A guest lecture on “Entrepreneurship Awareness Camp by Entrepreneur Development cell” was organized on 4/2/2021 by Mr.Thotapalli Gowtham, Founder, NENTR Pvt Ltd, Vijayawada, for the Final year Mechanical engineering students. This Lecture really helped the students in various ways. Entrepreneurship Development Cell (EDC) is dedicated to encourage, promote and facilitate Entrepreneurial activities among B.Tech and MBA students. The Entrepreneurship Development Cell at Andhra Loyola Institute of Engineering Technology, Vijayawada targets to help in the development of India’s Entrepreneurial ecosystem by enabling easy and efficient interaction between its major components’ students, working professionals, aspiring and existing entrepreneurs, mentors, angel investors, venture capital firms and corporates through events like interactive sessions and Conferences.

Moreover, the lecture was interactive. It helped the students to build a positive attitude and motivated them to achieve high success in life. The lecture was an enlightening experience as it helped to rediscover oneself as a human being, as a student, as a fresher who was looking for his/her dream job. The articulation tips provided by the resource person were helpful to improve the personality.

Mission

M1- to offer enriching learning experiences to aspiring managers.

M2- to enable them to realize their full potential.

M3- to ensure that they serve as agents of continuous improvement and change.

M4- To encourage entrepreneurship and service.

About the Work Shop

This workshop will explore the world of IP both at home and abroad by giving the basic understanding of how to develop, commercialize and manage IP. This session focuses on creating an opportunity to students, academicians, MSMEs, Entrepreneurs and all other stakeholders to put forward their research and share their knowledge on wide range of topics relating to Intellectual Property Rights and related subjects.

The purpose of the workshop is to provoke discussion and debate on a range of topics and including subjects like Patents, Trademarks, Copy Rights, Trade Secrets etc., This Seminar program offers high-level content relevant not only to students pursuing any academic degree but also to young innovators from different fields to engage in a dialogue on protection and commercialization of Intellectual Property.

Through this initiative, we want our students and faculty to develop a broader perspective of their responsibility to society.

After this session, Participants will be able to explore:

- ★ Describe the different types of IP and identify them within their business.
- ★ Understand the difference between registered and unregistered rights
- ★ See the importance and value of IP to their business
- ★ Explain the different routes and mechanisms to protect IP abroad
- ★ Understand the dynamics of different technology fields underpinning innovation related to the Fourth Industrial Revolution viz., Internet of Things, AI, Virtual Reality, Big Data Analytics, Cloud Computing, 3D Printing, etc.,
- ★ Identify potential IP issues
- ★ Discuss IP and commercialization issues and to learn from other's experiences.

Subject: Acceptance to be the Speaker at the Seminar on Intellectual Property Rights – reg.

Dear Sir,

I am extremely honored to agree to your invitation to speak at the Seminar on Intellectual Property Rights to be held at your College on 1st April 2021 from 09.00 a.m. I am so happy that I was chosen for this occasion.

I am excited to be a part of the seminar "**Intellectual Property Rights in the Fourth Industrial Revolution Era – Opportunities and Challenges,**" and this is my official acceptance letter for the same. I will be speaking with the help of a PowerPoint presentation. The session will go on for Two Hours. After that, there will be an interactive session with the participants.

I wish to take once again up this chance to thank you. I very much look ahead to being present at the seminar and making my presentation.

I welcome your effort in calling me and I am honored to be a part of the seminar.

Thanks & Regards,

Yours Sincerely,

Siva Sankar Kasturi,

IPR Attorney.
