from any unforeseen situations.
