

AZADI KA AMRIT MAHOTSAV 2022

This year India celebrated 75 years of Independence as Azadi ka Amrit Mahotsav. NSS department and NDLI CLUB of ALIET jointly celebrated Har Ghar Tiranga as a part of Azadi ka Amrit Mahotsav (11th August-15th August). On this occasion we have conducted an **Essay writing competition** for NSS students on 12th August 2022.

Students actively participated in the essay writing competition in different Independence related topics. Prize distribution was held on 15th August.

NATIONAL LIBRARY WEEK 2022

ALIET NDLI CLUB celebrated National Library week 2022 from 14th to 20th November. On the occasion of National Library Week this year we have conducted an elocution competition for our students on 16th November 2022 in Digital Library. Dr.Ch.Ratna Jyothi of CSE department was invited as a Judge to the event. Topic was “Key Role of E-Resources in Teaching and Learning Process”. Students actively participated in the event.

Prize distribution ceremony was held on 24th November 2022 in Digital Library. Dr.Sr.Candy D’Cunha of S&H department was invited as a Chief Guest. She delivered an excellent and motivational speech to our students regarding utilization of Library resources. Then winners were awarded with prizes and certificates. This year’s Best Library User awards were also given to our students who utilized library in a better way.

There will be a user-orientation session on "Role of IEEE in Engineering Education" for students.

IEEE Xplore Digital Library training provides the ideal opportunity to discover (or re-discover) time-saving features for your research like,

- Retrieving the right set of articles from over 5 million records
- Accessing the Journals and browsing the journals through titles & topics.
- Setting up of alert and receiving the new contents and journals of your interest
- Exploring upcoming conferences in your region and topic of interest
- Learn to access supplemental items such as IEEE Media files, Algorithmic Codes & Datasets
- Exporting mathematical equations and downloading high-resolution figures

This webinar would be hands-on session where participants can practice during the session.
