Respected Father,

I N. Pransha of 4<sup>th</sup> CEE with Rgd no: 16HPA0018

This letter is to inform you that, Our Department member 'Mrs. MM. Karunaka' (Teaches us DCS subject in 4-2). He has misbehaved with me during the project hours. He used unparliamentary language towards me. He called me and warned me about the way I behave in class. As I accepted for what he said to me (warned me). Later, He still kept on going through this matter & He spoke about my parents way of growing up. I said him not to speak like that then He raised his voice by using unparliamentary language like [Jatta, Tovey, Em pitthavo peekko, Antha na hands lo undi complaint echukunte echuko, Velli Father vollo kurcho niku atkade comfort ga untundi]. I shouted against him then He raised his hand on me. His slang is completely bad at me. I am unable to bare the situation and I felt quite embarrassed when I heard the words he used. His behavior was very rigid towards every of the student. He speaks in double meaning manner with every girl

in the class. Even though we were calm about this but he crossed his limits & he behaves like as he wish to. We are suffering alot with his behavior methodology of treating girl students.

All I want is a meeting from you and extending your points of using good language in or out of class with the students. I hope you will get my problem and do the needful. kindly see to this matter as it will suffice me.

Thanking in anticipation

Yours truly  
M. Pranita
