Subject: REGISTRATION FOR THE **ANANYA** GOOGLER ARUN BASICS OF PERSONAL FINANCIAL LITERACY
To: empower **ananya** <empowerananya@gmail.com>

Dear All

Hope this email finds you well, it was good talking to you today. As discussed we want to invite ANANAYS' from all departments, in their final year for a session on FINANCIAL LITERACY in particular Personal Financial Planning.

This will be held on AUGUST 22ND 2022 , Monday 5.30 pm it will take approximately 90 minutes, we believe these conversations should equip the participants with the thought process that it is critical to not only SAVE but INVEST that SAVINGS judiciously.

It will at least make them realize that a structured approach is needed in this area based on FINANCIAL NEEDS & PERSONALFINANCIAL situations.

Please ask students to register in this spreadsheet by friday Aug 19th

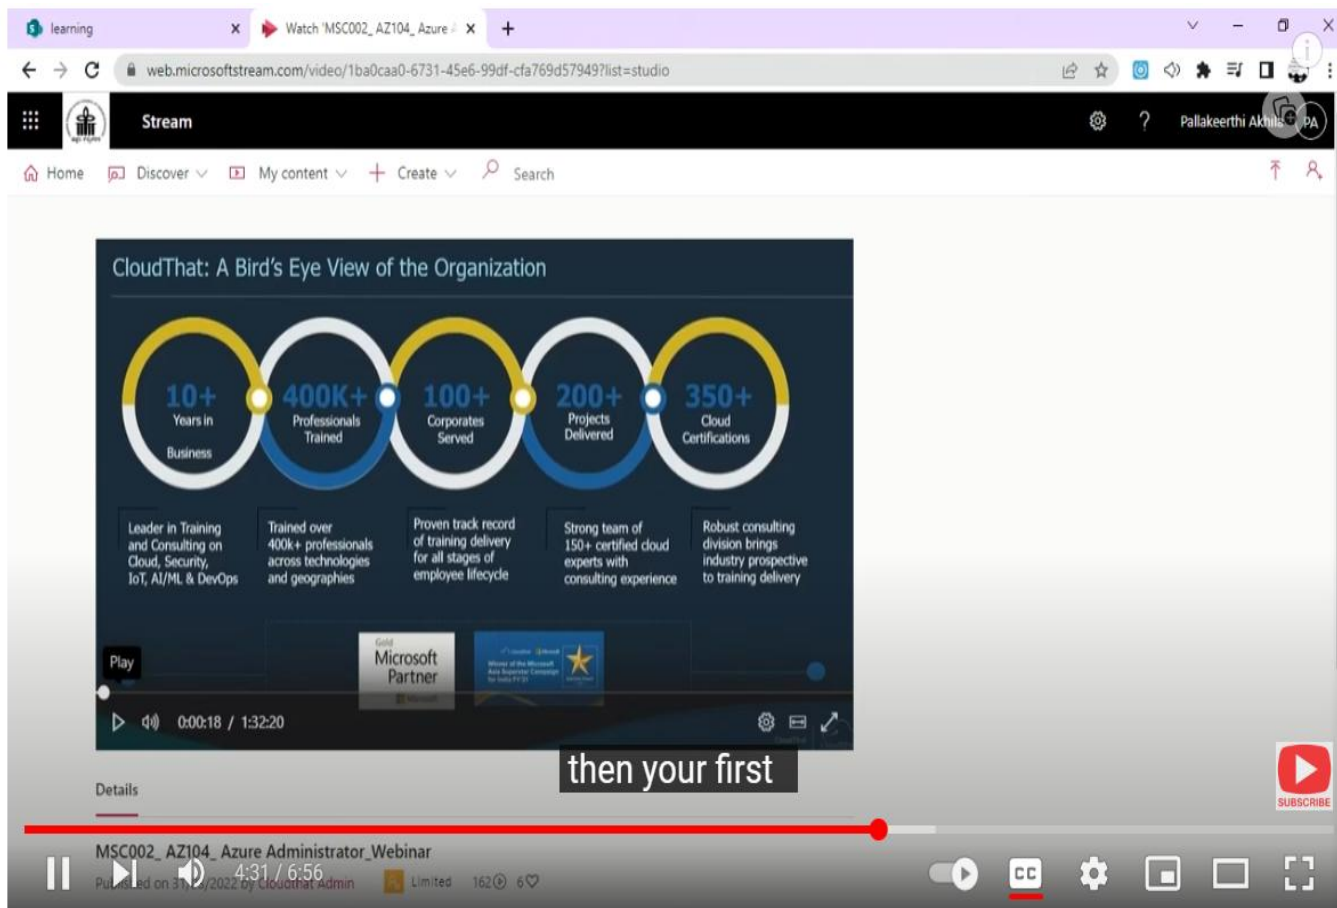

<https://docs.google.com/spreadsheets/d/1r9C1nx3Eif18wCPW8PyEtgGYQJXwtAD539n1Dyx0q6Q/edit?usp=sharing>

I will share the Zoom link on Saturday
best regards

Computer science and engineering department organized a national level quiz on python programming

Memorandum of Understanding

BETWEEN

Centum Foundation

AND

Andhra Loyola Institute of Engineering and Technology

For

She ARISE 2.0

This MOU (hereinafter referred to as the "AGREEMENT") is made at New Delhi on 24-08-2022 and will come into effect on the day of the last signature on this AGREEMENT

BY AND BETWEEN

The Training Provider, **Centum Foundation**, a Society registered under the Societies Registration Act, 1860, and having its Registered office at 127, Neelagagan, Mandi Road, Sultanpur, Mehrauli, New Delhi-110030, (hereinafter referred to as "Centum" or Training Partner which expression shall unless it be repugnant to the subject or context thereof, include its successors and permitted assigns), acting through its assigned representative, <<Signatory from Centum Foundation>>, of the SECOND PART).

AND

Andhra Loyola Institute of Engineering and Technology

CENTUM and **Andhra Loyola Institute of Engineering and Technology** shall hereinafter be referred to individually as a "Party" and collectively as "Parties", as the case may be.

Purpose: The purpose of this MOU is to establish the terms and conditions under She ARISE 2.0 programme will be implemented in College. This includes all the deliverables from CENTUM side and the **Andhra Loyola Institute of Engineering and Technology** side.

Term of MOU: This MOU is effective from <<Date>> till <<Date>> and can be extended further for next year as per mutual understanding of both parties.

CERTIFICATE

This is to certify that

B Pavani

has successfully cleared the Assessment for

Full Stack JAVA

Under "HCL -Uday" training program conducted by **Centum Foundation** and supported by

for FY 2021-22

Date of Issuance
08-04-2022

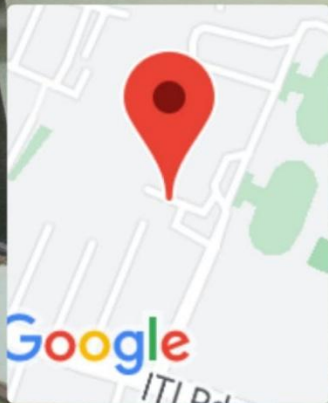

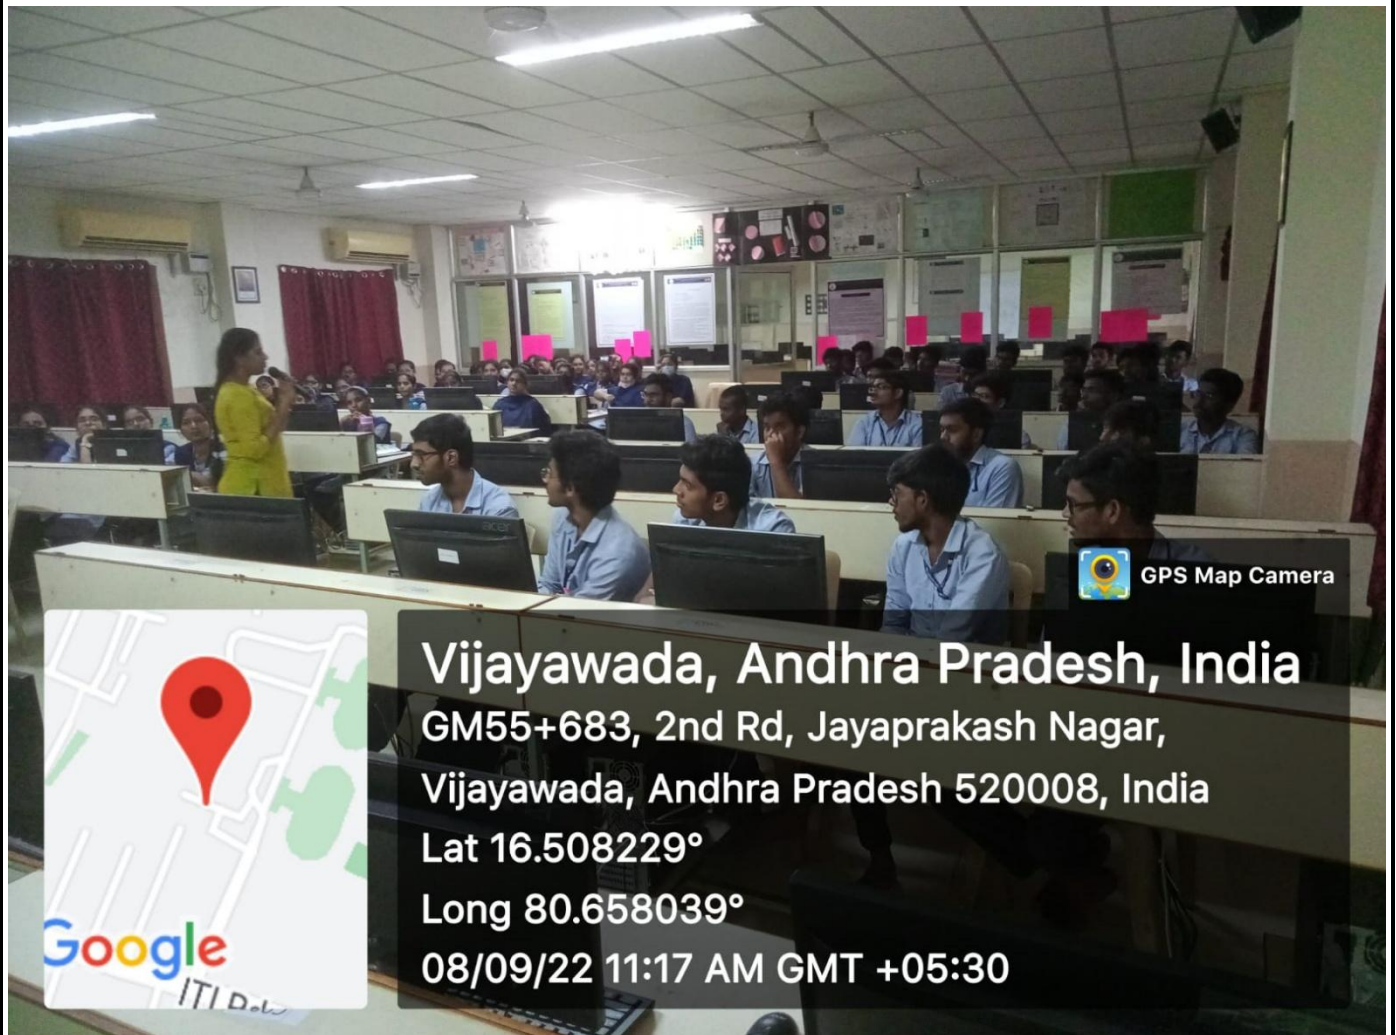

(Director, Assessment Agency)

A Mou was signed with Csr Project Hclf on 29.08.22 &a seminar was conducted by the resource person

Mr. Emmanuel Centum Foundation partnered with HCL Foundation to provide job-related skill training to women & youth in Hyderabad under their flagship program UDAY – Skill Development. Various courses offered by them were Customer Call Executive, Office Assistant, Pharmacy Assistant, Retail Trainee Associate which covered multiple sectors and segments of target beneficiaries.

5	8/9/2022	Orientation Programme	Swecha Foundation	III
---	----------	-----------------------	-------------------	-----

Computer science and engineering department organized a Orientation Programme for III year cse students in association with swecha foundation.

Vijayawada, Andhra Pradesh, India

7	17-9-2022	Workshop On WebTechnologies	SwechaFoundation	III
---	-----------	-----------------------------	------------------	-----

Department of CSE in association with SWECHA have organized a **Workshop On Web Technologies** for III year students. It was conducted in two sessions, morning and afternoon. In the morning session the students were introduced to software development, the various fields associated with it, terms used in web development etc. The students were further briefed into the technologies to be learnt in order to venture into web development like HTML 5, CSS 3, JavaScript, MySQL, bootstrapping etc. The basic HTML tags, typical structure to design a webpage, tags like download button, to integrate audio or video api's, to create lists, radio button, drop down, check box, etc., to incorporate legends and tables were demonstrated to students through examples.

The afternoon session involved students in a hands-on to what they had learnt in the previous session. The students were asked to create webpages for a specific purpose like a page to play or download music and videos and view or download images.

8	15-9-2022	SeminarOnBlockChainTechnologies	Alexander.G,Ceo,Veteach	II,III,IV
---	-----------	---------------------------------	-------------------------	-----------

Computer science and engineering department organized a SeminarOnBlockChainTechnologies for II,III,IV students in association with Veteach

A Seminar On Block Chain Technologies was organised by department of CSE for the students of II,III,IV year students by the resource person Alexander.G,Ceo,Veteach.This seminar is intended to provide opportunities for educationalist, researchers, professionals and students to upgrade their knowledge in the area of Blockchain Technology. Considering the growing importance of Blockchain Technologies and its potential in different sectors, this five-days' workshop is planned and sessions would be delivered by experts from academia and industry.

15	3-3-2022	DATA HANDLING USING PYTHON	DR.NAGARAJU BAYDETI,ASSISTANT PROFESSOR,NAGALAND	II,III
----	----------	-----------------------------------	---	---------------

Department of CSE organised workshop on **DATA HANDLING USING PYTHON** by **DR.NAGARAJU BAYDETI,ASSISTANT PROFESSOR**, to the students of III,II year students.

17	25-2-2023	Guest Talk On Big Data Analytics	Dr.M.Ravi ShankarAssociate Professor	III,IV
----	-----------	----------------------------------	--------------------------------------	--------

Department of CSE organised Guest Talk On Big Data Analytics by Dr.M.Ravi ShankarAssociate Professor from GITAM Univ, to the students of III,IV year students. Mr.Ravi Shankar focused on various big data areas and taught structures of data and to analyse the data in such a way that student will be able to extract the knowledge from the data.

18	25-2-2023 & 3-3-2023	Workshop On Big Data Hadoop & Sprak With Scala	K.Raja Yasodhar,Software Designer,Hewlett Packard Enterprise,Bangalore	III,IV
----	----------------------	--	--	--------

Department of CSE have organized a Two day workshop on Big data using Hadoop for III year students and the resource person for the workshop is **Mr.K.RajaYashodar** (softwaredesigner)HPEnterprise, Bangalore. The resource person have extensive knowledge on big data Hadoop,Scala and Hive. He introduced to the core concepts, processes, and tools one need to know in order to get a foundational knowledge of data engineering. Students gained an understanding of the modern data ecosystem and the role Data Engineers, Data Scientists, and Data Analysts play in this ecosystem.The different types of data structures, file formats, sources of data, and the languages data professionals use in their day-to-day tasks were shown to the students in hands on session.Students gained an understanding of several different types of data repositories such as relational and non-relational databases, data warehouses, data marts, and data lakes.

19	27-2-2023	Guest Talk On Sales Force DevOps	Mr. Pavan Kumar	III
----	-----------	----------------------------------	-----------------	-----

A Guest talk was organised on 27.02.23 by department of CSE for III year students given by Mr.Pavan kumar from Sales force on “Devops” .This was very engaging , highly informative and gave students were driven in to a broader view on different development platforms.Students learned how to formalize and document development processes and create a self-documenting system.Students were projected to various application software and its usages.

20	28-2-2023	Extention Programme	Venue(Psm Girls High School.1 Town,Vijaywada)	II
----	-----------	---------------------	---	----

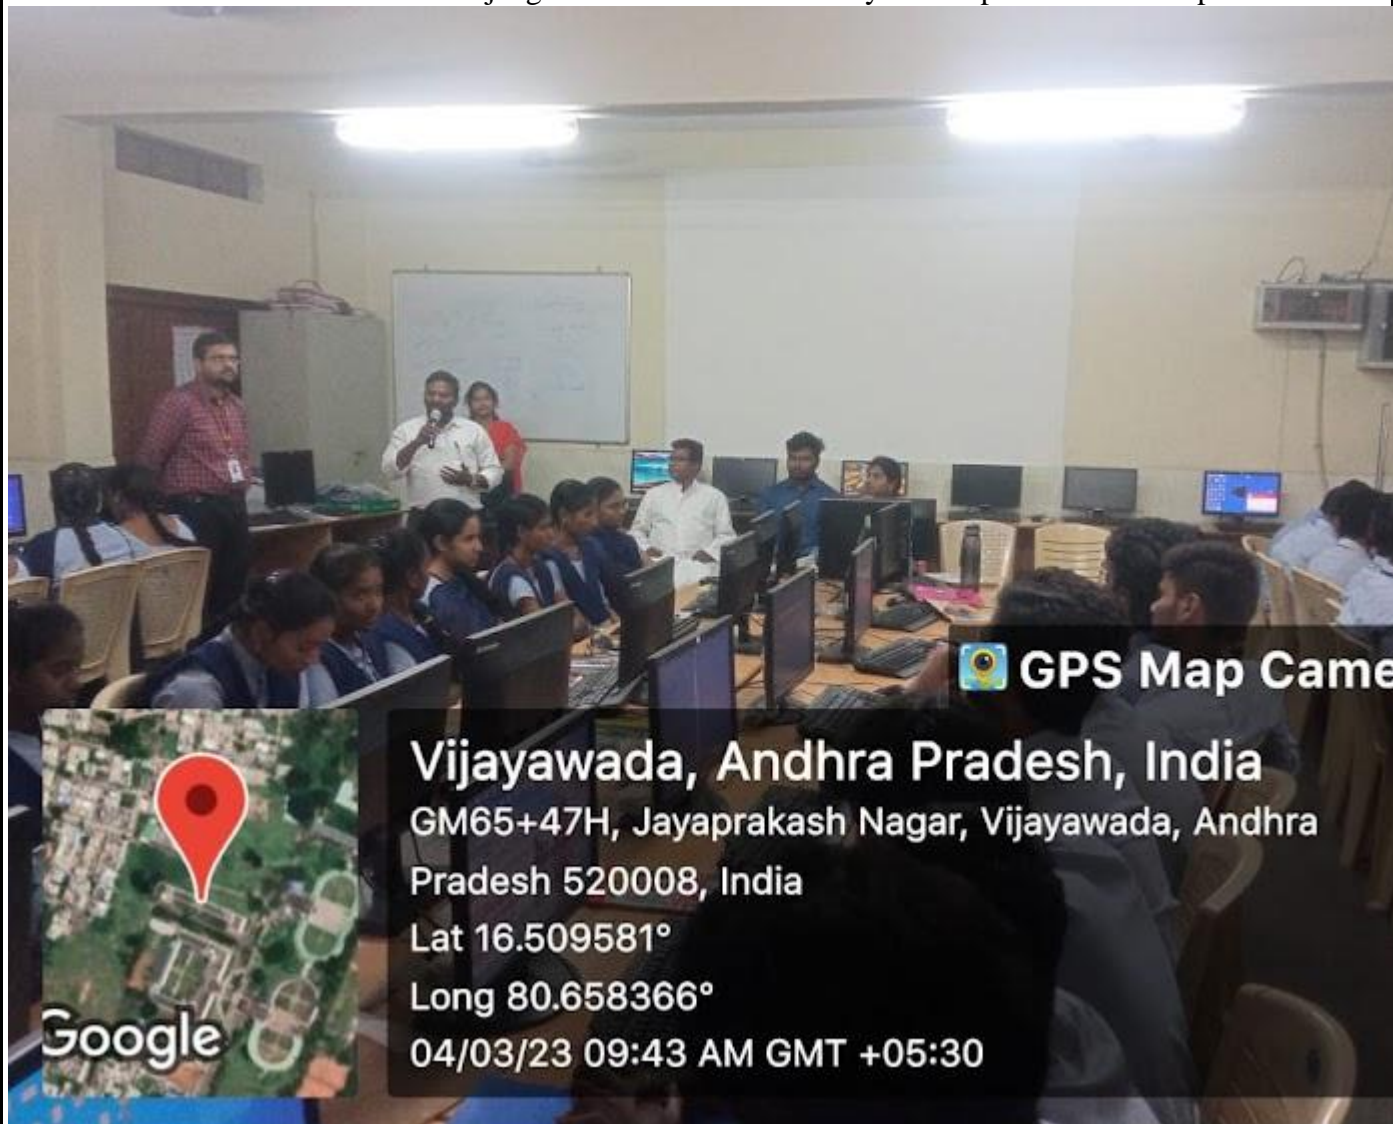

21	4/3/2023	Django Web Frame Work	Mr.Hema Chand,Bussiness Analyst(Quantiphi) Mrs.Nihariak,Software Developer(Cognizant)	III
----	----------	-----------------------	---	-----

Department of CSE in association with SWECHA have organized a One day workshop on Django Framework for III year students at SIEMENS Lab and the resource persons for the workshop are **Mr.Hemchand** (Quantiphi) , **Ms.Niharika** (Cognizant)Hyderabad.Django is a high-level Python web framework that encourages rapid development and clean, pragmatic design. Built by experienced developers, it takes care of much of the hassle of web development, so you can focus on writing your app

without needing to reinvent the wheel. Students attained a hands-on experience and they were well equipped with the fundamentals of the Django Framework delivered by the respective resource persons.

22	17-03-2023 To 18-03-2023	International Conference	CSE	IV YEAR CSE/FACULTY
----	--------------------------	--------------------------	-----	---------------------

An International conference on recent Innovations in Engineering and technology was organized by department of CSE on 17.03.2023 & 18.03.2023 in association with SOLOTE.

23	17-03-2023	Guest Talk on Testing Statistical Hypothesis in Engineering Experiments	Dr G MokeshRayalu,VIT, Vellore	III,IV
----	------------	---	--------------------------------	--------

A Guest talk was organised on 17.03.2023 by Mr.Mokesh Rayalu on “Statistical Analysis using R“ in A Two day International Conference on Recent Innovations in Engineering &Technology(ICRIET - 2K23) on 17th& 18th March 2023 which was put up by both CSE & IT Departments in association with SOLETE. Dr.Ajaz enlightened students with various automation techniques and scope of automation using multiple sources with the advaced tools.

24	18-03-2023	Guest Talk on Cognitive Systems Approach to Intelligent Robotics	Dr Ajaz A. Bhat, University of Brunei Darussalam, Brunei	III,IV
----	------------	---	---	--------

A Guest talk was organised on 18.03.2023 by Dr.Ajaz Ahmad Bhat on “Robotics Automation “ in A Two day International Conference on Recent Innovations in Engineering &Technology(ICRIET - 2K23) on 17th& 18th March 2023 which was put up by both CSE & IT Departments in association with SOLETE.

23-3-2023

Industrial Visit

Fopple Drone Tech
Pvt,Ltd

IV

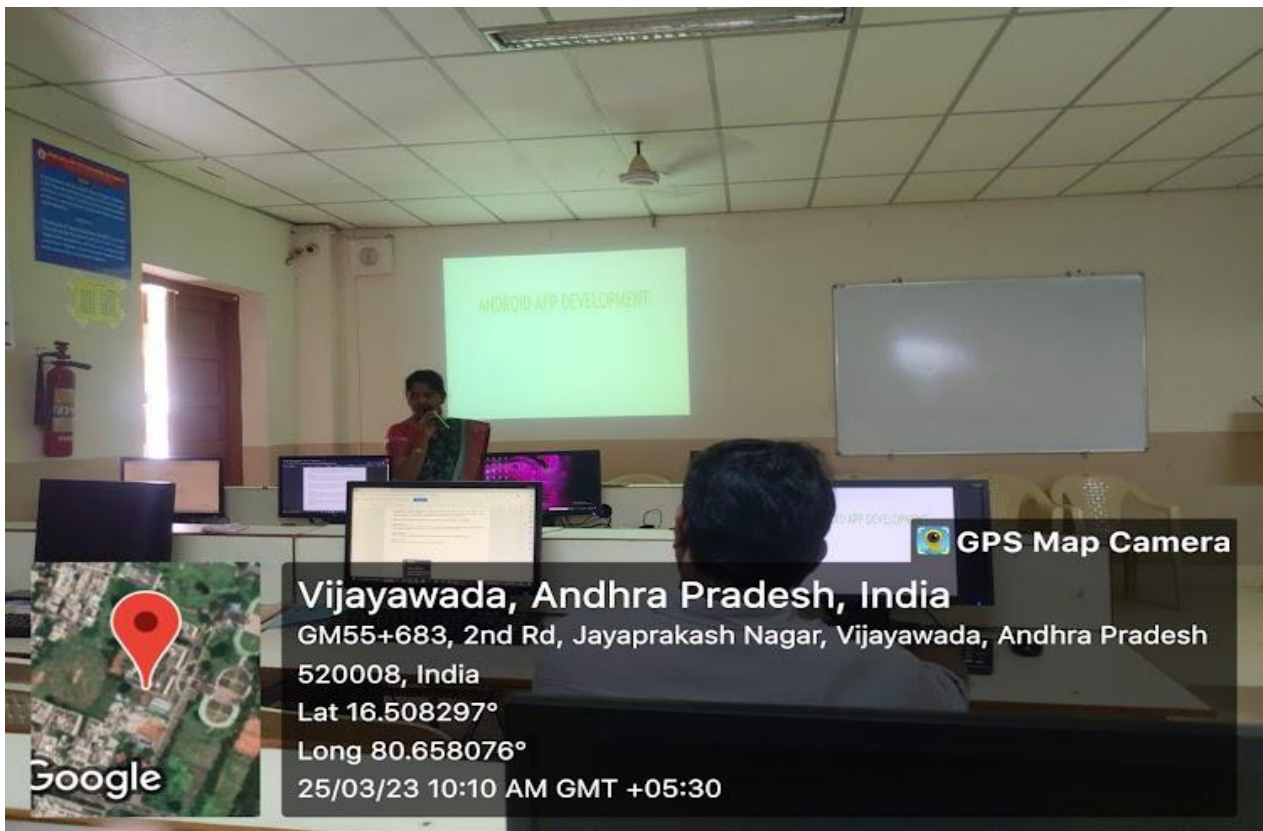

Department of CSE took students of final year to “Industrial Visit” to Fopple Drone Tech Pvt,Ltd to showcase the real world work environment to the budding engineers and to understand the working style of the industries and to encourage them to understand the entrepreneurship.

Department of CSE conducted a Project Expo on 25.03.23 with various final year students projects and Dr. Neelima Priyanka, Associate Professor, Srkit evaluated the project based on the depth and usability of the project. She announced the top three projects out of all projects and issued certificates to the winners for their outstanding performance.

27	25-3-2023	Android Application Development	Dr.Neelima Priyanka, Associate Professor, Srkit, Vijayawada	III
----	-----------	---------------------------------	---	-----

Department of CSE organised a guest talk on Android Application Development by Dr.Neelima Priyanka, Associate Professor, Srkit, Vijayawada for second year students. Resource person shared her enormous knowledge on application development and encouraged students to innovatively think and develop various applications.
