Children's Day Celebrations at Katukapalle Tribal Area

Event: Awareness on Tribal Lifestyle

Date: 13th & 14th November, 2021

30 Students of Andhra Loyola Institute of Engineering and Technology, Vijayawada went into forests of East Godavari Agency to spend two days with the Koya and Konda Reddy tribes as a part of extension activity. The group stayed at the hamlets of Katukapalle, Venkatapuram which are located along the interstate borders of Telangana and Chhattisgarh on 13th and 14th November and studied lifestyle of the tribals along with celebrations of children's day with the young ones of the tribes by conducting singing and dance competition, also distributed prizes to the children.

Students split up into teams and visited the huts at Katukapalle and Chimili Vaagu, which have a population of around 200 each. The Director of Andhra Loyola Institute of Engineering and Technology Fr.Dr.A.Francis Xavier also accompanied the students. Students observed that there were no medical, education, drinking water, electricity and road transport facilities to Katukapalle. Children of koya tribe are suffering from malnutrition and are underweight, lack of proper clothing and drinking water facilities.

Mahathma Gandhi Biography and his Contributions towards Independence

Event: Gandhi Jayanthi

Date: 01st October, 2021

Students of III year ECE of Andhra Loyola Institute of Engineering and Technology, initiated a program titled “Mahathma Gandhi Biography and his Contributions towards Independence” at V.M.R.R.M.C.S.G. High School, Vijayawada on the Occasion of Gandhi Jayanthi. Students celebrated 152nd birth anniversary of the Father of Nation. On this auspicious occasion students presented a power point presentation on the theme ‘Non-Violence’ depicting the life of the great man who lived on the principles of ahimsa and non-violence. The students laid emphasis on non-violence with the thought “Anger is the enemy of non-violence and pride is a monster that swallows it up”. Through a small yet exceptionally amazing video, the students presented as to why Gandhi Ji chose to follow the path of ahimsa and non-violence to fight against the British Empire. They presented the philosophical and pragmatic ideals of Gandhi Ji.

The students and faculty have taken an oath to follow non-violence. The students also formed a human chain by holding placards that contained the slogans said by Mohandas karanchand Gandhi. The assembly was finally concluded with the National Anthem.

Independence Day

Event: Independence Day

Date: 15th August 2021

Every year 15th August – Independence Day is celebrated in Andhra Loyola Institute of Engineering and Technology. NSS students presented various cultural events related to the patriots. The event highlighted the preaching of Mahatma Gandhi which inculcates the importance of patriotism for the new generation.

The event began by greetings from **Dr. O. Mahesh, Principal of the institution** of ALIET. In his words he disclosed the importance of freedom and specified that “**Freedom is nothing but a responsibility of every individual towards family and country**”. He also stated that our PM Mr. Narendra Modi said that – **there is a large youth population and they should study hard and try to avail the opportunities**. Dr. B. Sudheer Kumar hoisted the flag followed by a short speech. It was followed by patriotic telugu song “Desham Manadi, Tejam manadi” sung by the NSS students. After the patriotic song, there was a patriotic dance by Ms P. Anitha, ECE-I student.
