CIRCULAR

Date: 1/6/2018
Place: Vijayawada

Sub:FDP on "ADVANCES IN MATERILS AND COMPOSITES"

Respected sir/Madam,

It is to inform that, MECH department is going to organize FDP On "ADVANCES IN MATERILS AND COMPOSITES" from 6th to 10th November, 2017. Hence kindly, request all the faculty members to attend the program without fail.

Thanking You,

lll

Dr. B. V. SUDHEER KUMAR
HEAD OF THE DEPARTMENT

Report on Seminar/Conference/Workshop/FDP conducted**Title:** "ADVANCES IN MATERILS AND COMPOSITES"**Date(s):** 6th to 10th November, 2017**Preamble:**

A five day FDP on "ADVANCES IN MATERILS AND COMPOSITES" has been conducted on 6th June to 10th June, 2018, at Andhra Loyola institute of engineering and technology ,Vijayawada Krishna District of Andhra Pradesh.

Participant's Profile:

A total of 20 Faculty members (MECHANICAL ENGINEERING) of ALIET participated in this FDP .

Description about the Program:

The Resource Person's of this FDP was **K.Mahesh** Associate Professor IIT,Basara, **Dr. Madhusudhana Rao** Professor HOD ,URCE-Gannavaram, **Dr.B.V Raghu Kumar** Professor,VRSEC,vijayawada

The primary objective of the FDP is to group the faculty and the reasearchers to discuss the basics of materials and its advances in present and future days.Explained about the composites and how these composites are useful for manufacturing body parts of different automobiles.

Feedback:

All the Faculty members expressed their feedback on the programme and hospitality

Report on Seminar/Conference/Workshop conducted

Title: Three Day Faculty Development Programme on “Challenges and Trends in Management Education”

Date(s): 28th, 29th and 30th July, 2016

Preamble:

A Three Day Development Programme on “Challenges and Trends in Management Education” has been conducted from 28th July, 2016 – 30th July, 2016 at Andhra Loyola Institute of Engineering and Technology, department of Business Administration, Vijayawada in order to create awareness on challenges and trends in Management education among the faculty of management. The Management Education plays a Pivotal Role in social uplift and triggering the entrepreneurial spirit in the society. The FDP enhances the skills of faculty who in turn create the future of the nation.

Participant’s Profile:

A total of 114 faculty participated from Krishna and Guntur Districts.

Description about the Program:

On the inaugural function, Dr. P Vijaya Kumar, Director, School of Management Studies, JNTUK, was the Chief Guest. In his, Chief Guest address emphasised the need of conducting Faculty Development Programmes to enhance the skills, pedagogy practices in Management education and he advised the management faculty to identify latest trends in management education and to conduct various workshops or seminars on such issues.

Dr. Battu Naga Raju, Director, MHRM Department, Acharya Nagarjuna University, Guntur was the Guest of Honour. He mentioned various latest trends in Human Resource Management.

Mr. Tobby George, Media Consultant, The Hindu, Guntur has participated and spoke on the topic Managerial Skills. In his speech, he highlighted the managerial capabilities required for various potential

Report on Seminar/Conference/Workshop conducted

Title: A Two-day National Seminar on "Emerging Trends in English Language Pedagogy".

Date(s): 11th & 12th March 2016

Preamble: Two Day National Seminar on "Emerging Trends in English Language Pedagogy" has been conducted on 11th & 12th March 2016, at Andhra Loyola Institute of Engineering and Technology. This seminar aimed to provide a platform for facilitators to share their knowledge, skills and expertise in teaching English for the engineering graduates..

Participant's Profile:

A total of 70 delegates from different engineering Colleges have attended. Professors from EFLU, Loyola Chennai and Acharya Nagarjuna University participated. Among the participants 40 were women and 30 were men.

Description about the Program:

Shri.V.V. Raja Rao, Assistant Regional General Manager, The Hindu, Vijayawada was the chief guest and Prof.Mohan Raj Sathuvalli, EFLU,Hyderaba was the key note Speaker. Sri.V.V. Raja Rao stressed the importance of acquiring communication skills and reading habits for professional development. Prof.Mohan Raj Sathuvalli gave an interactive and captivative talk on the central theme of the Seminar. The issue of online Special Edition on the theme of the seminar by (Journal of English Language and Literature) was realeased by the dignitaries.Prof.K. RatnaShiela Mani, ANU and Dr.B. Karuna ,Asst.Prof, ANU gave pleanary talks and chaired the sessions .Forty delegates and Research Scholars presented their papers on various subthemes of the seminar. This programme was presided over by Rev.Dr.A.Francis Xavier S.J, Director of ALIET.

The entire session was an interactive session and the speakers answered many queries raised by the participants.

The Day two commenced with the talk of Prof. Mohan Raj Sathuvalli on "Text Book Analysis". His captivate delivery spiced up with lively examples, demonstration and humour, engrossed the audience. In the post lunch session, Dr. K.S.Antony Samy, Assoc.Prof. Loyola College Chennai gave a plenary talk on "ELT-A Complementary Approach". Rev.Fr.Rex Angelo, Director, ELT Centre, Andhra Loyola College, gave a special talk on "A review of Various ELT Methods".

Dr. O.Mahesh ,Principal, Appreciated the staff for their initiation in the valedictory function. Mrs.N. Dyva Krupa, the convener of the seminar proposed vote of thanks.

Feedback:

All the delegates gave their feedback on the seminar. The key note address and plenary talks were deeply appreciated. They expressed their gratitude towards the hospitality given by the organizing committee.

Future Perspectives:

The department of English is looking forward to organize future conferences and Seminars on various Themes related to English language teaching to Engineering graduates to improve their communication skills and employability skills.

A TWO DAY NATIONAL SEMINAR ON "EMERGING TRENDS IN ENGLISH LANGUAGE PEDAGOGY"

DAY -2 12th MARCH

ATTENDANCE

Session-1 Chair Person : Prof. Mohan Raj Sathuwali

S.NO	NAME	PLACE	TOPIC
1	Dr. VASISTA BHARGAVI	Madhura	New pedagogical ideas, patterns and Trends in Learning business English
2	A. SHELIN RAJ	MADHURAI	MIKE: A Pedagogical tool for Language Learning
3	P. SRIJANI & Y. SRINIVAS RAO	W.S.S GUNTUR	Teaching English for Engineering students: a challenging task
4	Dr. JOHN SEGAR	MADHURAI	Promotion of students Met cognition in SLL: A distant dream or a near reality
5	KALPAPATIB	MADHURAI	Promoting Language skills by using Disables
6	K. VARDEESH	CHENNAI	Cultivating techniques of soft skills through English for competence
7	S. GUNA SUNDARI	MADHURAI	Interactive Classrooms through the Silent way
8	SITUS MYACHANDRAN	MADHURAI	Considering Listening as learning strategy
9	PRITADARSHI DASS	MADHURAI	Enhancing Oral reading skills through use of Proximal Development
10	ARJUNESH RAJAS KARAN	MADHURAI	Technical Maturity: Teaching English to Visually challenged learners

Session-2 Chair Person : Dr. B. Karuna

16	G. DHANYA	VADLAPUDI	Influence of Social Media on English Language Learning
17	D. VIJAYA LAKSHMIN & K. RAJESH	NARSAPUR	Multimedia, a Technique to deal the language labs
18	M. BALINI JAVANTHI & R. VIJAY KUMAR	VIJAYAWADA	English and Employability in India in the Globalization
19	SUKYA PRAKASH P.	TANJURU	ICT and English Teacher
20	K. JHANSI RANI	VASAVI ENGL. COLLEGE	English for empowerment: Improving Communicative competence through CALLA
21	A. P. ADARAVATHI	VADLAPUDI	Use of Literature in Language Classroom enhance the critical thinking ability and basic skills
22	P. LAKSHMI SAINIYA	KANURU	Command of Communicative proficiency in Engineering Students
23	M. S. BHARATI & S. SHARANI	ANU, GUNTUR	Importance of Soft Skills
24	S. RAJU	ANU	The importance of teaching English language through literature
25	S. DIVYABARATHI	ESHOORE	SOFT SKILLS: A TOOL FOR EMPLOYABILITY
26	Dr. RAJU	ALC, VIZ	Soft Skills - Vital Organs of the Professional Life?
27	Dr. SYAMALU	ALC, VIZ	The Use of Literature in the Language Classroom: An Overview
28	P. SARATH CHANDRA	HYD	The role of meta cognitive strategies for improving listening skills through podcasting

11	V. PAUL PRADEEP KUMAR	MADHURAI	Face book as a tool for Enhancing writing skills
12	K. RAMESH BABU & K. SAGAR KRISHNA ARUNA VASANTHA	GUDLAVALLERU	Second Language Acquisition through a Pedagogical Framework: A Pathway for holistic development of Second Language Learner
13	J. LEEU CHACIDONY	MADHURAI	Language teaching through literature
14	Z. MOHANA RAO	MADRAPDET	English and Employment: The need for soft skills for Engineering graduates

Session-2 Chair Person: Dr. K.S Antony samy

15	DEVIKUMARI NAIDU JUREDDI & K. CHAKRAPANI	EAST GODAVARI	The use of Multimedia in the classroom for effective English teaching
16	Dr. M. SAMBALAH	PULIVENDULA	Interpersonal Skills as Core of the Personality: some home truths
17	N. SRABHAKARAN	CHENNAI	Learning English through Technology
18	M. RUDRAMA DEVI	KANURU	English for Employability of Indian Students
19	K. VIJAYA SRI	ENGL, HYD	Authentic Materials in the Polytechnic English language classroom-Teachers Perceptions and practices
20	K. VIJAYA SRI	MADHURAI	"Literature" in Language Teaching
21	VADIVU SURESH	MADHURAI	Giving prepositional tasks for promoting reading skills
22	Dr. NAGALAKSHMAMAMMA	VIZAG	Soft Skills
23	M.D ABDULLA	NARSARAUPET	Blending English Language Skills for Budding Engineers to Flourish in Global Environment
24	M.D Abdulla John Vijayan C	MADHURAI	Developing speaking through Conversation and Small-talk activities
25	JOSEPH	MADHURAI	Subtitles help to ameliorate students' communicative skills

ABOUT THE COLLEGE

Andhra Loyola Institute of Engineering and Technology (ALIET) is a sister institution of the reputed Andhra Loyola College, Vijayawada. These two institutions are administrated and run by Loyola College Society, Guntur-Vijayawada.

ALIET was approved by AICTE- New Delhi, on 2008 and is also an ISO 9001:2015 certified institution. The institution is recognized by the government of Andhra Pradesh and affiliated to JNTUK. The institute is offering 6 UG programs an intake of 540 (CSE-120, ECE-120, EEE-60, MECH-120, CIVIL-60 & IT-60), 2 PG programs (1 M.Tech, (DECS-18) & MBA (60)). Our institute is partially running with the solar power.

ABOUT THE DEPARTMENT:

The Department of CSE & IT are established in the year 2008. The departments are provided with all required infrastructural facilities like well equipped laboratories, well qualified & dedicated faculty and technically sound supporting staff. Departments are continuously striving to impart quality education and competitive spirit among students for academic excellence. Many of our students' have been published papers in various national & international technical symposiums.

Siemens Technical Skill Development Centre was established by A.P.S Skill Development Corporation which provides state of the art training to the students for improving the practical exposure to meet the need Of present industry

ABOUT THE FDP

The aim of the program is to nurture the faculty on the basic rudiments of Structural engineering and given hands on experience on the "Faculty Orientation Program" .To be more fruitful, the participant faculties will be trained to analyze and design a multi storied data using Cloud and completing a project by taking extreme care of each and every participant and duly evaluated by the resource persons. After successful completion of FDP all the participants can design multistoried data on their own and can guide successfully the projects related to design in structural engineering for Under Graduates.

SPEAKERS:

1. Mrs Rupa, Professor, VR Siddhartha Engineering College, N.Sravva, ICT Academy Having more than 10 yrs of Industrial Experience .

About the College

Andhra Loyola Institute of Engineering & Technology was established in the year 2008, under the sister institution of the reputed Andhra Loyola college, Vijayawada. These two institutions are administrated and run by Loyola college society, Guntur – Vijayawada.

The college is permanently affiliated to JNTUK, Kakinada and approved by AICTE-New Delhi. ALIET offers 6 Under Graduate programmes and 2 Post Graduate programmes with an intake of 600 students and ranks among the top three out of 200 Engineering Colleges affiliated to JNTUK, Kakinada. The teaching staff is about 200 with well qualified and varied experience. The faculty members take interest in continuing education and are actively engaged in research work. They also publish their findings regularly in standard National and International Journals. Some of the faculty members obtained awards for their paramount publications.

In-house placement training team, absolute discipline, multimodal teaching methodology, 100 kVA roof-top solar power plant, Siemens Technical Skill Development Institute established by Andhra Pradesh Skill Development Corporation (APSSDC), provides state of the art training to the Mechanical, Electronics and Electrical Engineering faculty and students for improving their practical exposure to cater the needs of the present industry.

About the Department of Mechanical Engineering

The Department of Mechanical Engineering, established in the year 2010, offers a four year Under Graduate program with an intake of 120 students and Support by a strong faculty of 21 members, the department possesses highly advanced hardware and software tools. The department also provides ample opportunities to students to work on mini projects, develop communication skills, explore internship opportunities in industry and take active participation in the National and International contests. The laboratories are well equipped with modern training facilities that cater to the requirements of the university syllabus.

Department Vision

To impart the knowledge of Mechanical Engineering with global perspectives for graduates to serve the industry in particular and the society at large through quality education and research.

Registration

Interested participants can send their registration forms in the prescribed format duly attested by the Head of the Institution along with the registration fee in the form of a demand draft, drawn in favour of “**Principal, ALIET**” payable at Vijayawada.

FDP Venue

CAD LAB,
Department of Mechanical Engineering,
Andhra Loyola Institute of Engineering & Technology,
Vijayawada, Krishna-520008.

Registration fee per each participant: Rs 500/-

Last date for registration: 14th Sep, 2016.

Resource Person:

Mr. Md shareef, Trainer, ICT Academy

Objective of FDP

The primary objective of the Faculty development program is to learn basic and also new commands which are introduced recently in Auto CAD software for drafting. This Programme is very much useful to the faculty to learn the new concepts to drawing the objects and modeled an object

Theme of the FDP is to create both 2D and 3D drawings used in construction and manufacturing, to increase the productivity of the designer, to improve the quality of design, to create a database for manufacturing and also to improve communication through documentation

REPORT ON FACULTY DEVELOPMENT PROGRAMME

Title :Program on five days“ FACULTY DEVELOPMENT PROGRAMME”

Date:19-9-2016 to 23-9-2016

Preamble:

Five day” FACULTY DEVELOPMENT PROGRAMME” was organized by department of MECHANICAL in association with AUTODESK, conducted by ICT Academy of Tamilnadu19-9-2016 to 23-9-2016, at Andhra Loyola Institute of Engineering And Technology , to gain the knowledge about Auto CAD Software. This faculty development programme was sponsored by Andhra Loyola Institute of Engineering and Technology , Vijayawada .

Participant’s profile :Three Faculty of Andhra Loyola Institute of Engineering And Technology participated in this FDP.

Description about the program :

This program is basically a faculty development programme which is used to learn basic and also new commands which are introduced recently in Auto CAD software for drafting. This Programme is very much useful to the faculty to learn the new concepts to drawing the objects and modeled an object.

On the first day of FDP Md.Shareef spoke on the topic : Inauguration – introduction to AutoCAD.

On day 2 Md.Shareef explained about basic commands to draw the objects

On third day Md.Shareef explained about modified commands in Auto CAD To modify the drawing objects. .

On fourth day Md.Shareef explained about how to draw the engineering drawing objects which are used explained in day 2 and day3.

And finally Md.Shareef clarified the doubts which are drawn by us. And also explain the efficient use of Auto CAD inn future.

Date(s): 17-19TH November 2016

Preamble:

A Three day FDP on "ADVANCEMENTS IN CLOUD COMPUTING SERVICES AND ITS APPLICATIONS" has been conducted on 17-19TH November 2016, at Andhra Loyola institute of engineering and technology ,Vijayawada Krishna District of Andhra Pradesh.

Participant's Profile:

A total of 55 Faculty members (CSE&IT) of ALIET ,various colleges participated in this FDP .

Description about the Program:

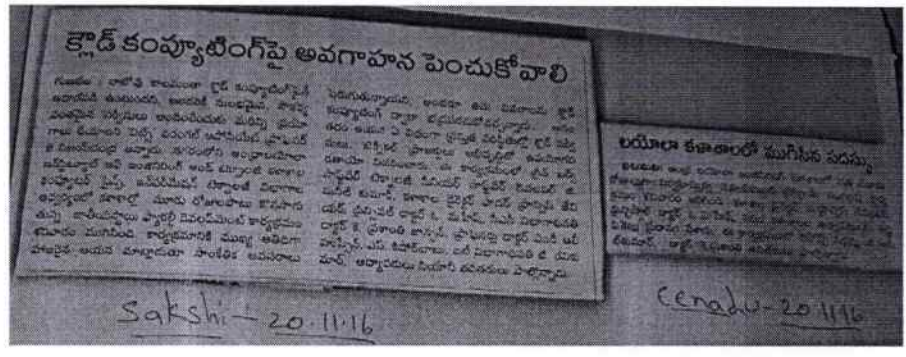

The Resource Persons of this FDP were MR.J.VIJAYA CHANDRA Assoc .Professor, CSE, WITS, Warangal. MR.G.SUNIL KUMAR Senior Software Developer, Green Buds Software Technologies

The primary objective of the FDP is to cover topics of Advancements in cloud computing .the curriculum and resources are available online and along with the theoretical concepts, teachers will also get hands-on experience in development.

Feedback:

All the Faculty members expressed their feedback on the programme.

Report Submitted by: Dr.K.Prasanthi Jasmine
Designation: Professor & Head

PARTICIPANTS (who should attend):

This Program is meant for Faculty from Academic Institutes/Industry/Research Scholars/M.Tech students of computer Science and Engineering, Information Technology and related disciplines.

IMPORTANT DATES:

Submission of Application : 15-11-2016
Intimation of Selection : 16-11-2016
Confirmation by Participant : 16-11-2016

RESOURCE PERSONS:

1. **Mr. J. Vijaya Chandra**
Assoc. Professor, CSE, WITS, Warangal
2. **Mr. G. Sunil Kumar**
Senior Software Developer,
Green Buds Software Technologies

BENEFITS: Successful participant certified as Cloud Developer.

REGISTRATION: Each participant Rs. 500/-

No of Participants: Limited to 60.

ABOUT ALIET:

Andhra Loyola Institute of Engineering and Technology (ALIET) is a sister-institution of the reputed Andhra Loyola College, Vijayawada. These two institutions are administrated and run by Loyola College Society, Guntur-Vijayawada. ALIET was approved by AICTE-New Delhi. The institution is recognized by the Government of Andhra Pradesh and Affiliated to JNTUK.

The Institute is offering 6 UG programmes (CSE-120, ECE-120, EEE-60, MECH-120, CIVIL-60 and IT-60) in Engineering with an intake of 540, 3 PG programmes, 2 M.Tech (CSE-18 & DECS-18 & MBA-60). Our Institute is partially running with the solar power.

PROGRAMME OBJECTIVE:

This course starts with the introduction to Cloud computing, terminology and services. The program provides a broad understanding of the different leading Cloud Computing technologies. Topics include Cloud Computing concepts and architecture, Cloud Computing standards, Cloud Computing implementation strategies, Advanced cloud security management and resource management, migrating to the Cloud, case studies and best practices.

AGENDA:

Faculty will attend a 3 day training which will cover topics of Advancements in cloud computing. The curriculum and resources are available online and along with the theoretical concepts, teachers will also get hands-on experience in development.

ABOUT THE DEPARTMENTS:

The Departments of Computer Science and Engineering, Information Technology were established in the year 2008. It has highly qualified and experienced faculty. The departments have well equipped Laboratories and provides excellent facilities for learning through e-class rooms with modern teaching aids like LCD, Multimedia support etc. The departments offer B.Tech and M.Tech (CSE) courses. The departments have authorized centers by DELL EMC, ORACLE ACADEMY AND MICROSOFT.

CONTENTS

Fundamentals of Cloud Computing:

- ✓ Introduction to Cloud Computing
- ✓ Data and Information Security
- ✓ Security Concepts CIA and AAA
- ✓ Virtualization of Cloud Computing
- ✓ Research Issues and Scope of Data Security

Cloud Computing Mechanisms:

- ✓ Cloud Deployment Platforms
- ✓ Designing Local Clouds

Cloud Management:

- ✓ Cloud Security Challenges and Issues
- ✓ Cloud Software Testing and Quality Assurance
- ✓ Protection and Disaster Recovery
- ✓ Risks, Threats and Attacks
- ✓ Penetration Testing Tools and Techniques

Amazon cloud services:

- ✓ EC2
- ✓ Connecting to the Cloud
- ✓ Ubuntu in the Cloud
- ✓ Simple Storage Service – S3
- ✓ Managing the EC2 infrastructure
- ✓ Adapting EC2 to Your Business Needs
- ✓ Hosting Applications with Elastic Beanstalk

Sub: FDP on "3 DAY FDP on Advancements in cloud computing services and it applications"

Respected sir/Madam,

It is to inform that, CSE department is going to organize FDP On "3 DAY FDP on "Advancements in cloud computing services and it applications" from 17-11-2016 to 19-11-2016.Hence kindly, request all the faculty members to attend the program without fail.

Thanking You,

Yours Sincerely,
Dr.K. Prasanthi Jasmine.

THREE DAY FACULTY DEVELOPMENT PROGRAMME ON REMOTE SENSING & GIS

Title : FDP on “RS&GIS”

Date(s) : 08-06-2016 to 10-06-2016

Preamble:

Three days FDP on “RS&GIS” was organized by department of CE between 08-06-2016 to 10-06-2016, at Andhra Loyola Institute of Engineering And Technology , to get the knowledge on latest software among faculty of engineering . This FDP was sponsored by Andhra Loyola Institute of Engineering and Technology, Vijayawada.

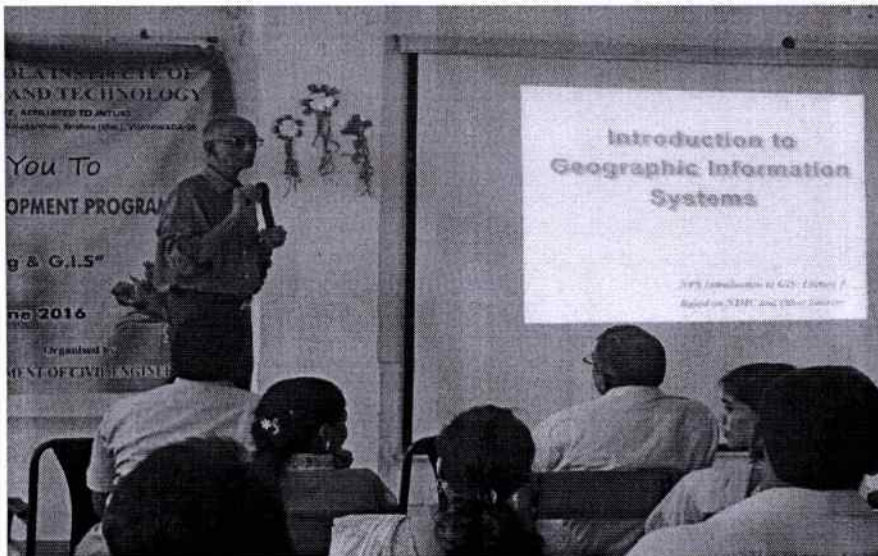

Participant’s profile : Faculty of various colleges have participated in the Program.

Description about the program :

Mr.Ajit Kumar Babar from ESRI India, Mr.Valliappan.A.L from School of Planning & Architecture and Prof.A.Gopala Krishnaya from ALIET are the resource persons for the FDP conducted. A Hands on Training is given to the faculties regarding the RS&GIS Software.

Faculties of various colleges have participated in the three day FDP.

Report on NBA Orientation Program

Title: Program on “NBA ORIENTATION PROGRAM”

Date: 06-06-2016

Preamble:

One day workshop on “NBA ORIENTATION PROGRAM” was organized on 06-06-2016, at Andhra Loyola Institute of Engineering and Technology, to give awareness about NBA (National Board of Accreditation) criteria work among the faculty of engineering. This Program was sponsored by Andhra Loyola Institute of Engineering and Technology, Vijayawada.

Participant’s profile : 144 faculty of various departments of Andhra Loyola Institute of Engineering and Technology (ALIET), had participated in the Program.

Description about the program:

This program is basically an NBA Orientation for the faculty to know the formats of NBA 10 Criteria and how to improve the quality of education.

Morning Session: 10 am – 12 pm: NBA Outcome based Accreditation Evaluation for Engineering colleges was explained by Dr.G. Ravindranath, Professor and HOD, EEE Department, Matrusri Engineering College, Hyderabad.

He gave an overview of each Criteria and marks were allotted to each criterion.

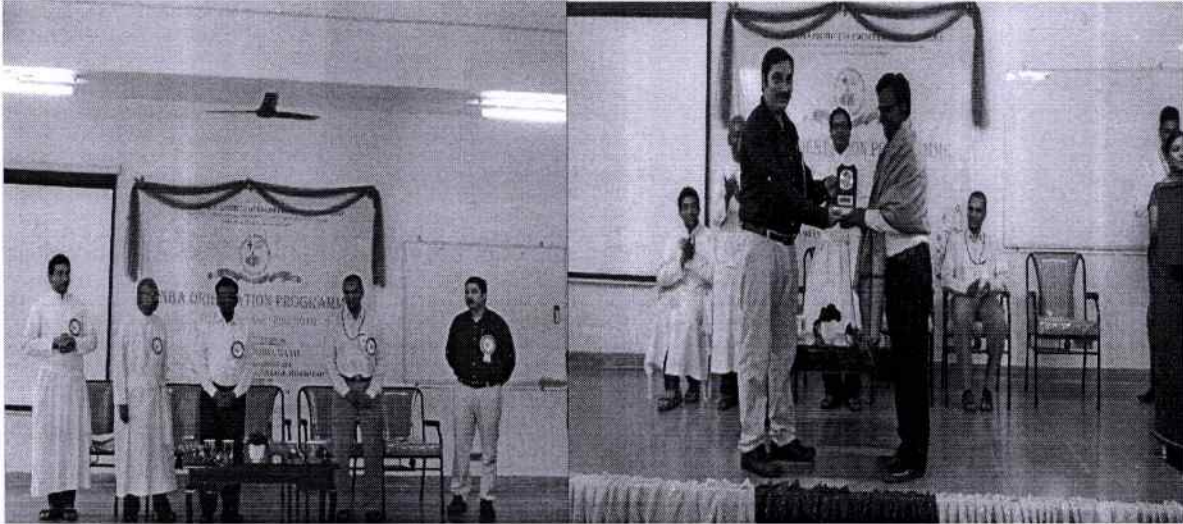

Lunch Break: 12pm – 1pm.

Afternoon Session: 1pm – 4pm: In the afternoon session, Dr.G. Ravindranath had explained how to create documents in new NBA format. Essential qualifiers required to present before NBA committee. He has cleared doubts raised by the faculty.

Valedictory: 4pm – 5pm: Director of ALIET, Rev. Fr. Dr. A. Francis Xavier, S.J, had given instructions to faculty to start work for NBA and to conduct departmental meetings on the progress of the work.

Dr. O. Mahesh, Principal, had appreciate the faculty to attend this program and he said already we have initiated NBA work department wise.

Dr.G.V. Hariprasad, Professor, ECE Department, ALIET, who was Convener of the Program, had given suggestion to form Departmental committees Criteria wise.

Future Perspectives: Looking forward to work for NBA Accreditation for the Departments.

Report on Seminar/Conference/Workshop/FDP conducted

Title: "GROOVY ON GRAILS"

Date(s): 22-3-2016 to 24-3-2016

Preamble:

A Three day FDP on "GROOVY ON GRAILS" has been conducted on **22-3-2016 to 24-3-2016** , at Andhra Loyola institute of engineering and technology ,Vijayawada Krishna District of Andhra Pradesh.

Participant's Profile:

A total of 28 Faculty members (CSE) of ALIET participated in this FDP .

Description about the Program:

The Resource Persons of this FDP was CHESTER TULLY Director, Co-Founder, GAPVAG TECHNOLOGIES

The primary objective of the FDP is to cover topics of Advancements in cloud computing .the curriculum and resources are available online and along with the theoretical concepts, teachers will also get hands-on experience in development.

Feedback:

All the Faculty members expressed their feedback on the programme.

Report Submitted by: Mr.M.Tanooj Kumar

Designation: Professor & Head

Department: Computer Science and Engineering
