Vison

Developing and ensuring quality procedures that will ensure an all-round excellence at the institutional level.

Mission

To strengthen the efforts and procedures of the institution towards academic excellence.

To conduct orientation programme for the newly recruited staff and for the freshers.

To constantly remain informed about LMS and ICT tools for enhancing teaching and learning.

To promote a culture of research through quality publications and by organizing National Conference, Seminars and Workshops and FDPs.

To provide a platform for experiential learning through internships, fieldtrips and study tours.

To evaluate periodically the progress of each department, both in curricular and co-curricular activities.

To cater the needs of learners through effective mentoring.

To conduct Academic Audit annually.

Quality matters

The Internal Quality Assurance Cell (IQAC) was formed at Andhra Loyola Institute of Engineering and Technology, Vijayawada in the year 2014-15, with the aim of carrying out all academic activities with quality upgradation and with a constant and continuous quest for excellence. The members of the IQAC cell meet occasionally to hold discussions and make deliberations pertaining to quality assurance and sustenance in various areas namely, teaching, learning and evaluation for providing a holistic education to the learners.

Ever since IQAC has constituted in ALIET, number of quality initiatives are upgraded in a form of FDP's, conferences, guest lectures and seminars etc.

During the academic year 2022-23, 74 professional events were conducted for both students and faculty. These programs were not only to encourage the faculty but also students to create a competitive teaching and learning process. Feedback is taken from students as well as faculty and based on the information provided the activities are analyzed for further improvement in the initiatives and same is implemented the faculty members would be able to update their research and pedogeological skills by participating in these programs.

IQAC Feedback analysis Report

Year	Qualitative initiatives	Student feedback	Faculty feedback
2022-23	Professional activities	Good	Excellent

The management of ALIET thank IQAC for the great initiatives and quality measures taken for the benefit of the staff and students.

F. No- 11-399-2021-NBA   **Date: 04-10-2021**

To,

The Principal
Andhra Loyola Institute of Engineering and Technology,
Polytechnic Post Office, Vijayawada 520008,
Andhra Pradesh

Subject: Accreditation status of programs applied by Andhra Loyola Institute of Engineering and Technology, Polytechnic Post Office, Vijayawada 520008, Andhra Pradesh.

Sir,

This has reference to your application I.D. No. **5474- 27/03/2021** seeking accreditation by National Board of Accreditation to UG Engineering programs (Tier II) offered by **Andhra Loyola Institute of Engineering and Technology, Polytechnic Post Office, Vijayawada 520008, Andhra Pradesh.**

2.   An Expert Team conducted onsite evaluation of the programs from **06th-08th August, 2021**. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The competent authority in NBA has approved the following accreditation status to the programs as given in the table below:

| Sl. No.	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Electronics & Communication Engineering	Tier-II June, 2015 Document	Accredited	Academic Years 2021-2022 to 2023-2024 i.e. upto 30-06-2024	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier
2.	Computer Science & Engineering		Accredited		
3.	Mechanical Engineering		Accredited		
4.	Electrical & Electronics Engineering		*Accredited		
5.	Information Technology		*Accredited		

* Observation made during the course of evaluation are indicated in Annexure to this letter.

3.   It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4.   The programs have been granted accreditation for 3 years. **Andhra Loyola Institute of Engineering and Technology, Polytechnic Post Office, Vijayawada 520008, Andhra Pradesh** should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above so as to be eligible for consideration by the concerned Committee in NBA for further processing of the accreditation status.

5.   The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to **Andhra Loyola Institute of Engineering and Technology, Polytechnic Post Office, Vijayawada 520008, Andhra Pradesh** as a whole. **As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously.** Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6.   The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

7.   The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

8.   A copy each of the Report of Chairman of the Visiting Team and Evaluators' Reports in respect of the above programs is enclosed.

9.   If the Institute is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication giving reasons for the same and by paying the requisite fee.

Yours faithfully,

(Dr. Anil Kumar Nassa)
Member Secretary
