

6.1.2. Decoration Club

The goal of this club is to help students improve their talents in boutique and interior design. Interior repairs, remodeling, decoration and styling should all be based on the particular culture and tradition. It helps to establish a distinct identity and to provide comfort and style in a welcoming environment that creates a memorable experience both at home and in the workplace.

The aim of the club is to create aesthetics sense for art and beauty. Students are given an opportunity to prepare banners, invitation cards and above all stage decoration.
