

“Every Plant Needs Nurturing and Every Student Needs Mentoring”

- ❖ Giving an advice on how students can best achieve their goals is something that is often overlooked. But here in ALIET, the management has initiated this new venture in this academic year (2015-16) to provide guidance and support to vulnerable adolescents.
- ❖ Realizing the value of mentoring, **Rev. Fr. Dr. A. Francis Xavier S.J**, Director of ALIET, has decided to extend mentoring programs to all the students of B.Tech to empower and support them in a affable manner. A staff meeting was conducted in the academic year 2015-16 to inform the staff about the value of mentoring. **Rev. Fr. Dr. Rex Angelo S.J**, Director ELT Centre, Andhra Loyola College, stated that **Every Plant needs nurturing and every student needs mentoring**. Allotment of mentoring schedule is carefully planned. i.e. Monday of the last week of every month for the I B.Tech students, last Tuesday for the II B.Tech students, last Wednesday for the III B.Tech students and last Thursday for the IV B.Tech students.
- ❖ Mentoring has emerged as a strong response to the plight of youth who look for guidance. Each mentor is allotted twenty students and the students can open up and share their problems and achievements.
- ❖ The ongoing relationship is nurtured through phone calls to the parents or guardians to enhance their regularity and instil in them the knowledge they need to succeed. Over time, this novel venture is likely to show signs of responsibility and success.
