

## 6.1.2.Literary Club

The literary committee is formed to highlight our student's literary abilities by offering venues for them to exhibit their talents and literary interests. Throughout the academic year, the committee manages the student's college publication in periodicals, and arranges a variety of literary events.

**Vision**

- To provide awareness on Literary importance and enhance Literary Activities on Campus.

**Mission**

- To make students fit into global community to meet the requirements of the present World of Language and Communication

**Objectives**

- To Participate and develop Communication skills in Literary Events.
- To promote interest in students to focus on key current affairs
- To expose the students to the richness of Literary Events and Culture
