

## 6.1.2. Hand Book Committee

The committee members of Handbook check the areas where more focused, specialized and technical discussions are required. Sub-committees are frequently formed as a means of improving board effectiveness and efficiency. These committees are in charge of planning the events, laying the groundwork for decision-making and reporting the same at the next board meeting together with all the other committees. Here every member has a space and opportunity to get involved.

### The committee members:

Fr. Dr. A. FRANCIS XAVIER SJ	Director
Dr. O. MAHESH	Principal
