Report on Seminar/Conference/Workshop/FDP conducted
Title: "Understanding role of Python and R programming"
Date(s): 26-4-2018 to 28-4-2018
Preamble: A Three day FDP on "Understanding role of python and R programming" has been conducted on 26-4-2018 to 28-4-2018, at Andhra Loyola institute of engineering and technology ,Vijayawada Krishna District of Andhra Pradesh.
Participant's Profile: A total of 32 Faculty members (CSE&IT) of ALIET participated in this FDP .

PRINCIPAL
ANDHRA LOYOLA INSTITUTE OF
ENGINEERING & TECHNOLOGY
VIJAYAWADA-520 008.

Description about the Program:

The primary objective of the workshop is to educate the faculty and the students about the advancements that have been taking place in programming languages like R & Python.

The department of CSE, organized a two day workshop on **Understanding role of python and R programming** from 26 to 28 April 2018. **Mr. INTISAR MENHIDI**, Director of BRAIN O VISION Pvt. Ltd, Hyderabad was the Resource Person. He said that Python is an interpreted, high-level, general-purpose programming language. Created by Guido Van Rossum and first released in 1991, Python's design philosophy emphasizes code readability with its notable use of significant whitespace. R is a programming language and free software environment for statistical computing and graphics supported by the R Foundation for Statistical Computing. The R language is widely used among statisticians and data miners for developing statistical software and data analysis. The primary

PRINCIPAL

ENGINEERING & TECHNOLOGY
VIJAYAWADA-520 008.

objective of the FDP is to group the faculty and the researchers to discuss the latest trends and technology available in all aspects of R-Programming and learn the nature of data through software which makes the preliminary concepts right away using R and Python. This programme enabled the participants to understand the data modeling and visualization to perform efficient statistical analysis. The workshop was found to be highly useful for staff.

Feedback: The participants posted positive feedback
