

5.1.4. Average percentage of students benefitted by guidance for competitive examinations and career counseling offered by the Institution during the last five years

Guidance for Competitive Examinations

• **Objectives:**

The guidance for competitive exams is provided

- To provide quality training in the area of interest
- To impart the knowledge related to their course
- To empower the students' technical as well as communicative competency

Andhra Loyola Institute of Engineering & Technology strives for excellence and furnishes the needs of aspiring students by providing guidance for various competitive examinations. The college organizes fruitful sessions for the students by the in-house trainers of 'Training and Placement Cell' (T&P Cell) in **Logical Reasoning, Quantitative Aptitude, English for Employability and Programming Skills**. In addition to this, the T&P Cell invited experts from **SIX Phrase, FACE Academy and Sree KEN academy** to enable the students on Competitive examinations in the academic year 2019 - 20 respectively. Students were provided with abundant volumes of latest books on competitive exams in the College library. Students were given access to the digital library to avail Open Educational Resources. These things facilitate the students to improve their competency.

English Employability by S. Gandhi Babu – 22.08.2020

Quantitative Aptitude by Mr. B. Bapaiah Setty – 27.08.2020

Programming skills by Mr. C. Patrick – 27.08.2020

Career Counselling

The In- house trainers of Training and placement Cell take career counseling sessions to bring awareness among the students on various career options available in the industry. The T&P Cell trainers focus on benefits of career planning, guidelines for choosing a career, tips for successful career planning etc. The students are determined to choose the suitable career after the completion of their graduation. In addition to this, the cell organized career counseling sessions by the corporate experts to the final year students in the academic year 2016-17, 18-19, 19-20 & 2020-21 respectively. These sessions helped the students to identify their abilities and areas of interest to set their future path.

Objectives:

- Career Building
- Enhancing Skills to develop Pre-Mature Employability
- Opportunities abroad
- Latest IT Trends

Number of sessions conducted by the Corporate Experts

S.no	Objective	Corporate Experts	Date of the Programme	Duration	No. of Students benefited
1.	Awareness on Higher Education	Mr. Rajendra Lingam, AECC Global	17-02-2021	3 hours	212
