

6.1.2. Sports Club

It provides eligible full-time students with an opportunity for participating in athletic competitions with other colleges. Furthermore, club sports provide students with leadership chances. Students are voted to these roles and are responsible for carrying out the various aspects of their team, such as finance and scheduling.

Vision

- To become the leading voice at the intersection of athletics and academics and to use this voice to unite, challenge, and inspire the next generation of leaders.

Mission

- To develop the sports community by providing the opportunity for sports training services and leisure.
- To offer students the opportunity to practice sport and to pass leisure time actively.
- To inspire students for new achievements and wins in sports.
- To provide a healthy sporting habit and team spirit among the students.
