ANDHRA LOYOLA INSTITUTE OF ENGINEERING AND TECHNOLOGY

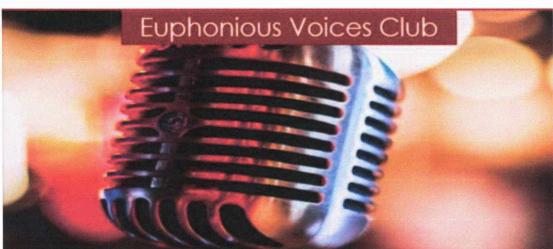

Approved by AICTE, New Delhi and Affiliated to JNTUK-Kakinada

An ISO 9001: 2015 Certified Institution

6.1.2. Euphonious Voices Club

This club helps to demonstrate the strength of excellent skills and teamwork. Campus radio brings together a diverse range of skills on a single platform; here, the learner and the experienced share the same stage as they support each other's back and create unique content for the listeners. Outstanding leadership characteristics and strong teamwork tend to bring out the best in every listener.

☐ The aim of Euphonious Voices Club is to provide a platform for students to improve their language and communication skills through news reading, making public announcements, rendering an inspirational message with a thought of the day.
