

6.1.2.IQAC Committee

The IQAC's main goal is to create a mechanism for purposeful, consistent, and catalytic improvement in the institution's overall performance. The IQAC becomes a part of the institution's system and works towards achieving quality improvement and sustainability goals. It channelizes all of the institution's activities and measures towards promoting comprehensive academic success. The duty of IQAC Co-Ordinator is to coordinate the quality-related activities of the institution.

- To coordinate in preparation of the Annual Quality Assurance Report (AQAR) to be submitted to NAAC based on the quality parameters.
- To coordinate the timely and efficient execution of the decisions of IQAC committee.
- To maintain quality in the institution in academic related activities.
